

Ethics Committees Have a Role in Expeditionary Military Medicine

Introduction

- Membership-Physicians, nurses, therapists, clergy, administrators, representatives from community, an individual with more formal ethics training
- Caresse JA, Sugarman J: The inescapable relevance of bioethics for the practice of medicine. Chest 2006; 130: 1864-72.

Military Ethics For The Expeditionary Era

David Morris

Military Ethics For The Expeditionary Era:

Military Ethics for the Expeditionary Era Patrick Mileham, Lee Willett, 2001 Giving armed servicemen and women the task of civilizing those parts of the world which have deteriorated into anarchy and bloodshed ethic cleansing or genocide is to give them a moral rule far beyond what the laws of war can currently refine The problems of military ethics a moral philosophy for the armed forces are addressed in this book by Rt Hon Paddy Ashdown MP Dr Michael Ignatieff Professor Adam Roberts Oxford University Brigadier Loup Francart Retired French Army Major General Paul McCarthy Retired US Air Force General Sir Rupert Smith DSACEUR and Patrick Mileham Retired British Army The conclusions reached make this a significant contribution to the debate on military ethics in the present age Military Ethics Th. A. Van Baarda, Ted van Baarda, D. E. M. Verweij, 2006 This collection is a unique joint venture of teachers in and practitioners of military ethics Representatives of each branch of the Armed Forces i.e. the Navy the Army the Air Force and the Military Police discuss their branch specific experiences with moral questions and dilemmas The moral questions and dilemmas which arise in their work are also discussed by certain professional groups within the Armed Forces such as the Military Medical Service and the Military Psychological Service Detailed attention is given to how junior commanders can enhance morally responsible behaviour within their unit A substantial part of the book focuses on teaching military ethics It includes the Socratic dialogue decision making skills and a chapter containing fictitious moral dilemmas that can be used as exercises The book is aimed at those responsible for training at military training centres as well as at cadets midshipmen and young officers It will also be an important tool for commanders preparing for a mission And it will be of use for all those concerned with the subject of military ethics at policy and management level both in the armed forces and outside it *Military Ethics The Dutch Approach A Practical Guide* is an adapted translation of the main chapters of the Dutch language volume *Praktijkboek Militaire Ethiek* Practitioner's Guide *Military Ethics* **Key Concepts in Military Ethics** Deane-Peter Baker, 2015-09-01 Can war be morally justified What is the philosophy behind armed conflict How do you conduct an ethical war And what guides military action as the nature of conflict changes over time Based on a MOOC Massive Open Online Course designed for both military personnel and non specialists across the globe *Key Concepts in Military Ethics* is structured as a series of mini chapters that cover a huge range of topics and issues moral dilemmas military and civilian interactions freedom of the press peacekeeping terrorism and humanitarian intervention Written by a team of academic experts many with military experience the book contains scenarios and case studies including the Gulf War the Falklands War Ground Zero in New York City and more conventional theatres of war through history as well as cyber terrorism the role of military contractors and unmanned weapons systems **Military Ethics** Igor Primoratz, 2017-05-15 Recent developments such as the new wars or the growing privatisation of warfare and the ever more sophisticated military technology present the military with difficult ethical challenges This book offers a selection of the best scholarly articles on military ethics published in recent decades It gives a

hearing to all the main ethical approaches to war just war theory consequentialism and pacifism Part I includes essays on justice of war jus ad bellum focussing on defence against aggression and humanitarian armed intervention but also addressing topics such as conscientious objection and the relation of patriotism to war Articles in Part II deal with the central problems of justice in war jus in bello civilian immunity and collateral damage to civilian life and property Essays in Part III look into the moral issues facing the military as a profession such as the civil military relations the responsibilities of officers to their soldiers and to their military superiors and the status and responsibilities of prisoners of war

Military Ethics and Virtues Peter Olsthoorn, 2010-09-21 This book examines the role of military virtues in today's armed forces Although long established military virtues such as honor courage and loyalty are what most armed forces today still use as guiding principles in an effort to enhance the moral behavior of soldiers much depends on whether the military virtues adhered to by these militaries suit a particular mission or military operation Clearly the beneficiaries of these military virtues are the soldiers themselves fellow soldiers and military organizations yet there is little that regulates the behavior of soldiers towards civilian populations As a result troops trained for combat in today's missions sometimes experience difficulty in adjusting to the less aggressive ways of working needed to win the hearts and minds of local populations after major combat is over It can be argued that today's missions call for virtues that are more inclusive than the traditional ones which are mainly about enhancing military effectiveness but a convincing case can be made that a lot can already be won by interpreting these traditional virtues in different ways This volume offers an integrated approach to the main traditional virtues exploring their possible relevance and proposing new ways of interpretation that are more in line with the military tasks of the 21st century The book will be of much interest to students of military ethics philosophy and war and conflict in general

