## **Military Postcards 1870 To 1945:**

**Military Postcards, 1870 to 1945** Jack H. Smith, 1988-01-01      **Postcards in the Library** Norman D. Stevens, 1995  
Postcards in the Library gives compelling reasons why libraries should take a far more active and serious interest in establishing and maintaining postcard collections and in encouraging the use of these collections. It explains the nature and accessibility of existing postcard collections, techniques for acquiring, arranging, preserving, and handling collections, and ways to make researchers and patrons aware of these collections.      [Snapshots and Short Notes](#) Kenneth Wilson, 2020-08-14  
*Snapshots and Short Notes* examines the photographic postcards exchanged during the first half of the twentieth century as illustrated first hand accounts of American life. Almost immediately after the introduction of the generic postcard at the turn of the century, innovations in small accessible cameras added black and white photographs to the cards. The resulting combination of image and text emerged as a communication device tantamount to social media today. Postcard messages and photographs tell the stories of ordinary lives during a time of far reaching technological, demographic, and social changes: a family's new combine harvester that could cut 40 acres a day; a young woman trying to find work in a man's world; the sight of an airplane in flight. However, postcards also chronicled and shared hardship and tragedy: the glaring reality of homesteading on the High Plains; natural disasters; preparations for war; and the struggles for racial and gender equality. With a meticulous eye for detail, painstaking research, and astute commentary, Wilson surveys more than 160 photographic postcards reproduced in full color that provide insights into every aspect of life in a time not far removed from our own.

**Warman's Americana & Collectibles** Harry L. Rinker, 1995      **Warman's Americana and Collectibles** Harry L. Rinker, Jr., 1993  
For more than ten years, Warman's Americana & Collectibles has served as the leader in documenting and valuing twentieth century collectibles.      *Americana & Collectibles* Harry L. (Editor) Rinker, 1991      [Book Review Index Cumulation, 1989](#) Neil E. Walker, Beverly Baer, 1990-04  
The Index provides a broad coverage and access to book reviews in the general social sciences, humanities, sciences, and fine arts, as well as general interest magazines and includes journals from Great Britain, Canada, Switzerland, Israel, and Australia. In addition, it indexes several journals that while published in the US, concentrate on reviewing foreign published or foreign language books. These include *Hispania*, *French Review*, *German Quarterly*, and *World Literature Today*.      *Warman's Antiques and Their Prices* Harry L. Rinker, 1990-05  
Long recognized as one of the most reliable references available, Warman's includes a comprehensive listing of more than 50,000 items covering 500 categories of antiques and collectibles, with more than 350 designs of American pattern glass. More than 1,000 photographs aid in object identification. Handy and compact.      *Transnational Currents in a Shrinking World* Emily S. Rosenberg, 2014-04-21  
Emily Rosenberg examines the social and cultural networks that emerged from global exchanges between 1870 and 1945. Transnational connections were being formed many decades before globalization became a commonplace term in economic and political discourse, and these currents underscore the fluidity of spatial and personal

identifications     Warman's Antiques and Their Prices Edwin G. Warman,1992     **Hollywood War Films, 1937-1945**

Michael S. Shull,David Edward Wilt,2015-09-03 From 1937 through 1945 Hollywood produced over 1 000 films relating to the war This enormous and exhaustive reference work first analyzes the war films as sociopolitical documents Part one entitled The Crisis Abroad 1937 1941 focuses on movies that reflected America s increasing uneasiness Part two Waging War 1942 1945 reveals that many movies made from 1942 through 1945 included at least some allusion to World War II

*Propaganda Postcards of World War II* Ron Menchine,2000 Here s World War II as it has never been seen before The propaganda of the war years reflects the mood of the nations involved The stories behind propaganda postcards are fascinating bits of history often overlooked in textbooks These are the real thing showing how the Axis and Allies demonized their enemies and glorified their heroes More than 300 postcards from over 20 nations and Menchine s incisive commentary provide a provocative glimpse into the emotional climate of the peoples affected by the war whether they were on the battlefield or on the production line

