Milena Jesenska Biography:

Kafka, Love and Courage Mary Hockaday, 1997-03 Hockaday a journalist with the BBC World Service presents Jesenka as much more than Kafka's lover and correspondent describing her work as a journalist her association with the literary circles of Prague and Vienna which included Max Brod and Hermann Broch and her involvement with the underground resistance after Germany's invasion of Czechoslovakia until her arrest and detention in Ravensbrück concentration camp Annotation copyrighted by Book News Inc Portland OR

The Journalism of Milena Jesenská Milena Jesenská, 2003 Milena Jesensk born in Prague in 1896 is most famous as one of Franz Kafka's great loves Although their relationship lasted only a short time it won the attention of the literary world with the 1952 publication of Kafka's letters to Milena Her own letters did not survive Later biographies showed her as a fascinating personality in her own right In the Czech Republic she is remembered as one of the most prominent journalists of the interwar period and as a brave one in 1939 she was arrested for her work in the resistance after the German occupation of Bohemia and Moravia and died in Ravensbrück concentration camp in 1944 It is estimated that Jesensk wrote well over 1 000 articles but only a handful have been translated into English In this book her own writings provide a new perspective on her personality as well as the changes in Central Europe between the two world wars as these were perceived by a woman of letters The articles in this volume cover a wide range of topics including her perceptions of Kafka her understanding of social and cultural changes during this period the threat of Nazism and the plight of the Jews in the 1930s

Letters to Milena Franz Kafka, 2015-11-03 The passionate but doomed epistolary love affair between a Czech translator and one of the greatest writers of the twentieth century the author of *The Metamorphosis* and *The Trial* Extraordinary touching horrifying brilliant sickly and heartbreaking The most significant key we have for a reading of the author's novels and short stories *The New York Times* In no other work does Franz Kafka reveal himself as in *Letters to Milena* which begins as a business correspondence but soon develops into an epistolary love affair Kafka's Czech translator Milena Jesensk was a gifted and charismatic twenty three year old who was uniquely able to recognize Kafka's complex genius and his even more complex character For thirty six year old Kafka she was a living fire such as I have never seen It was to Milena that he revealed his most intimate self and eventually entrusted his diaries for safekeeping

Franz Kafka and his Prague Contexts Marek Nekula, 2016-03-01 Franz Kafka is by far the Prague author most widely read and admired internationally However his reception in Czechoslovakia launched by the Liblice conference in 1963 has been conflicted While rescuing Kafka from years of censorship and neglect Czech critics of the 1960s overwrote his German and Jewish literary and cultural contexts in order to focus on his Czech cultural connections Seeking to rediscover Kafka's multiple backgrounds in *Franz Kafka and His Prague Contexts* Marek Nekula focuses on Kafka's Jewish social and literary networks in Prague his German and Czech bilingualism and his knowledge of Yiddish and Hebrew Kafka's bilingualism is discussed in the context of contemporary essentialist views of a writer's organic language and identity Nekula

also pays particular attention to Kafka's education examining his studies of Czech language and literature as well as its role in his intellectual life. The book concludes by asking how Kafka read his urban environment looking at the readings of Prague encoded in his fictional and nonfictional texts. Nekula's work has had a major impact on our understanding of Kafka's relation to the complex social, cultural, and linguistic environment of early twentieth-century Prague. While little of this work has been available in English until now, the present volume translates many of his most important studies and includes revisions and expansions appearing now for the first time. Nekula challenges stubborn clichés and opens important new perspectives. Readers interested in questions relating to Kafka and Prague will find this an essential and richly rewarding book. Peter Zusi, University College London. Marek Nekula's important book originally situates Franz Kafka within his Prague and Czech contexts. It critically examines numerous distortions that accompanied the reception of Kafka, starting with the central issue of Kafka's languages: Kafka's Czech, Prague German, and the ideological discourse surrounding the author in communist Czechoslovakia. Astute and carefully argued, *Franz Kafka and his Prague Contexts* offers new perspectives on the writings of the Prague author. This book will benefit readers in German and Slavic Studies, in Comparative Literature, and in the History of Ideas. Veronika Tucker, Harvard University. A History of Modern Political Thought in East Central Europe Balázs Trencsényi, Michal Kopeček, Luka Lisjak Gabrijelčić, Maria Falina, Mónika Baár, Maciej Janowski, 2018-11-10. *A History of Modern Political Thought in East Central Europe* is a synthetic work authored by an international team of researchers covering twenty national cultures and 250 years. It goes beyond the conventional nation-centered narratives and presents a novel vision especially sensitive to the cross-cultural entanglement of political ideas and discourses. Its principal aim is to make these cultures available for the global market of ideas and revisit some of the basic assumptions about the history of modern political thought and modernity as such. The present volume is a sequel to Volume I, *Negotiating Modernity in the Long Nineteenth Century*. It begins with the end of the Great War, depicting the colorful intellectual landscape of the interwar period and the increasing political and ideological radicalization culminating in the Second World War. Taking the war experience both as a breaking point but in many ways also a transmitter of previous intellectual traditions, it maps the intellectual paradigms and debates of the immediate postwar years, marked by a negotiation between the democratic and communist agendas as well as the subsequent

