Militant Jihad:

Militant Leadership Neil Krishan Aggarwal,2023 In September 2019 Amazon released The Family Man a fictional series for Hindi speaking audiences about the Indian government s responses to transnational terrorism In one episode men from the federal government s Central Reserve Police Force and the Jammu and Kashmir state police stand with rifles in front of armored trucks on the streets of Srinagar the capital of Indian administered Kashmir With the shops shuttered at night there is no civilian activity The bright lights of security surveillance illuminate the surroundings Father Of Jihad, The: 'Abd Allah 'Azzam's Jihad Ideas And Implications To National Security Muhammad Haniff Hassan,2014-04-30 This study revolves around the jihad ideas of Abd All h Azz m an iconic figure in the study of militant jihad in the 20th century history of Afghan jihad against the Soviet Union Al Qaeda and current threat of terrorism This study has several objectives some of Azz m s jihad ideas diverge from dominant ideas held by current jihadist groups like Al Qaeda and these could potentially be used to counter contemporary jihad ideas and practices of jihadists Sexual Jihad , Christine Sixta Rinehart,2019-06-03 Female terrorists are a rare phenomenon Less than ten terrorist organizations throughout the world have women members These terrorist groups are either Marxist atheist or Jihadist in their ideologies Sexual Jihad The Role of Islam in Female Terrorism ascertains What is the role of Islam in female terrorism It explores the roles of women in eight jihadist case studies including Al Aqsa Martyrs Brigade Boko Haram the Chechen Separatists HAMAS Hezbollah ISIS the Egyptian Muslim Brotherhood and Al Qaeda Primary sources and secondary sources are used including research conducted on Palestinian women in Israeli prisons who have been convicted of terrorism It is argued that are three roles for women in Jihadist terrorism the disposable the domestic and the secretary The theory posited in this book is that the roles of women in terrorist groups are similar to their cultural religious roles in society Twenty-First Century Jihad Elisabeth Kendall,Ewan Stein,2015-06-04 The term jihad has come to be used as a byword for fanaticism and Islam s allegedly implacable hostility towards the West But like other religious and political concepts jihad has multiple resonances and associations its meaning shifting over time and from place to place Jihad has referred to movements of internal reform spiritual struggle and self defence as much as to holy war And among Muslim intellectuals the meaning and significance of jihad remain subject to debate and controversy With this in mind Twenty First Century Jihad examines the ways in which the concept of jihad has changed from its roots in the Qur an to its usage in current debate This book explores familiar modern political angles and touches on far less commonly analysed instances of jihad incorporating issues of law society literature and military action As this key concept is ever more important for international politics and security studies Twenty First Century Jihad contains vital analysis for those researching the role of religion in the modern world **The Jihadist Threat** Paul Moorcraft,2015-11-30 This timely and controversial book examines the international and domestic threats to the West from Jihadism It joins the dots in the Middle East Asia and Africa and explains what it means for the home front mainly Britain but also continental Europe and the USA More Brits are trying

to join the Islamic State than the reserve forces Why It puts the whole complex jigsaw together without pulling any punches After briefly tracing the origins of Jihadism from the time of the Prophet The Jihadist Threat analyses the fall out from the Iraq and Afghanistan wars and how far these fuelled the rise of the self styled Islamic State and other terror groups and the extent these pose to European society Finally the Author offers suggestions for defeating this existential threat to the Western way of life This well illustrated book is written from the inside Professor Paul Moorcraft currently the Director of the Centre for Foreign Policy Analysis London has long worked at the heart of the British security establishment and has operated as a war correspondent in over thirty conflict zones since Afghanistan in the 1980s often alongside frontline Jihadists Arguably no one is better qualified to write on this subject and his knowledge coupled with forthright views cannot be ignored

Jihad and International Security J. Roshandel, S. Chadha, 2006-10-02 This book explores the global jihad movement and its emergence in the latter half of the twentieth century Roshandel and Chadha investigate the nature and extent of this threat tracing its religious and ideological roots relevant history and its goals

Militant Islamist Ideology Youssef Aboul-Enein, 2013-09-15 In offering a comprehensive explanation of how militant Islamists have hijacked the Islamic religion Aboul Enein provides a realistic description of the militant threat which is far different and distinct from Islamist political discourse and the wider religion of Islam A key adviser at the Joint Intelligence Task Force for Combating Terrorism he argues that winning the war against Militant Islamists requires a more complete understanding of their ideology Clearly defining the differences between Islam Islamist and military Islamist he highlights how militant Islamist ideology takes selected fragments of Islamic history and theology and weaves them into a narrow pseudo intellectual ideology to justify their violence against Muslims and non Muslims alike

