John A. Kirk

Militant Mediator Whitney M Young Jr:

Militant Mediator Dennis C. Dickerson, 1998-01-01 During the turbulent 1960s civil rights leader Whitney M Young Jr devised a new and effective strategy to achieve equality for African Americans Young blended interracial mediation with direct protest demonstrating that these methods pursued together were the best tactics for achieving social economic and political change *Militant Mediator* is a powerful reassessment of this key and controversial figure in the civil rights movement It is the first biography to explore in depth the influence Young's father a civil rights leader in Kentucky had on his son Dickerson traces Young's swift rise to national prominence as a leader who could bridge the concerns of deprived blacks and powerful whites and mobilize the resources of the white America to battle the poverty and discrimination at the core of racial inequality Alone among his civil rights colleagues Martin Luther King Jr Roy Wilkins James Farmer John Lewis and James Forman Young built support from black and white constituencies As a National Urban League official in the Midwest and as a dean of the School of Social Work at Atlanta University during the 1940s and 1950s Young developed a strategy of mediation and put it to work on a national level upon becoming the executive director of the League in 1961 Though he worked with powerful whites Young also drew support from middle and working class blacks from religious fraternal civil rights and educational organizations As he navigated this middle ground though Young came under fire from both black nationalists and white conservatives

Peace and Freedom Simon Hall, 2011-06-07 Two great social causes held center stage in American politics in the 1960s the civil rights movement and the antiwar groundswell in the face of a deepening American military commitment in Vietnam In *Peace and Freedom* Simon Hall explores two linked themes the civil rights movement's response to the war in Vietnam on the one hand and on the other the relationship between the black groups that opposed the war and the mainstream peace movement Based on comprehensive archival research the book weaves together local and national stories to offer an illuminating and judicious chronicle of these movements demonstrating how their increasingly radicalized components both found common cause and provoked mutual antipathies *Peace and Freedom* shows how and why the civil rights movement responded to the war in differing ways explaining black militants' hostility toward the war while also providing a sympathetic treatment of those organizations and leaders reluctant to take a stand And while Black Power counterculturalism and left wing factionalism all made interracial coalition building more difficult the book argues that it was the peace movement's reluctance to link the struggle to end the war with the fight against racism at home that ultimately prevented the two movements from cooperating more fully Considering the historical relationship between the civil rights movement and foreign policy Hall also offers an in depth look at the history of black America's links with the American left and with pacifism With its keen insights into one of the most controversial decades in American history *Peace and Freedom* recaptures the immediacy and importance of the time

In Defense of Uncle Tom Brando Simeo Starkey, 2015-01-12 Uncle Tom is the most piercing epithet blacks can hurl at one another It marks targets as race traitors