**German Atrocities, 1914** John Horne,Alan Kramer,2001-01-01 Is it true that the German army invading Belgium and France in August 1914 perpetrated brutal atrocities Or are accounts of the deaths of thousands of unarmed civilians mere fabrications constructed by fanatically anti German Allied propagandists Based on research in the archives of Belgium Britain France Germany and Italy this pathbreaking book uncovers the truth of the events of autumn 1914 and explains how the politics of propaganda and memory have shaped radically different versions of that truth John Horne and Alan Kramer mine military reports official and private records witness evidence and war diaries to document the crimes that scholars have long denied a campaign of brutality that led to the deaths of some 6500 Belgian and French civilians Contemporary German accounts insisted that the civilians were guerrillas executed for illegal resistance In reality this claim originated in a vast collective delusion on the part of German soldiers The authors establish how this myth originated and operated and how opposed Allied and German views of events were used in the propaganda war They trace the memory and forgetting of the atrocities on both sides up to and beyond World War II Meticulously researched and convincingly argued this book reopens a painful chapter in European history while contributing to broader debates about myth propaganda memory war crimes and the nature of the First World War

**Warman's Antiques and Collectibles**

**Price Guide** Harry L. Rinker,1996-04 An antiques price guide for more than 50 000 items with detailed descriptions     *AB*

*Bookman's Weekly* ,1997     **Hobbies** ,1976

**The Fear of Population Decline** Michael S. Teitelbaum,2013-10-22 The Fear of Population Decline provides an elaborated discussion on the concept of population decline The book is comprised of seven chapters that show the extent to which demographic developments form a part of a much longer continuum of discussion and behavior In the opening chapter the book discusses the nature of population decline and then proceeds to demonstrate the complex ways in which fears of population decline emerged in the period 1870 1945 Chapter 4 details the advancement in the period 1945 1965 while Chapters 5 and 6 discuss the phenomenon of baby bust and policy responses to it

The last chapter talks about the nature and possible dangers of population decline The text will be of great interest to readers who are concerned with the implication of population decline for the society as a whole      *Hancer's Price Guide to Paperback Books* Kevin Hancer,1990 A reference guide to the prices of paperback collectible books and a bibliography of paperback imprints Lists all mass market paperbacks published in the United States between 1939 and 1959 some publishers are listed through 1965 Includes selected Canadian pre 1939 and post 1959 books based on collector interest Lists over 30 000 entries under their imprint names and imprint code numbers      **Japanese-German Relations, 1895-1945** Christian W Spang,Rolf-Harald Wippich,2006-04-18 Written by a team of Japanese and German scholars this book presents an interpretation of Japanese German history and international diplomacy It provides a greater understanding of key aspects of the countries bilateral relations from the end of the Sino Japanese War in 1895 to the parallel defeat of Germany and Japan in 1945 New research is explored on the military as well as ideological interconnections between Japan and Germany in the closing years of the nineteenth century the First World and the development of bacteriological warfare during the Second World War In addition the book s focus on the Second World War significantly re interprets two familiar axis of Japanese German relations the impact of Nazi ideology on Japanese fascism and the Axis Alliance Drawing on German as well as Japanese archival sources the book presents a revealing examination of a crucial period in the modern history of Western Europe and East Asia As such it will be of huge interest to those studying the modern history of Japan Germany comparative and world history international relations and political science alike      Historical Abstracts ,2000

## Whispering the Secrets of Language: An Mental Journey through **Military Postcards 1870 To 1945**

In a digitally-driven earth wherever screens reign great and instant connection drowns out the subtleties of language, the profound techniques and mental nuances hidden within words often move unheard. However, situated within the pages of **Military Postcards 1870 To 1945** a interesting literary treasure pulsating with raw thoughts, lies an extraordinary journey waiting to be undertaken. Composed by a skilled wordsmith, this enchanting opus encourages viewers on an introspective trip, lightly unraveling the veiled truths and profound affect resonating within the cloth of each and every word. Within the psychological depths of the emotional review, we shall embark upon a honest exploration of the book is core themes, dissect their charming publishing model, and succumb to the powerful resonance it evokes strong within the recesses of readers hearts.