Military Chaplaincy in Contention Andrew Todd, 2016-04-22 Chaplaincy highlights the need for faith and society to re engage with vital moral questions Military chaplains continue to operate within the dynamic tension between faith communities the armed services and society offering a distinct moral presence and contribution Drawing the reader into the world of the military chaplain this book explores insights into the complex moral issues that arise in combat especially in Afghanistan and in everyday military life These include the increasing significance of the Law of Armed Conflict and the moral significance of drones Through the unique chaplain's eye view of the significance of their experience for understanding the ethics of war this book offers clearer understanding of chaplaincy in the context of the changing nature of international conflict shaped around insurgency and non state forces and explores the response of faith communities to the role of the armed services It makes the case for relocating understandings of just war within a theological framework and for a clear understanding of the relationship between the mission of chaplaincy and that of the military

Soldiering Under Occupation Erella Grassiani, 2013-07-01 Often violent behavior or harassment from a soldier is dismissed by the military as unacceptable acts by individuals termed rotten apples In this study the author argues that this dismissal is unsatisfactory and that there is

an urgent need to look at the mis behavior of soldiers from a structural point of view When soldiers serve as an occupational force they find themselves in a particular situation influenced by structural circumstances that heavily influence their behavior and moral decision making This study focuses on young Israeli men and their experiences as combat soldiers in the Israeli Defense Forces IDF particularly those who served in the Occupied Palestinian Territories OPT during the Al Aqsa Intifada which broke out in 2000 In describing the soldiers circumstances especially focusing on space the study shows how processes of numbing on different levels influence the moral behavior of these soldiers **More Than Just War** Charles A. Jones, 2013 This book raises questions about the just war tradition through a critical examination of its revival and by juxtaposing it with a literary phenomenology of war Recent public debate about war has leaned heavily on a just war tradition dating back many centuries This book examines the recent revival of that tradition in the United States and Britain arguing that it is less coherent and comprehensive as an approach to the ethical issues arising from war than is generally supposed and that it is inconsistent in important ways with the theology on which it was originally based A second line of criticism is mounted through close readings of modern texts in English from Britain Australia and the USA that together constitute a more subjective bottom up understanding of the moral dilemmas of military life In this second tradition the task of representing war is seen as more problematic and its rationality more questionable than in just war discourse Works by William Shakespeare Sir Walter Scott James Fennimore Cooper Stephen Crane John Buchan Robert Louis Stevenson Joseph Conrad Tim O'Brien and Kurt Vonnegut are featured The book will be of great interest to students and scholars of security studies military studies theology and international relations **Ethics Education for Irregular Warfare** Don Carrick, James Connelly, Paul Robinson, 2016-05-13 Following on from Ethics Education in the Military eds Paul Robinson Nigel de Lee and Don Carrick Ashgate 2008 which surveyed and critically analyzed the existing theory and practice of educating soldiers sailors and airmen in the ethics of old fashioned warfaring this volume considers the extent to which such theory and practice is adequate to prepare members of the military to meet the more complex ethical challenges faced when engaging in irregular warfare in the 21st century In recent years events in Iraq and Afghanistan have highlighted the requirement that Western military personnel drawn from the armed forces of many different countries should behave in an ethical manner at all times The contributors to this volume come from various disciplinary backgrounds several are serving or former military officers and most are actively engaged in ethics education The volume advances theoretical understanding of different approaches to ethics education and provides practical conclusions [Bibliography of Sources on the Region of Former Yugoslavia Volume III](#) Rusko Matuli?, 1998 **New People Strategies for the British Armed Forces** Alex Alexandrou, Richard Bartle, Richard Holmes, 2002 Based upon an ongoing series of conferences and seminars dealing with human resource management in the British armed forces this study proposes new ways of tackling one of the most contentious of issues facing the military today **Storm on the Horizon** David Morris, 2005-08-30 On January 29 1991

Saddam Hussein hurled three crack armored divisions into Saudi Arabia determined to stop the American attempt to liberate Kuwait before it began Caught without warning in the path of the Iraqi juggernaut were small groups of U S Marines and Special Forces soldiers their weapons no match for the Iraqi tanks bearing down on them Based on scores of firsthand reports and newly declassified documents *Storm on the Horizon* is a riveting account of how these elite fighting men not only escaped the Iraqi onslaught but fought their way to victory with true American grit From the ferocious desert attacks to the desperate street fighting in Khafji Marine David Morris captures the ordeal through the eyes of men who fought it giving readers a front row seat to the bloodiest battle of the Gulf War *Military Heroism in a Post-Heroic Era* Uzi

