## **Military Operations France Belgium 1917 Volume II:**

**McCrae's Battalion** Jack Alexander, 2011-03-18 McCrae's Own was the Heart of Midlothian Battalion mentioned all too briefly in Martin Middlebrook's classic book *The First Day on the Somme* Raised in Edinburgh shortly after the start of the Great War it was perhaps the finest unit in Lord Kitchener's volunteer army a brotherhood of sportsmen bound together by their extraordinary colonel and their loyalty to a quaintly named Association Football club the famous Gorgie Hearts McCrae's were blooded in the Battle of the Somme losing three quarters of their strength on the first day alone The Colonel himself was invalided home In time the battalion recovered It came of age at Arras endured the muddy horror of Passchendaele and held the line unbroken in the face of furious German attacks on the Lys in 1918 For almost a century their story remained untold It was all but lost forever Now after 12 years of exacting historical detective work Jack Alexander has reclaimed the 16th Royal Scots for posterity In this stirring book he draws upon interviews with veterans and a unique archive of letters diaries and photographs assembled from the families of more than 1 000 of Sir George McCrae's men *Clash of the Gods of War* William Westerman, Nicholas Floyd, 2020-03-01 The Great War confronted Australia's fledgling field and garrison artillery forces with a seemingly insurmountable challenge to rapidly raise prepare deploy and engage in history's most lethal war to date By 1915 the Australian artillery entered into a bloody contest of learning and adaptation against resourceful and resolute opponents where the stakes would be measured in thousands of soldiers' lives Far from popularly held views of the Great War as one of stalemate and stagnation *Clash of the Gods of War* Australian Artillery and the Firepower Lessons of the Great War reveals a dynamic and rapidly evolving battle scene as artillery planners on each side sought to combine innovative concepts technology and tactics into victory The book draws on an unparalleled array of perspectives on artillery and firepower presented by Australian and international experts and practitioners over four years during the Firepower Lessons from the Great War seminar series commemorating the Centenary of Anzac From Anzac Cove to the Hindenburg Line *Clash of the Gods of War* tells a gripping Australian story of the Great War through the lens of artillery the most lethal and influential arm of the war and considers the legacy that its evolutionary journey holds for warfare today *Letters of Major General Price Davies* Peter Robinson, 2013-01-01 The new series of Spellmount Military Memoirs provides rare and sought after texts for the collector of classic historical works together with rigorously selected personal narratives never before in print destined to become classics in their own right Llewelyn Alberic Emilius Price Davies was awarded the Victoria Cross when serving with the King's Royal Rifle Corps during the Second Boer War He went on to serve as Divisional Corps liaison officer in 1914-15 his correspondence offers a rare insight into the changing face of the British Army at this time In 1916 he took over the 113th Brigade in a New Army Division 38th Welsh The first major test was on the Somme at Mametz Wood where the divisional commander was sacked He describes this famous fight and eventual capture of the wood in dramatic detail Once again in the thick of the fighting at Pilckem Ridge in 1917 on the first day of Third Ypres his letters

show the importance of this battle's success. In 1918 he travelled to Italy where his diaries reveal for the first time how the Allied Command functioned in this theatre. His constant correspondence with his brother-in-law Henry Wilson the CIGS is a unique insight into British Army High Command and this legendary Field Marshal. This rare collection of letters offers a broad and detailed insight into the First World War that will fascinate any enthusiast.

**Men, Ideas, and Tanks** J. P. Harris, 1995. Men, ideas and tanks reviews the development of British military ideas on armoured forces from 1903 to 1939. Great Britain was the nation which first developed the tank, first used it in action and first gained dramatic results by employment. The British continued to be world leaders in the field of mechanised warfare until the early 1930s. J. P. Harris offers strikingly new interpretations of the early history of British armoured forces and explains why Great Britain had lost the lead by the outbreak of the Second World War. Available in paperback, once more this work will be of interest to all those concerned with British military history in the first half of the twentieth century, with the history of mechanised warfare and with the history of military thought.