Jihad in Sub-Saharan Africa Jonathan Matusitz, Doris Wesley, 2024-04-08 This book examines how jihadist groups in sub Saharan Africa have managed to advance their extremist agenda and recruit new followers thanks to digital media fueled by the information revolution since the dawn of the 21st century This examination is based on a mixture of historical accounts contemporary descriptions case studies theoretical applications and an in depth applied study in the late chapters of the manuscript An important conclusion is that the progress of jihadism in sub Saharan Africa has been commensurate with the development and availability of digital media This book breaks new ground in three ways It is the first major academic work to devote most of its content exclusively to the use of digital media by jihadist groups in that region Examples of jihadist digital media include social networking sites online instructional videos propaganda videos and online jihadist magazines among others Secondly it provides detailed case studies of both well known African groups e g Al Shabaab Boko Haram and lesser known ones e g the Allied Democratic Forces in the Congo which have nevertheless wreaked so much damage Lastly it is the first book to include an in depth thematic analysis of online jihadist magazines Inspire Dabiq Rumiya and Gaidi Mtaani on their content dedicated to sub Saharan Africa

Female Terrorism and Militancy Cindy D. Ness, 2007-12-11 This edited volume provides a window on the many forces that

structure and shape why women and girls participate in terrorism and militancy as well as on how states have come to view treat and strategize against them Females who carry out terrorist acts have historically been seen as mounting a challenge to the social order by violating conventional notions of gender and power and their participation in such acts has tended to be viewed as being either as a passive victim or a feminist warrior This volume seeks to move beyond these portrayals to examine some of the structuring conditions that play a part in a girl or woman s decision to commit violence Amidst the contextual factors informing her involvement the volume seeks also to explore the political agency of the female terrorist or militant Several of the articles are based on research where authors had direct contact with female terrorists or militants who committed acts of political violence or with witnesses to such acts

The Faces of Terrorism David V. Canter,2009-12-17 An international multi disciplinary team explores the many different facets of terrorism investigating what it means to be a terrorist and what terrorism means for society Gets closer to the perspectives of terrorists their views how their acts are conceptualized by the public and by national leaders and how this knowledge can be put to use Brings together international experts from psychology psychiatry law and policing Edited by one of the world s foremost forensic psychology experts David Canter

Home-Grown Terrorism Thomas M. Pick,Anne Speckhard,2010-01-15 This book is part of the NATO Science for Peace and Security Series E Human and Societal Dynamics and is based upon the presentations of a NATO Research Workshop by the same title There are many recent examples of terrorist acts committed by radicalised Europeans with an immigrant heritage in 2004 the Dutch filmmaker Theo Van Gogh was assassinated by a Dutch citizen from Morocco origins because he produced a movie portraying Islam in an unconventional manner The same year in the United Kingdom the police foiled a potential terrorist attack and arrested eight men all of whom were British citizens of Pakistani descent Why some individuals with a migrant background become radicalised Issues about marginalisation societal exclusion lack of integration feelings of isolation powerlessness and humiliation are all part of the problem No amount of military or other coercive action will in itself do the trick of countering terrorism effectively without remedial action based upon a thorough knowledge of the underlying processes involved This book is meant to be a small but significant step in that direction With this purpose it gathers the views of a wide range of multidisciplinary experts about how to prevent home grown terrorism and what strategies should be developed to hinder its development It includes recommendations on how to counteract processes that provide a fertile subsoil for terrorism to develop how to interfere in the recruitment of potential terrorists and specific research recommendations with a special focus on young Muslims in Europe This publication is of interest to all international relations and security and defence specialists with a special relevance to those involved in the study of terrorism as a global threat

Extremist Islam Kumar Ramakrishna,2022 Since the Bali terrorist attacks in 2002 law enforcement agencies have rigorously combatted terrorist networks in Southeast Asia yet groups motivated by violent extremist interpretations of Islam remain resilient and dangerous This book shines a light on specific beliefs behaviors and

policies that impact these challenges ultimately offering cutting edge effective tools for response The book begins by challenging misguided and controversial notions that depict Islam as an inherently violent religion arguing that the theological ideological amalgam of what has been called Salafabism is the more useful lens for recognizing closed minded extremist currents The book carefully distinguishes this Salafabist extremist mindset from relatively open minded Salafabist radicalism paying due attention to nonviolent extremists and the ways they can contribute to rather than reduce violent terrorist activity in the region Using poignant case studies from Malaysia Singapore the Philippines and Indonesia the book clarifies a bewildering range of terminology associated with Islamist violence and explains how imprecise and oversimplified narratives are destructive to progress and worse empowering to terrorist organizations These chapters build up to research informed policies and rhetorical recommendations for improved outcomes With its novel insights into the root causes of extremist terrorism in Southeast Asia the ineffective policies that prohibit progress and promote unrest in this region and the avenues for positive change this book offers a comprehensive strategy for fostering theologically sound yet culturally authentic counterterrorist measures that defend the complex richly textured tapestry of culture in Southeast Asia

