Canada**

Maccallumjackman Cottage Mural Paintings:

The MacCallum-Jackman Cottage Mural Paintings Pierre Landry, 1990 The MacCallum-Jackman cottage mural paintings National Gallery of Canada, 1990 **J.E.H. MacDonald, Designer** Robert Stacey, Hunter Bishop, 1996-10-15 The design work of Group of Seven painter J E H MacDonald was not only central to his personal artistic development but inseparable from the graphic design industry in Toronto from the 1890s to the 1930s the golden age of book and magazine illustration This connection has been largely overshadowed by his painting Now this splendid book tracing MacDonald s involvement with fine printing book design and commercial art raises the profile of graphic design as a formative influence in Canadian visual culture Arthur Lismer, Visionary Art Educator Angela N. Grigor, 2002-05-21 Arthur Lismer well known member of the Group of Seven was also one of Canada s most innovative educators Using previously untapped correspondence and papers as well as interviews with Lismer s teaching colleagues child students and art students Angela Nairne Grigor examines Lismer s Arts and Crafts Movement background in his native England the evolution of the humanistic ideas and ideals that guided his work as both an artist and a teacher and his international influence as an educator She gives a vivid portrait of his approach to teaching in an illustrious fifty year career that took him from Toronto to Halifax Montreal New York Australia New Zealand and South Africa and during which he played a pivotal role in the development of some of Canada s most important art schools and museums Lismer pioneered new progressive ideas in art education through his work with children as educational supervisor at the Art Gallery of Toronto and later at Montreal s Museum of Fine Arts In exploring Lismer s development as an educator Grigor traces the history of art education in twentieth century Canada and charts changing attitudes towards children and art Lismer emerges as an artist with a social conscience who captured the hearts and minds of the thousands who heard him speak or were fortunate enough to have been his students Arthur Lismer Visionary Art Educator includes over a dozen drawings from Lismer s teaching and lecture notes that have not been previously published *Art Et Architecture Au Canada* Loren Ruth Lerner, Mary F. Williamson, 1991-01-01 Identifies and summarizes thousands of books article exhibition catalogues government publications and theses published in many countries and in several languages from the early nineteenth century to 1981

"Architecture, Design and Craft in Toronto 1900-1940 " Alla Myzelev, 2017-07-05 Toronto the largest and one of the most multicultural cities in Canada boasts an equally interesting and diverse architectural heritage Architecture Design and Craft in Toronto 1900 1940 tells a story of the significant changes in domestic life in the first 40 years of the twentieth century Adopting a multidisciplinary approach to studies of residential spaces the author examines how questions of modernity and modern living influenced not only architectural designs but also interior furnishings modes of transportation and ways to spend leisure time The book discusses several case studies some of which are known both locally and internationally for example Casa Loma while others such as Guild of All Arts or Sherwood have been virtually unstudied by

historians of visual culture The overall goal of the book is to put Toronto on the map of scholars of urban design and architecture and to uncover previously unknown histories of design craft and domesticity in Toronto This study will be of interest not only to the academic community namely architects designers craftspeople and scholars of these disciplines along with social historians but also the general public interested in local history and or visual culture Shaped by the West Wind Claire Elizabeth Campbell,2005 Claire Campbell draws from recent work in cultural history landscape studies in geography and art history and environmental history to explore what happens when external agendas confront local realities a story central to the Canadian experience Explorers fishers artists and park planners all were forced to respond to the unique contours of this inland sea their encounters defined a regional identity even as they constructed a popular image for the Bay in the national imagination Jacket *Jackson's Wars* Douglas Hunter,2022-05-15 A captivating account of the formative years of one of Canada s best known artists Jackson s Wars follows A Y Jackson s education and progress as a painter before he was a well known artist and his time on the battlefield in Europe before he cast his lot in with a group of like minded Toronto artists Jackson fought many battles he was a feisty and opinionated combatant when he crossed swords with critics collectors museums galleries and fellow painters as an emerging artist Moving from Montreal to Toronto in 1913 he became a key figure in a landscape movement that was determined to depict Canada in a bold new way only to have a war dash the group s collective ambitions Alone among his close associates Jackson enlisted to fight with the 60th Infantry Battalion Wounded at Sanctuary Wood in 1916 he returned to the field of combat as an official war artist the first Canadian artist appointed the only infantryman in the program and militated for other Canadian appointments to what is now a storied moment of creation for such artists as F H Varley and Arthur Lismer Jackson produced some of Canada s most memorable depictions of the world s first industrial scale conflict even as he reckoned with the anguish caused by the mysterious death of his close friend Tom Thomson A life changing event for soldiers families and nations alike the First World War has been understood as a moment of stasis in the visual arts in Canada the dead ground from which the Group of Seven emerged in the early 1920s Douglas Hunter shows how Jackson s war was a moment of intense transformation and artistic development on the canvas as well as an experience that tempered a young man into a constructive elder statesman for Canadian art On his return home he was not only instrumental in the formation of the Group of Seven in Toronto but a key figure for the Beaver Hall Group in Montreal Jackson s Wars is a story of brotherhoods of painters and soldiers shot through with inspiration ambition trauma and loss on the home front as well as on the battlefield Hunter widens and deepens A Y Jackson s world of friends family and colleagues to capture the life of a complex man and the crucial events and relationships behind the creation of Canada s best known art collective **Northern Light** Roy MacGregor,2011-09-06 NATIONAL BESTSELLER FINALIST FOR THE OTTAWA BOOK AWARD FOR NON FICTION Roy MacGregor s lifelong fascination with Tom Thomson first led him to write Canoe Lake a novel inspired by a distant relative s affair with one of Canada s greatest painters Now

