## **Military Bibliography Of The Civil War Vol Iv:**

Military Bibliography of the Civil War: Regimental publications and personal narratives, by state and unit. Union and Confederate biographies. General references. Armed forces. Campaigns and battles ,1987      **Military Bibliography of the Civil War: Regimental publications and personal narratives. Union and Confederate biographies. General references. Armed forces. Campaigns and battles** ,2003 Volume IV Compiled and revised by Silas Felton 1063 pp revised with books missed in vols I II and III regimental publications personal narratives biographies campaigns and battles Northern and Southern Felton s new compilation is without peer He covers the subject from five different perspectives Regimental Publications and Personal Narratives Union and Confederate Biographies General References Armed Forces and Campaigns and Battles And making the work extremely useful the last 236 pages contain a complete Index of Authors of Volumes I through IV as well as a new Index of Titles in the Revised Volume IV Furthermore to clear up confusion created by the multiple names often used by Confederate units during the war artillery batteries in particular which carried a state designation but were commonly known by the battery commander s name Felton has cited a written work with a single number designation but indexed and listed it under its common appellation to aid the researcher and eliminate confusion

**Special Bibliography Series** ,1957      **A Bibliography of History & Historical Biography. Being the Sections Relating to Those Subjects in The Best Books and The Reader's Guide** William Swan Stallybrass (formerly Sonnenschein.),William Swan Sonnenschein,1897      *States at War, Volume 4* Richard F. Miller,2015-02-03 While many Civil War reference books exist there is no single compendium that contains important details about the combatant states and territories that Civil War researchers can readily access for their work People looking for information about the organizations activities economies demographics and prominent personalities of Civil War States and state governments must assemble data from a variety of sources with many key sources remaining unavailable online This crucial reference book the fourth in the States at War series provides vital information on the organization activities economies demographics and prominent personalities of Delaware Maryland and New Jersey during the Civil War Its principal sources include the Official Records state adjutant general reports legislative journals state and federal legislation federal and state executive speeches and proclamations and the general and special orders issued by the military authorities of both governments North and South Designed and organized for easy use by professional historians and amateurs this book can be read in two ways by individual state with each chapter offering a stand alone history of an individual state s war years or across states comparing reactions to the same event or solutions to the same problems      **A Guide Book to Books** Edmund Beale Sargant,Bernhard Whishaw,1891      **The Cavalries in the Nashville Campaign** Dennis W. Belcher,2020-06-01 The Nashville Campaign culminating with the last major battle of the Civil War is one of the most compelling and controversial campaigns of the conflict The campaign pitted the young and energetic James Harrison Wilson and his Union cavalry against the cunning and

experienced Nathan Bedford Forrest with his Confederate cavalry This book is an analysis of contributions made by the two opposing cavalry forces and provides new insights and details into the actions of the cavalry during the battle This campaign highlighted important changes in cavalry tactics and never in the Civil War was there closer support by the cavalry for infantry actions than for the Union forces in the Battle of Nashville The retreat by Cheatham s corps and the Battle of the Barricade receive a more in depth discussion than in previous works on this battle The importance of this campaign cannot be overstated as a different outcome of this battle could have altered history The Nashville Campaign reflected the stark realities of the war across the country in December 1864 and would mark an important part of the death knell for the Confederacy

