Milestones of Soviet Foreign Policy, 1917-1967 Russia,1967 *Milestones of Soviet Foreign Policy 1917-1967* ,1967

Soviet Foreign Policy 1917-1991 Jr. Fleron,2017-07-05 The purpose of this anthology is to deepen Western understanding of the sources and substance of the foreign policy of the Soviet Union Authoritative analysts here explore significant issues in Soviet foreign relations from the era of the Bolshevik Revolution and the Civil War to the period of reform that preceded the final collapse of the Soviet system The volume is designed for courses in Soviet political history diplomatic history comparative foreign policy and the mainstream of international relations **Soviet Foreign Policy:**

1917-1945 ,1981 **History of Soviet Foreign Policy** Boris Nikolaevich Ponomarev,Andreï Andreevich Gromyko,Vladimir Mikhaïlovich Khvostov,1974 *Ideology and Soviet Foreign Policy* Arvind Gupta,1993 *A Study of Soviet Foreign Policy* Igor' Dmitrievich Ovsianyi,1975 *Finland's Search for Security through Defence, 1944-89* Risto E.J. Penttila,1991-06-18

Based on the author's doctoral dissertation at Oxford this study examines with a historical perspective the national defence strategy of Finland 1944-1989 The author explores Finland's dilemma with respect to its geographic position and the Cold War politics between the US and the USSR *Turkey and the West* Yusuf Turan Çetiner,2014-12-16 Turkey and the West From Neutrality to Commitment considers the formulation of Turkish foreign policy in the post Atatürk period of 1938 to 1958 and discusses Turkey's uneasy shift from neutrality to become a member of the Western Alliance Turkey's decision to ally itself with the Western grouping of states shaped its apprehension of regional and world politics in decades to come Turkey's choice however was neither adequately perceived nor fully appreciated in the volatile atmosphere of 1950s and onwards and went largely unnoticed on the part of Western democracies A reinterpretation of Turkey's recent history throws considerable light on the complexities surrounding this strategically important country **Red Jihad: Islamic Communism in India**

1920-1950 Ramachandran,2023-01-26 The modern world realizes that the common factor in Islam and communism is violence and authoritarianism in the name of humanism But there have been many attempts to merge the two in an absurdity called Islamic Socialism The practical applications of Islamic Socialism have a history going back to Muhammad and the first few Caliphates to modern political parties founded in the 1970s Sadly from its very inception the Communist Party of India embraced the tenets of Islam and the paraphernalia of crime that came along with it As a result the Indian communists have even justified Hindu genocides committed by Islamic fundamentalists in Malabar and Bengal using the jargon of class war This book tells the story of the bonhomie of the Communist Party with Islam in the Indian context with reference to the global humiliation the Party has faced so far **The Awakening Giant** Harish Kapur,2024-10-28 *Moldova* Marcel Mitrasca,2002 With the Cold War era behind us the murky territorial questions on Romania's northeastern border start to receive more attention What are Moldova Moldavia Bessarabia and Transdniestria and how did they wind up suspended between Romania and Russia *Csce Decision-Making* Johannes Sizoo,Rudolph Th Jurrjens,1984-01-01 **The White**

Death Allen F. Chew,1971 **Nomonhan** Alvin D. Coox,1985 From May to September 1939 Japan and the Soviet Union fought a fierce large scale undeclared war on the Mongolian plains that ended with a decisive Soviet victory with two important results Japan reoriented its strategic emphasis towards the south leading to war with the United States Britain and the Netherlands and Russia freed itself from the fear of fighting on two fronts thus vitally affecting the course of the war with Germany *The New Age of Naval Power in the Indo-Pacific* Catherine L. Grant,Alessio Patalano,James A. Russell,2023-07-05 A new framework contextualizes crucial international security issues at sea in the Indo Pacific Competition at sea is once again a central issue of international security Nowhere is the urgency to address state on state competition at sea more strongly felt than in the Indo Pacific region where freedom of navigation is challenged by regional states continuous investments in naval power and the renewed political will to use it to undermine its principles The New Age of Naval Power in the Indo Pacific provides an original framework in which five factors of influence explain how and why naval power matters in this pivotal part of the world An international group of contributors make the case that these five factors draw upon a longstanding influence of naval power on regional dynamics and impact the extent to which different states in the region use naval power the capacity to exert control over sea lanes the capacity to deploy a nuclear deterrent at sea the capacity to implement the law of the sea in an advantageous way the ability to control marine resources and the capacity for technological innovation The New Age of Naval Power in the Indo Pacific offers a fresh approach for academics and policy makers seeking to navigate the complexity of maritime security and regional affairs **International, Military & Intelligence History** George Urbaniak,Laurier Centre for Military, Strategic and Disarmament Studies,1994 *Swords Into Plowshares* ,1982 *Compromise* Richard K. Laird,2024-06-25 The U S political system may be getting polarized to the point where it is not only dysfunctional but could be conducive to a single party authoritarian transition This book promotes a renewed appreciation for its exercise through an examination of its history an analysis of how and why polarization has increased in the U S and how compromise could better serve our approach to some current contentious issues All of this is within the context of maintaining the priority of education for society at large to improve our chances of finding common ground pursuing non zero sum outcomes and reducing the political paralysis **The Russian Army in a Time of Troubles** Pavel K Baev,1996-05-03 This study of the Russian army and how it has fared in the uncertain transitional period since independence in December 1991 provides the basis for understanding its present and potential future role in the new political developments within Russia Following an historical overview of Russia s security agenda and an examination of the Russian Soviet army s tradition of involvement in politics the book then examines Russia s current security interests and the role of the army in protecting them Geopolitical perspectives are linked to the security issues of the Near Abroad and to the nuclear dimension of security Pavel K Baev then considers the question of the feasibility of political control over the Russian army The problem of the politicization of the army is followed through the interlinked issues of stalled military reform and a

drastically reduced military budget Baev examines the current military role of the army with case studies on conflict management in the Caucasus and the army's performance in the role of peace keeper in the Chechen War Finally the place of the army in Russia's peace keeping activities within a broader European context is examined