and that painful stain is often permanent Much more than a slur Uncle Tom is a vital component of a system of social norms in the black community that deters treachery In this book Brando Simeo Starkey provocatively argues that blacks must police racial loyalty and that those successfully prosecuted must be punished with the label Uncle Tom This book shadows Uncle Tom throughout history to understand how these norms were constructed disseminated applied and enforced Why were Martin Luther King Jr Marcus Garvey Muhammad Ali Jackie Robinson Thurgood Marshall and others accused of racial betrayal In *Defense of Uncle Tom* answers this and other questions and insists that Uncle Tom is too valuable to discard Because it deters treachery this epithet helps build black solidarity a golden tool in promoting racial progress Martin Luther King Jr. John A. Kirk, 2014-06-06 Combining the latest insights from King biographies and movement histories this book provides an up to date critical analysis of the relationship between King and the wider civil rights movement Delivering a fresh perspective on the relationship between the man and the movement Kirk argues that it is the interaction between national and local movement concerns that is essential to understanding King's leadership and black activism in the 1950s and 1960s Kirk examines King's strengths and his limitations and weighs the role that King played in then movement alongside the contributions of other civil rights organizations and leaders and local civil rights activists Suitable for undergraduate courses in 20th century US history Reconstruction and the Arc of Racial (in)Justice Julian Maxwell Hayter, George R. Goethals, 2018-01-26 This collection of original essays and commentary considers not merely how history has shaped the continuing struggle for racial equality but also how backlash and resistance to racial reforms continue to dictate the state of race in America Informed by a broad historical perspective this book focuses primarily on the promise of Reconstruction and the long demise of that promise It traces the history of struggles for racial justice from the post US Civil War Reconstruction through the Jim Crow era the Civil Rights and Voting Rights decades of the 1950s and 1960s to the present day *African American Preachers and Politics* Dennis C. Dickerson, 2010-12-01 During most of the twentieth century Archibald J Carey Sr 1868 1931 and Archibald J Carey Jr 1908 1981 father and son exemplified a blend of ministry and politics that many African American religious leaders pursued Their sacred and secular concerns merged in efforts to improve the spiritual and material well being of their congregations But as political alliances became necessary both wrestled with moral consequences and varied outcomes Both were ministers to Chicago's largest African Methodist Episcopal Church congregations the senior Carey as a bishop and the junior Carey as a pastor and an attorney Bishop Carey associated himself mainly with Chicago mayor William Hale Thompson a Republican whom he presented to black voters as an ally When the mayor appointed Carey to the city's civil service commission Carey helped in the hiring and promotion of local blacks But alleged impropriety for selling jobs marred the bishop's tenure The junior Carey also a Republican and an alderman became head of the panel on anti discrimination in employment for the Eisenhower administration He aided innumerable black federal employees Although an influential benefactor of CORE and SCLC Carey associated with notorious

FBI director J Edgar Hoover and compromised support for Martin Luther King Jr Both Careys believed politics offered clergy the best opportunities to empower the black population Their imperfect alliances and mixed results however proved the complexity of combining the realms of spirituality and politics

The debate on black civil rights in America Kevern Verney,2024-01-16 This book examines the historiography of the African American freedom struggle from the 1890s to the present It considers how and why the study of African American history developed from being a marginalized subject in American universities and colleges at the start of the twentieth century to become one of the most extensively researched fields in American history today There is analysis of the changing scholarly interpretations of African American leaders from Booker T Washington through to Barack Obama The impact and significance of the leading civil rights organizations are assessed as well as the white segregationists who opposed them and the civil rights policies of presidential administrations from Woodrow Wilson to Donald Trump The civil rights struggle is also discussed in the context of wider political social and economic changes in the United States and developments in popular culture

The SAGE Encyclopedia of Leadership Studies George R. Goethals,Scott T. Allison,Georgia J. Sorenson,2023-02-20 Leadership Studies is a multi disciplinary academic exploration of the various aspects of how people get along and how together they get things done The fields that contribute to leadership studies include history political science psychology anthropology sociology philosophy literature and behavioral economics Leadership Studies is also about the ethical dimensions of human behavior The discipline considers what leadership has been in the past the historical view what leadership actually looks like in the present principally from the perspectives of the behavioral sciences and political science and what leadership should be the ethical perspective The SAGE Encyclopedia of Leadership Studies will present both key concepts and research illuminating leadership and many of the most important events in human history that reveal the nuances of leadership good and bad Entries will include topics such as power charisma identity persuasion personality social intelligence gender justice unconscious conceptions of leadership leader follower relationships and moral transformation

Burial for a King Rebecca Burns,2011-01-04 A compelling original and illuminating account chronicling the historic week between Martin Luther King Jr s assassination and his funeral In the aftermath of Martin Luther King Jr s assassination riots broke out in 110 cities across the country For five days Atlanta braced for chaos while preparing to host King s funeral An unlikely alliance of former student radicals the middle aged patrician mayor the no nonsense police chief black ministers white churchgoers Atlanta s business leaders King s grieving family members and his stunned SCLC colleagues worked to keep Atlanta safe honor a murdered hero and host the tens of thousands who came to pay tribute On April 9 1968 150 000 mourners took part in a daylong series of rituals honoring King the largest funeral staged for a private U S citizen King s funeral was a dramatic event that took place against a national backdrop of war protests and presidential politics in a still segregationist South where Georgia s governor surrounded the state capitol with troops and refused to lower the flag in acknowledgment of King s death Award winning journalist Rebecca

