Ma Guerre Contre Le Flq:

Ma guerre contre le FLQ Robert Côté, 2003 l'aide de ses archives personnelles et de divers documents officiels Robert Côté nous révèle comment avec les moyens restreints de l'époque mais aussi avec beaucoup de chance d'improvisation et de détermination il a réussi à maintenir la majorité des bombes artisanales qui ont fait les manchettes. Il fut même amené à samorcer des engins explosifs avec un coupe ongles aidé par la chance. En 1970 il dirige l'équipe d'enquêteurs qui retrouve James Cross enlevé par le FLQ, organise le siège des ravisseurs puis participe à la libération de l'attaché commercial de la Grande Bretagne.

The Making of the October Crisis D'Arcy Jenish, 2020-10-06 A definitive mind changing history of the October Crisis and the events leading up to it. The first bombs exploded in Montreal in the spring of 1963 and over the next seven years there were hundreds more bombings, many bank robberies, six murders and in October 1970 the kidnappings of a British diplomat and a Quebec cabinet minister. The perpetrators were members of the Front de libération du Québec dedicated to establishing a sovereign and socialist Quebec. Half a century on we should have reached some clear understanding of what led to the October Crisis. Instead too much attention has been paid to the Crisis and not enough to the years preceding it. Most of those who have written about the FLQ have been ardent nationalists, committed sovereigntists or former terrorists. They tell us that the authorities should have negotiated with the kidnappers and contend that Jean Drapeau's administration and the governments of Robert Bourassa and Pierre Trudeau created the October Crisis by invoking the War Measures Act. Using new research and interviews D'Arcy Jenish tells for the first time the complete story starting from the spring of 1963. This gripping narrative by a veteran journalist and master storyteller will change forever the way we view this dark chapter in Canadian history.

Are You Willing to Die for the Cause? Chris Oliveros, 2023-10-10 It started in 1963 when a dozen mailboxes in a wealthy Montreal neighborhood were blown to bits by handmade bombs. By the following year a guerilla army training camp was set up deep in the woods with would-be soldiers training for armed revolt. Then in 1966 two high school students dropped off bombs at factories causing fatalities. What was behind these concerted, often bungled acts of terrorism and how did they last for nearly eight years? In *Are You Willing To Die For The Cause* Quebec-born cartoonist Chris Oliveros sets out to dispel common misconceptions about the birth and early years of a movement that while now defunct still holds a tight grip on the hearts and minds of Quebec citizenry and Canadian politics. There are no initials more volatile in Quebec history than F L Q. Standing for the Front de libération du Québec or in English the Quebec Liberation Front. The original goal of this socialist movement was to fight for workers' rights of the French majority who found their rights trampled on by English bosses. The goal became ridding the province of its English oppression by means of violent revolution. Using dozens of obscure and long forgotten sources Oliveros skillfully weaves a comic oral history where the activists, employers, politicians and secretaries piece together the sequence of events. At times humorous, other times dramatic and always informative *Are You Willing To Die For The Cause* shines a light on just how little it takes to organize dissent and who people