processes of political and cultural Stalinization Subsequently the post Stalinist period is analyzed with a special focus on the various attempts of de Stalinization and the rise of revisionist Marxism and other critical projects culminating in the carnivalesque but also extremely dramatic year of 1968 This volume is followed by Volume II Negotiating Modernity in the Short Twentieth Century and Beyond Part II 1968 2018 **Kafka, Zionism, and Beyond** Mark H. Gelber, 2014-07-24 This volume contains the lectures delivered at an international conference in Israel devoted to the topic of Franz Kafka 1883 1924 and Zionism Kafka's interests in Hebrew Yiddish and Jewish Nationalism and his various relationships to his Zionist friends and his participation in Jewish national and Zionist related activity are explored from a number of different critical vantage points Likewise his writings are considered within the specific framework of Jewish nationalism and Zionism *Prague in Danger* Peter Demetz, 2009-04-14 A dramatic account of life in Czechoslovakia's great capital during the Nazi Protectorate With this successor book to *Prague in Black and Gold* his account of more than a thousand years of Central European history the great scholar Peter Demetz focuses on just six short years a tormented tragic and unforgettable time He was living in Prague then a first degree half Jew according to the Nazis terrible categories and here he joins his objective chronicle of the city under German occupation with his personal memories of that period from the bitter morning of March 15 1939 when Hitler arrived from Berlin to set his seal on the Nazi takeover of the Czechoslovak government until the liberation of Bohemia in April 1945 after long seasons of unimaginable suffering and pain Demetz expertly interweaves a superb account of the German authorities diplomatic financial and military machinations with a brilliant description of Prague's evolving resistance and underground opposition Along with his private experiences he offers the heretofore untold history of an effervescent unstoppable Prague whose urbane heart went on beating despite the deportations murders cruelties and violence a Prague that kept its German and Czech language theaters open its fabled film studios functioning its young people in school and at work and its newspapers on press This complex continually surprising book is filled with rare human detail and warmth the gripping story of a great city meeting the dual challenge of occupation and of war Milena Jesenská Margret Steenfatt, 2002 **A History of Modern Political Thought in East Central Europe** Balázs Trencsenyi, Michal Kopeček, Luka Lisjak Gabrijelčić, Maria Falina, Mónika Baár, 2018-10-18 A History of Modern Political Thought in East Central Europe is a synthetic work authored by an international team of researchers covering twenty national cultures and 250 years It goes beyond the conventional nation centered narratives and presents a novel vision especially sensitive to the cross cultural entanglement of political ideas and discourses Its principal aim is to make these cultures available for the global market of ideas and revisit some of the basic assumptions about the history of modern political thought and modernity as such The present volume is the final part of the project following Volume I Negotiating Modernity in the Long Nineteenth Century and Volume II Part I Negotiating Modernity in the Short Twentieth Century 1918 1968 OUP 2018 Its starting point is the defeat of the vision of socialism with a human face in 1968 and the political discourses produced by the various

consolidation or normalization regimes It continues with mapping the exile communities and domestic dissidents critical engagement with the local democratic and anti democratic traditions as well as with global trends Rather than achieving the coveted end of history however the liberal democratic order created in East Central Europe after 1989 became increasingly contested from left and right alike Thus instead of a comfortable conclusion pointing to the European integration of most of these countries the book closes with a reflection on the fragility of democracy in this part of the world and beyond **A**

Kafka Reiner Stach, 2021-11-09 Telling the story of Kafka's final years as never before the third volume in the acclaimed definitive biography This volume of Reiner Stach's acclaimed and definitive biography of Franz Kafka tells the story of the final years of the writer's life from 1916 to 1924 a period during which the world Kafka had known came to an end Stach's riveting narrative which reflects the latest findings about Kafka's life and works draws readers in with nearly cinematic precision zooming in for extreme close ups of Kafka's personal life then pulling back for panoramic shots of a wider world blighted by World War I disease and inflation In these years Kafka was spared military service at the front yet his work as a civil servant brought him into chilling proximity with its grim realities He was witness to unspeakable misery lost the financial security he had been counting on to lead the life of a writer and remained captive for years in his hometown of Prague The outbreak of tuberculosis and the collapse of the Austro Hungarian Empire constituted a double shock for Kafka and made him agonizingly aware of his increasing rootlessness He began to pose broader existential questions and his writing grew terser and more reflective from the parable like Country Doctor stories and A Hunger Artist to The Castle A door seemed to open in the form of a passionate relationship with the Czech journalist Milena Jesenská But the romance was unfulfilled and Kafka an incurably ill German Jew with a Czech passport continued to suffer However his predicament only sharpened his perceptiveness and the final period of his life became the years of insight **Women and Gender in Central**