Burns delivers a riveting account of this landmark week and chronicles the convergence of politicians celebrities militants and ordinary people who mourned in a peaceful Atlanta while other cities burned Drawing upon copious research and dozens of interviews from staffers at the White House who dealt with the threat of violence to members of King s family and inner circle Burns brings this dramatic story to life in vivid scenes that sweep readers from the mayor s office to the White House to Coretta Scott King s bedroom Compelling and original Burial for a King captures a defining moment in America s history It encapsulates King s legacy America s shifting attitude toward race and the emergence of Atlanta as a new kind of Southern city

Black Stars of the Civil Rights Movement Jim Haskins,2004-01-16 AFRICAN AMERICAN HISTORY COMES TO LIFE Discover why young people all over the country are reading the Black Stars biographies of African American heroes Here is what you want to know about the lives of brave black men and women during the Civil Rights Movement LOUIS SATCHMO ARMSTRONG MARY MCLEOD BETHUNE MAJOR GENERAL BENJAMIN O DAVIS JR W E B DU BOIS LIEUTENANT HENRY O FLIPPER MARCUS GARVEY MARTIN LUTHER KING JR THURGOOD MARSHALL ROSA PARKS ADAM CLAYTON POWELL JR PHILIP RANDOLPH PAUL ROBESON JACKIE ROBINSON BOOKER T WASHINGTON IDA B WELLS BARNETT CARTER G WOODSON WHITNEY M YOUNG JR The books in the Black Stars series are the types of books that would have really captivated me as a kid Earl G Graves Black Enterprise magazine Inspiring stories that demonstrate what can happen when ingenuity and tenacity are paired with courage and hard work Black Books Galore Guide to Great African American Children s Books Haskins has chosen his subjects well catching a sense of the enormous obstacles they had to overcome Some names are familiar but most are little known whom Haskins elevates to their rightful place in history Booklist The broad coverage makes this an unusual resource a jumping off point for deeper studies Horn Book

Selma to Saigon Daniel S. Lucks,2014-03-19 In *Selma to Saigon* Daniel S Lucks explores the impact of the Vietnam War on the national civil rights movement Through detailed research and a powerful narrative Lucks illuminates the effects of the Vietnam War on leaders such as Whitney Young Jr Stokely Carmichael Roy Wilkins Bayard Rustin and Martin Luther King Jr as well as lesser known Americans in the movement who faced the threat of the military draft as well as racial discrimination and violence

Turning Points in the History of American Evangelicalism Heath W. Carter, Laura Porter, 2017-03-16 Lucid authoritative overview of a major movement in American history The history of American evangelicalism is perhaps best understood by examining its turning points those moments when it took on a new scope challenge or influence The Great Awakening the rise of fundamentalism and Pentecostalism the emergence of Billy Graham all these developments and many more have given shape to one of the most dynamic movements in American religious history Taken together these turning points serve as a clear and helpful roadmap for understanding how evangelicalism has become what it is today Each chapter

in this book has been written by one of the world's top experts in American religious history and together they form a single narrative of evangelicalism's remarkable development. Here is an engaging, balanced, coherent history of American evangelicalism from its origins as a small movement to its status as a central player in the American religious story.

Contributors/Topics: Harry S. Stout on the Great Awakening; Catherine A. Brekus on the evangelical encounter with the Enlightenment; Jon Butler on disestablishment; Richard Carwardine on antebellum reform; Marguerite Van Die on the rise of the domestic ideal; Luke E. Harlow on the Civil War and conservative American evangelicalism; George M. Marsden on the rise of fundamentalism; Edith Blumhofer on urban Pentecostalism; Dennis C. Dickerson on the Great Migration; Mark Hutchinson on the global turn in American evangelicalism; Grant Wacker on Billy Graham's 1949 Los Angeles revival; Darren Dochuk on American evangelicalism's Latin turn.