MacGregor breaks new ground re-examining the mysteries of Thomson's life, loves and violent death in the definitive non-fiction account. Why does a man who died almost a century ago and painted relatively little still have such a grip on our imagination? The eccentric spinster Winnie Trainor was a fixture of Roy MacGregor's childhood in Huntsville, Ontario. She was considered too odd to be a truly romantic figure in the eyes of the town, but the locals knew that Canada's most famous painter had once been in love with her and that she had never gotten over his untimely death. She kept some paintings he gave her in a six-quart basket she'd leave with the neighbours on her rare trips out of town, and in the summers she'd make the trip from her family cottage where Thomson used to stay on foot to the graveyard up the hill where fans of the artist occasionally left bouquets. There she would clear away the flowers. After all, as far as anyone knew, he wasn't there; she had arranged, at his family's request, for him to be exhumed and moved to a cemetery near Owen Sound. As Roy MacGregor's richly detailed *Northern Light* reveals, not much is as it seems when it comes to Tom Thomson, the most iconic of Canadian painters. Philandering, deadbeat or visionary artist and gentleman victim of accidental drowning or deliberate murder: the man's myth has grown to obscure the real view, and the answers to the mysteries are finally revealed in these pages.

National Soul Marilyn Jean McKay, 2002. From Confederation to World War II, mural painting was an important tool for Canadian nation-building. In *A National Soul*, Marilyn McKay shows how, in both Protestant English Canada and Catholic French Canada, these artworks were designed to promote specific civic values.

Women Who Give Away Millions Iris Nowell, 1996-10-22. This book pays tribute to 14 women who donated millions of dollars to causes close to their hearts. Iris Nowell is the author of five books. Writing her 1996 book *Women Who Give Away Millions* has given her a solid foundation of philanthropy, the not-for-profit sector and the wealthy. She has also written a memoir of Canadian artist Harold Town and a biography of artist, filmmaker and impassioned feminist Joyce Wieland.

Canadiana, 1991-05. [Beyond Wilderness](#) John O'Brian, Peter White, 2017-12-30. The great purpose of landscape art is to make us at home in our own country, was the nationalist maxim motivating the Group of Seven's artistic project. The empty landscape paintings of the Group played a significant role in the nationalization of nature in Canada, particularly in the development of ideas about northernness, wilderness and identity. In *Beyond Wilderness*, contributors pick up where the Group of Seven left off. They demonstrate that, since the 1960s, a growing body of both art and critical writing has looked beyond wilderness to re-imagine landscape in a world of vastly altered political, technological and environmental circumstances. By emphasizing social relationships, changing identity, politics and issues of colonial power and dispossession, contemporary artists have produced landscape art that explores what was absent in the work of their predecessors. *Beyond Wilderness* expands the public understanding of Canadian landscape representation, tracing debates about the place of landscape in Canadian art and the national imagination through the twentieth century to the present. Critical writings from both contemporary and historically significant curators, historians, feminists, media theorists and cultural critics, and exactly reproduced artworks by contemporary and historical artists are

brought together in productive dialogue Beyond Wilderness explains why landscape art in Canada had to be reinvented and what forms the reinvention took Contributors include Benedict Anderson Cornell Grant Arnold Vancouver Art Gallery Rebecca Belmore Jody Berland York Eleanor Bond Concordia Jonathan Bordo Trent Douglas Cole Marlene Creates Marcia Crosby Malaspina Greg Curnoe Ann Davis Nickle Arts Museum Leslie Dawn Lethbridge Shawna Dempsey Christos Dikeakos Peter Doig Rosemary Donegan OCAD Stan Douglas Paterson Ewen Robert Fones Northrop Frye Robert Fulford General Idea Rodney Graham Reesa Greenberg Gu Xiong British Columbia Cole Harris British Columbia Richard William Hill Middlesex Robert Houle Andrew Hunter Waterloo Lynda Jessup Queen s Zacharias Kunuk Igloolik Isuma Productions Johanne Lamoureux Montr al Robert Linsley Waterloo Barry Lord Lord Cultural Resources Marshall McLuhan Mike MacDonald Liz Magor ECIAD Lorri Millan Gerta Moray Guelph Roald Nasgaard Florida State N E Thing Company Carol Payne Carleton Edward Poitras Dennis Reid Art Gallery of Ontario Michel Saulnier Nancy Shaw Simon Fraser Johanne Sloan Concordia Michael Snow Robert Stacey David Thauberger Loretta Todd Esther Tr panier Qu bec Dot Tuer OCAD Christopher Varley Jeff Wall Paul H Walton McMaster Mel Watkins Toronto Scott Watson British Columbia Anne Whitelaw Alberta Joyce Wieland Jin me Yoon Simon Fraser Lawrence Paul Yuxweluptun and Joyce Zemans York *Legs MacCallum* Dennis R.
