Terry C. Jones

Mild Outbursts Occasional Writings 1956:

Mild Outbursts James D. Kissane, 1996 **Complete Essays: 1939-1956** Aldous Huxley, 2000 Over his lifetime from 1894 to 1963 Aldous Huxley earned a reputation as one of the giants of modern English prose and of social commentary in our time Best known for his novels including *Brave New World* and *Point Counter Point* Huxley was nonetheless very much at home in the essay form Ranging from journalism to critical reviews to literary political cultural and philosophical reflections these essays stand among the finest examples of the genre in modern literature They also provide absorbing commentary on contemporary currents and events Page 2 of cover *Radhakrishnan* Robert N. Minor, 1987-09-30 It is the thought of Sarvepalli Radhakrishnan that is most often presented in the West as Hinduism He was a remarkable man In addition to having been President of India while Nehru was Prime Minister and the Indian Ambassador to the Soviet Union he held the Spaulding Chair of Comparative Religion and Ethics at Oxford University And he continues to be a culture hero of India Radhakrishnan's thought developed in the context of his full life Robert Minor places his thought in that context His book traces the influences on him and the growth of his thought from his birth in Tirutani to his retirement to Madras The book contains a complete bibliography of Radhakrishnan's writings and of the secondary literature Complete Essays Aldous Huxley, 2023-12-21 In this fifth of six volumes in a major publishing enterprise Huxley continues to explore the role of science and technology in modern culture and seeks a final level of foundational Truth that might provide the basis for his growing interest in religious mysticism His philosophy of history took its final form in this period At their best Huxley's essays stand among the finest examples of the genre in modern literature A remarkable publishing event beautifully produced and authoritatively edited Jeffrey Hart He writes with an easy assurance and a command of classical and modern cross references Christopher Hitchens Los Angeles Times There is much to enjoy in these volumes they are important as a document of his times and of a window on to a stage in the evolution of his mind Economist You have to marvel at the range of Huxley's interests and the intelligence with which he explores them What we experience in this high journalism is a man of intelligence sensibility and formidable erudition engaging his era and struggling for equilibrium while sharing the widespread perception that something ghastly has happened to European civilization Washington Times *The Cambridge Companion to the Bloomsbury Group* Victoria Rosner, 2014-05-26 Provides a comprehensive guide to the storied Bloomsbury Group a social circle of prominent intellectuals active during the interwar period **Modernist Short Fiction and Things** Aimée Gasston, 2021-08-10 This book reappraises the philosophical value of short fiction by Virginia Woolf Katherine Mansfield and Elizabeth Bowen examining the stories through the lens of specific everyday objects Looking at Woolf and armchairs Mansfield and snack food and Bowen and fashion accessories it probes the aesthetic resonance between these stories form and contents and also considers the modes of thinking they might promote Conceiving of their short fiction as intrinsically radical and experimental even within a wider context of modernist innovation this book shows how these

important women writers brought quotidian objects to riotous life in such a way that tasked readers with reevaluating their everyday existence Overall Modernist Short Fiction and Things argues that short fiction epitomises modernist aesthetics functioning as a resonant source for investigation and complementing and expanding our understanding of modernist epistemology Bulletin of the Atomic Scientists ,1970-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Congressional Record** United States. Congress,1970 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 Bulletin of the Atomic Scientists ,1966-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world *The Lancet* ,1960-05 New York Magazine ,1989-02-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea All Music Guide Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre **The Private Press** Roderick Cave,1983 Medical Research Council Memorandum ,1962 **Memorandum** Medical Research Council (Great Britain),1962 M. R. C. War Memorandum Medical Research Council (Great Britain),1958 *Ungraspable Phantom* John Bryant,Mary K. Bercaw Edwards,Timothy Marr,2006 A collection of essays presented at the sesquicentenary Moby Dick conference The twenty one essays collected in *Ungraspable Phantom* are from an international conference held in 2001 celebrating the 150th anniversary of the publication of Moby Dick The essays reflect not only a range of problems and approaches but also the cosmopolitan perspective of international scholarship They offer new thoughts on familiar topics the novel s problematic structure its sources in and reinvention of the Bible its Lacanian and post Freudian psychology and its rhetoric They also present fresh information on new areas of interest Melville s creative process law and jurisprudence Freemasonry and labor race Latin Americanism and the Native American Scholars students and readers of Moby Dick will find this collection of essays fresh and insightful American Record Guide ,2002 **New York Times Saturday Review of Books and Art** ,1970 **Black's Medical Dictionary** Gordon Macpherson (MB.),1995 This new edition of Black s Medical Dictionary has

been thoroughly updated and gives over 5 000 definitions and descriptions of medical terms and concepts Includes substantially revised entries on adverse drug reactions aging anesthesia AIDS asthma dermatology eating disorders information technology medical education pain pneumonia poisons sex education and sports medicine Also offers lists of support and professional organizations first aid procedures common medical tests and travel medicine