Civil Rights in America Christopher W. Schmidt, 2020-12-17. The term civil rights has such a familiar presence in discussions about American politics and law that we tend to use it reflexively and intuitively but rarely do we stop to think about what exactly we mean when we use the term and why certain uses strike us as right or wrong. In this book, Professor Christopher W. Schmidt tells the story of how Americans have fought over the meaning of civil rights from the Civil War through today. Through their struggles over what it means to live in a nation dedicated to protecting civil rights, each generation has given the label new life and new meaning. *Civil Rights in America* shows how the words we use to understand our world become objects of contestation and points of leverage for social, political, and legal action.

The African Methodist Episcopal Church Dennis C. Dickerson, 2020-01-09. Explores the emergence of African Methodism within the black Atlantic and how it struggled to sustain its liberationist identity.

John Hervey Wheeler, Black Banking, and the Economic Struggle for Civil Rights Brandon K. Winford, 2019-12-09. WINNER OF THE LILLIAN SMITH BOOK AWARD. John Hervey Wheeler (1908-1978) was one of the civil rights movement's most influential leaders. In articulating a bold vision of regional prosperity grounded in full citizenship and economic power for African Americans, this banker, lawyer, and visionary would play a key role in the fight for racial and economic equality throughout North Carolina. Utilizing previously unexamined sources from the John Hervey Wheeler Collection at the Atlanta University Center Robert W. Woodruff Library, this biography explores the black freedom struggle through the life of North Carolina's most influential black power broker. After graduating from Morehouse College, Wheeler returned to Durham and began a decades-long career at Mechanics and Farmers F&M Bank. He started as a teller and rose to become bank president in 1952. In 1961, President Kennedy appointed Wheeler to the President's Committee on Equal Employment Opportunity, a position in which he championed equal rights for African Americans and worked with Vice President Johnson to draft civil rights legislation. One of the first blacks to attain a high position in the state's Democratic Party, Wheeler became the state party's treasurer in 1968 and then its financial director. Wheeler urged North Carolina's white financial advisors to steer the region toward the end of Jim Crow segregation for economic reasons. Straddling the line between confrontation and negotiation, Wheeler pushed for increased economic

opportunity for African Americans while reminding the white South that its future was linked to the plight of black southerners Poll Power Evan Faulkenbury, 2019-04-10 The civil rights movement required money In the early 1960s after years of grassroots organizing civil rights activists convinced nonprofit foundations to donate in support of voter education and registration efforts One result was the Voter Education Project VEP which starting in 1962 showed far reaching results almost immediately and organized the groundwork that eventually led to the Voting Rights Act of 1965 In African American communities across the South the VEP catalyzed existing campaigns it paid for fuel booked rallies bought food for volunteers and paid people to canvass neighborhoods Despite this progress powerful conservatives in Congress weaponized the federal tax code to undercut the important work of the VEP Though local power had long existed in the hundreds of southern towns and cities that saw organized civil rights action the VEP was vital to converting that power into political motion Evan Faulkenbury offers a much needed explanation of how philanthropic foundations outside funding and tax policy shaped the southern black freedom movement Martin Luther King, Jr. Peter Ling, 2015-03-02 Peter Ling s acclaimed biography of Martin Luther King Jr provides a thorough re examination of both the man and the Civil Rights Movement showing how King grew into his leadership role and kept his faith as the challenges facing the movement strengthened after 1965 Ling combines a detailed narrative of Martin Luther King s life with the key historiographical debates surrounding him and places both within the historical context of the Civil Rights Movement This fully revised and updated second edition includes an extended look at Black Power and a detailed analysis of the memorialization of King since his death including President Obama s 50th anniversary address and how conservative spokesmen have tried to appropriate King as an advocate of colour blindness Drawing on the wide ranging and changing scholarship on the Civil Rights Movement this volume condenses research previously scattered across a larger literature Peter Ling s crisp and fluent style captures the drama irony and pathos of King s life and provides an excellent introduction for students and others interested in King the Civil Rights movement and America in the 1960s