**A Catalogue of Old, Rare and Curious Books** George E. Littlefield (Firm),1887 United States Army Combat Forces Journal ,1951 Robert E. Lee: A Biography Emory M. Thomas,1997-06-17 The best and most balanced of the Lee biographies New York Review of Books The life of Robert E Lee is a story not of defeat but of triumph triumph in clearing his family name triumph in marrying properly triumph over the mighty Mississippi in his work as an engineer and triumph over all other military men to become the towering figure who commanded the Confederate army in the American Civil War But late in life Lee confessed that he was always wanting something In this probing and personal biography Emory Thomas reveals more than the man himself did Robert E Lee has been and continues to be a symbol and hero in the American story But in life Thomas writes Lee was both more and less than his legend Here is the man behind the legend Guerrilla Warfare in Civil War Missouri, Volume IV, September 1864-June 1865 Bruce Nichols,2014-04-29 This book is a thorough study of all known guerrilla operations in Civil War Missouri between September 1864 and June 1865 It explores different tactics each side attempted to gain advantage over each other with regional differences as influenced by the personalities of local commanders The author utilizes both well known and obscure sources including military and government records private accounts county and other local histories period and later newspapers and secondary sources published after the war to identify which Southern partisan leaders and groups operated in which areas of Missouri and how their kinds of warfare evolved This work presents the actions of Southern guerrilla forces and Confederate behind Union lines recruiters chronologically by region so that readers may see the relationship of seemingly isolated events to other events The book also studies the counteractions of an array of different types of Union troops fighting guerrillas in Missouri to show how differences in training leadership and experience affected actions in the field

**Gregory'S New York Brigade:** Valgene L. Dunham,2015-12-11 At the beginning of October 1864 the only equipment most Union soldiers near Petersburg Virginia needed was a shovel including Gen Edgar Gregorys new reserve brigade which was digging trenches around the besieged city Most of the brigades volunteer members from New York had never fired a musket upon marching into the swamps and woods southwest of Petersburg But the dusty blue collar workers became a force to be reckoned with as they dug and marched westward to force Gen Robert E Lee to extend forces away from Petersburg Following the brigades largest battle

Five Forks the Union marched rapidly westward to keep Lee from joining Gen Joseph Johnston The brigade was selected to assist in the surrender at Appomattox Those acts alone would have solidified the brigades place in history but its men also served as caretakers of the peace during their march back to Washington D C especially after the assassination of President Lincoln Gregorys New York Brigade deserves to be honored as much as those who fought in the major battles of the war Find out why in this detailed account of its well deserved place in history **Calamity at Frederick** Alexander B.

Rossino,2023-10-31 The loss of Robert E Lee s Special Orders No 191 is one of the Civil War s enduring mysteries In this meticulous study Alexander Rossino presents a bold new interpretation of the evidence surrounding the orders creation distribution and loss outside Frederick Maryland in September 1862 Rossino makes extensive use of primary sources to explore these subjects and other important questions related to the orders including why General Lee thought his army could operate north of the Potomac until winter why Lee found it necessary to seize the Federal garrison at Harpers Ferry what Lee hoped to accomplish after capturing Harpers Ferry where Corporal Barton Mitchell of the 27th Indiana found the Lost Orders and if D H Hill or someone else was to blame for losing the orders The result is a well documented reassessment that sheds new light while challenging long held assumptions **Calamity at Frederick** is the Confederate companion to *The Tale Untwisted* by Gene M Thorp and Alexander Rossino which told the story from the Union perspective [A Bibliography of](#)

[Military Geography](#) Eugene J. Palka,1988 This four volume document is designed to enhance scholarly research in the area of military geography and to serve as a reference tool It is anticipated that this will meet the research needs of professors and students of military science geography and history along with members of the Armed Forces government officials and planners This bibliography is organized following the accepted scheme for military geography utilizing three main categories systematic topical and regional Volume I is a complete alphabetized list Volume II is organized systematically Volume III is organized topically and Volume IV collects regional sources *The Best Books: F, History and historical biography. G,*

*Archaeology and historical collaterals* William Swan Sonnenschein,1923 *The Civil War from Its Origins to Reconstruction* James S. Pula,2019-04-11 The period of Sectionalism Civil War and Reconstruction was the most traumatic in American history The outcome changed the foundations of the nation with effects still felt today While most Civil War histories focus on specific topics military history economics politics this book presents the narrative as it unfolded against a broader historical background Drawing on direct quotations from actual participants the author provides an interpretive overview of the issues and events that divided and then devastated the United States **The Best Books: F, History and historical biography.**

**G, Archaeology and historical collaterals. 1923** William Swan Sonnenschein,1923 [Review of Current Military Literature](#) ,1990 *Military Review* ,1990 **Professional Journal of the United States Army** ,1979