Ben-Shalom, René Moelker, Nehemia Stern, Eyal Ben-Ari, 2024-04-11 This book explores the variety of forms that individual heroism and sacrifice can take in the context of contemporary military conflicts It addresses three key questions How has an enduring ideal of heroism been transformed by the nature of modern warfare Are we now witnessing the emergence of new forms of exemplary military behavior And have new ideals of heroism and by association sacrifice or bravery been added to older forms in the recent past The book advocates viewing the concept of military heroism as a moral category in which its theoretical definition and empirical practice reflect those factors that are seen as being vital for society itself The key theoretical and topical challenges addressed in the respective chapters focus on how ideas of heroism become entwined with issues of individualization bolstered by the cultural assumptions of neo Liberalism the spread of the human rights discourse and the judicialization marketization and mediatization of armed forces The book was written by experts on military studies including many who are currently active military personnel It includes contributions from a variety of disciplines e g anthropology sociology psychology and political science *The British National Bibliography* Arthur James Wells, 2002

The Changing Face of Military Power A. Dorman, M. Smith, M. Uttley, 2002-03-13 With the end of the Cold War perceptions of the role of armed forces in the international environment changed dramatically and have led to a critical re evaluation of defence budgets defence bureaucracies and defence roles *The Changing Face of Military Power* brings together some of the most eminent scholars in the field of defence studies to assess the changing dynamics of military power It focuses in particular on the move towards joint service cooperation as a way of minimising costs and increasing efficiency

International Affairs , 2001 **Ethics and Military Strategy in the 21st Century** George Lucas, Jr., 2019-07-10 This book examines the importance of military ethics in the formulation and conduct of contemporary military strategy Clausewitz's original analysis of war relegated ethics to the side lines in favor of political realism interpreting the proper use of military power solely to further the political goals of the state whatever those may be This book demonstrates how such single minded focus no longer suffices to secure the interest of states for whom the nature of warfare has evolved to favor strategies that hold combatants themselves to the highest moral and professional standards in their conduct of hostilities Waging war has thus been transformed in a manner that moves beyond Clausewitz's original conception rendering political success wholly

dependent upon the cultivation and exercise of discerning moral judgment by strategists and combatants in the field This book utilizes a number of perspectives and case studies to demonstrate how ethics now plays a central role in strategy in modern armed conflict This book will be of much interest to students of just war ethics military strategy and international relations **Bibliographic Guide to Government Publications** New York Public Library. Research Libraries,1976

Atlanticism for a New Century Carl Cavanagh Hodge,2005 This compact book gives readers a half century of NATO history in just over 250 pages An integrated look at the evolution of the foreign policies of the major NATO states during and after the Cold War it concentrates on the politics and diplomacy of the Alliance as well as studies the nature of a successful military coalition The book s treatment of the diplomatic crisis over the US led war in Iraq makes it the most up to date study of NATO and its lucid explanation of deep seated trans Atlantic divergence on the nature of contemporary global affairs and the place of multilateralism within them allows readers to learn a great deal in a short period Topics include the American mission in Europe AtlanticOstopolitik the expeditionary NATO Desert Storm the Bosnia crisis and humanitarian war smart war and responsible statecraft the decline of NATO and the future for Atlanticism An excellent reference for those involved in state and foreign affairs this book is also an excellent source of information for any reader interested in NATO and international relations **Military Medical Ethics: Sect. IV. Medical ethics in the military. Medical ethics on the battlefield: the crucible of military medical ethics** ,2003

Military Ethics For The Expeditionary Era Introduction

In today's digital age, the availability of Military Ethics For The Expeditionary Era books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Military Ethics For The Expeditionary Era books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Military Ethics For The Expeditionary Era books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Military Ethics For The Expeditionary Era versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Military Ethics For The Expeditionary Era books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Military Ethics For The Expeditionary Era books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they

can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Military Ethics For The Expeditionary Era books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Military Ethics For The Expeditionary Era books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Military Ethics For The Expeditionary Era books and manuals for download and embark on your journey of knowledge?

FAQs About Military Ethics For The Expeditionary Era Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Military Ethics For The Expeditionary Era is one of the best book in our library for free trial. We provide copy of Military Ethics For The

Expeditionary Era in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Military Ethics For The Expeditionary Era. Where to download Military Ethics For The Expeditionary Era online for free? Are you looking for Military Ethics For The Expeditionary Era PDF? This is definitely going to save you time and cash in something you should think about.
