Military Customs and Traditions Mark Mayo Boatner, 1976 Beskriver en række især anglo amerikanske og rent amerikanske militære skikke og sædvaner og traditioner og deres oprindelse baggrund historie og udvikling *Military Customs and Traditions* Mark Boatner (III), 1956 Encyclopedia of Military Science G. Kurt Piehler, 2013-07-24 The Encyclopedia of Military Science provides a comprehensive ready reference on the organization traditions training purpose and functions of today's military Entries in this four volume work include coverage of the duties responsibilities and authority of military personnel and an understanding of strategies and tactics of the modern military and how they interface with political social legal economic and technological factors A large component is devoted to issues of leadership group dynamics motivation problem solving and decision making in the military context Finally this work also covers recent American military history since the end of the Cold War with a special emphasis on peacekeeping and peacemaking operations the First Persian Gulf War the events surrounding 9 11 and the wars in Afghanistan and Iraq and how the military has been changing in relation to these events Click here to read an article on The Daily Beast by Encyclopedia editor G Kurt Piehler Why Don't We Build Statues For Our War Heroes Anymore *Ruffles & Flourishes* Judy K. Beam, 1988 *Mess Night Traditions* Charles J. Gibowicz, 2007-09 This book is about the military Sea Service Mess Night the Sea Services consisting of the Navy Marines and Coast Guard Mess Nights are traditional time honored events going back to at least the 18th Century Formal military dining has historically been a way to communicate to celebrate special events and a way to promote unity and camaraderie The Mess Night although a military formation and a formal event is also a great deal of fun Some of today's protocol and script is not exactly matching the past Today's Mess Night is a bit more regimented and programmed but basically reflects all that was included in the old days and also reflects some of procedures used during the days of sail This book is written because there are no books on Mess Nights this is a first Like many Sea Service customs and traditions this custom has been handed down from generation to generation unwritten Scripts and instructions were not necessary as Mess dinners were common The British Navy can claim a continuous unbroken tradition and they are basically the providers of the American tradition They host Mess dinners much more frequently than the Americans do and the entire Navy traditionally celebrates the anniversary of the Battle of Trafalgar Americans have no set celebration and also have fewer Mess Nights Many officers are not even aware of Mess Nights This is because of several factors covered in the book Hopefully this book will stimulate greater interest in this important event As the alcohol rule for ships rule has been loosened it is particularly hopeful that shipboard Mess Nights can again become an event It would be most appropriate to celebrate the event for which the ship is named or to begin the tradition of celebrating Navy Day or other famous event such as those listed in this book **The Armed Forces Officer** United States.