Muslim Youth in the Diaspora Pam Nilan,2017-02-17 In a world where the term Islam is ever increasingly an inaccurate and insensitive synonym for terrorism it is unsurprising that many Muslim youth in the West struggle for a viable sense of identity This book takes up the hotly debated issue of Muslim youth identity in western countries from the standpoint of popular culture It proposes that in the context of Islamophobia and pervasive moral panic young Muslims frame up their identity in relation to external conditions that only see good and bad Muslims on both sides of the ideological fence between Islam and the West Indeed by attempting to break down the good versus bad Muslim dichotomy that largely derives from western media reports as well as political commentary Muslim Youth in the Diaspora Challenging Extremism through Popular Culture will enlighten the reader It illuminates the way in which diasporic Muslim youth engage with and are affected by the radical Islamist meta narrative It examines their popular culture and online activity their gendered sense of self and much more This original book will be of interest to students and scholars interested in the fields of sociology cultural studies and social anthropology It offers a particular focus on Islam for research in youth studies youth culture political radicalisation and religious identity It will also be relevant to the sector of youth and social work where practitioners seek to build cultural bridges with a new generation

The Cambridge Companion to New Religious Movements Olav Hammer,Mikael Rothstein,2012-08-30 This volume addresses the key features of new religions such as Scientology the Moonies and Jihadist movements from a systematic comparative perspective

Reclaiming Islamic Tradition Elisabeth Kendall,2018-08-23 This book profiles some of the fundamental debates that have defined the conversation between the past and the present in

the Islamic world including Qur'anic exegesis Islamic law gender violence and eschatology

Communication in Global Jihad Jonathan Matusitz, 2020-11-25 This book conceptually examines the role of communication in global jihad from multiple perspectives The main premise is that communication is so vital to the global jihadist movement today that jihadists will use any communicative tool tactic or approach to impact or transform people and the public at large The author explores how and why the benefits of communication are a huge boon to jihadist operations with jihadists communicating their ideological programs to develop a strong base for undertaking terrorist violence The use of various information and communication systems and platforms by jihadists exemplifies the most recent progress in the relationship between terrorism media and the new information environment For jihadist organizations like ISIS and Al Qaeda recruiting new volunteers for the Caliphate who are willing to sacrifice their lives for the cause is a top priority Based on various conceptual analyses case studies and theoretical applications this book explores the communicative tools tactics and approaches used for this recruitment including narratives propaganda mainstream media social media new information and communication technologies the jihadisphere visual imagery media framing globalization financing networks crime jihad nexuses group communication radicalization social movements fatwas martyrdom videos pop jihad and jihadist nasheeds This book will be of great interest to students and scholars of communication studies political science terrorism and international security Islamic studies and cultural studies

Terrorism Challenges in the Indo-Pacific Andrew T.H. Tan, Julian Droogan, Nell Bennett, 2025-02-26 This edited volume focuses on contemporary terrorism challenges that remain serious in the Indo Pacific region long after the seminal terrorist attacks on 11 September 2001 Since then the emergence of the new terrorism has been epitomised by rise of radical Islamist terrorist groups such as Al Qaeda and the Islamic State Through the use of new terrorism techniques and strategies such movements have been able to transform themselves into worldwide global jihadist movements While both Al Qaeda and the Islamic State have suffered greatly from vigorous and sustained global counter terrorism operations led by the United States their local affiliates in the Indo Pacific as well as other local radical Islamist and non Islamist groups have continued to pose serious terrorist challenges in the Indo Pacific region While the threat has somewhat abated in recent times in Southeast Asia the terrorist threat remains very serious in South Asia The chapters in this book assess the key threats and counter terrorism responses of South and Southeast Asia to these on going challenges This book will be indispensable to students scholars and policy makers working on Asian Security Politics International Relations and the security dynamics of the Indo Pacific region The chapters in this issue were originally published as a special issue of *Journal of Policing Intelligence and Counter Terrorism*

Politicizing Islam in Central Asia

Kathleen Collins, 2023 *A sweeping history of Islamism in Central Asia from the Russian Revolution to the present through Soviet era archival documents oral histories and a trove of interviews and focus groups* Few observers anticipated a surge of Islamism in Central Asia after seventy years of forced communist atheism Muslims do not inevitably support Islamism a modern political ideology of Islam Yet Islamism became the dominant form of political opposition in post Soviet Uzbekistan and Tajikistan In *Politicizing Islam in Central Asia* Kathleen Collins explores the causes dynamics and variation in Islamist movements first within the USSR and then in the post Soviet states of Tajikistan Uzbekistan and Kyrgyzstan Drawing upon extensive ethnographic and historical research on Islamist mobilization she explains the strategies and relative success of each Central Asian Islamist movement Collins argues that in each case state repression of Islam by Soviet and post Soviet regimes together with the diffusion of religious ideologies motivated Islamist mobilization Sweeping in scope this book traces the dynamics of Central Asian Islamist movements from the Soviet era through the Tajik civil war the Afghan jihad against the US and the foreign fighter movement joining the Syrian jihad

Militant Jihad: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Militant Jihad : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