**The Lion and the Rose** Kevin Shannon, 2017-05-17. The Lion and the Rose tells the story of an infantry battalion in the Great War. Based on many unpublished sources, the book narrates the individual parts played by nearly 2,000 of those who served with the 4th King's Own Royal Lancaster Regiment from the day that war was declared in 1914 until the armistice in 1918 and in a few cases the stories of men whose war continued long afterwards. The battalion first saw action in Festubert in May 1915 and went on to fight on the Somme, the Ypres Salient and Gillemont Farm, though the battalion's epic stand at Givenchy on 9 April 1918 must rate as one of the greatest defensive actions of the war. Using contemporary combat reports, many of the major actions are described down to individual platoon level. The Lion and the Rose does not just concentrate on the major battles but also examines everyday life in the trenches. Appendices give the most complete battalion roll to date and list those awarded medals for their bravery and also those nominated unsuccessfully for recognition. Illustrations: 28 black and white photographs and 13 in-text maps.

**Grasping Gallipoli** Peter Chasseaud, Peter Doyle, 2015-03-02. The failure of the Gallipoli campaign was instantly blamed on a great untruth: that the War Office was unprepared for Dardanelles operations and gave Sir Ian Hamilton little in the way of maps and terrain intelligence. This myth is repeated by current historians. The Dardanelles Commission became a battleground of accusation and counter-accusation. This book, incorporating much previously unpublished material, demonstrates that geographical intelligence preparations had indeed been made by the War Office and the Admiralty for decades. They had collected a huge amount of terrain information, maps and charts covering the topography and defences and knew a great deal about Greek plans to capture the Gallipoli Peninsula. At least one plan was Anglo-Greek. Much of this material, which is here identified and evaluated, was handed over to Hamilton's Staff. Additional material was obtained in theatre before the landings. T. E. Lawrence playing a part. Grasping Gallipoli, which is the first book to examine the intelligence and mapping side of the Dardanelles campaign, looks closely at its terrain and describes the production and development of new operations maps and clarifies

whether the intelligence was properly processed and efficiently used It also examines the use of aerial photos taken by the Royal Naval Air Service during the campaign and charting hydrographic and other intelligence work by the Royal Navy

**Soviet Union's Unilateral Force Reduction and Withdrawal** United States. Congress. House. Committee on Armed Services,1990     The Platoon Joseph Johns Steward,2011-12-13 John Joseph Steward fought in the Great War from the Battle of the Somme to the final offensives of 1918 and he was an acute unflinching observer of the conflict he took part in of life and death on the Western Front He was a writer too He recorded his experiences in accurate detail and later in life he wrote a graphic fictionalized account of his wartime career the story of his war his comrades and his platoon His narrative is published here for the first time edited annotated and with an introduction by Andrew Robertshaw and Steve Roberts Their research into Stewards story is a fascinating example of how such work can be used to give a vivid insight into the experiences of a Great War ancestor About the EditorsAndrew Robertshaw is Curator Manager of The Royal Logistic Corps Museum in Deepcut Surrey For the past twelve years he has been coordinating a group conducting an archaeological dig of British trenches and other sites on the Somme He frequently appears on television as a commentator on battlefield archaeology and the soldier in history His publications include A Soldiers Life The Somme 1st July 1916 Digging the Trenches with David Kenyon and Ghosts of the Somme with Alastair Fraser and Steve Roberts Steve Roberts is a retired police officer and an ex regular soldier He has a keen interest in military history and as a result of his grandfathers service a particular passion for the Great War He specializes in researching the individuals who served during the period and has worked in this field on a number of television projects He is a founder member of the Great War archaeology group No Mans Land and also a battlefield guide regularly taking groups to France and Belgium He has previously co authored Ghosts on the Somme with Alastair Fraser and Andrew Robertshaw     *The Green Howards in the Great War* John Sheen,2024-09-30 In answer to Lord Kitchener s appeal in late August and September 1914 many men joined Alexandra s Princess of Wales s Own Yorkshire Regiment better known as The Green Howards Recruits came from around the Middlesbrough area and the ironstone mines on the North Yorkshire moors while others came from the East Durham coalfield and the Durham City area The 8th and 9th Battalions left the Regimental Depot in Richmond in late September and moved to Frensham on the Hampshire Surrey border where they trained hard until bad weather forced a move to barracks in Aldershot They arrived on the Somme front at the end of June 1916 but were not involved in the fighting until 5 July when the 9th Battalion captured Horseshoe trench and Lieutenant Donald Simpson Bell won the VC when he destroyed a German machine gun position On 10 July both battalions took part in the capture of Contalmaison a village that had been a first day objective A second VC was awarded posthumously to Private William Short of the 8th Battalion during the fighting in Munster Alley in August 1916 The next year found the 23rd Division in the Ypres Salient where they were in and out of the line until June 1917 when they took part in the Battle of Messines and the 8th Battalion had the honor of taking Hill 60 In November 1917 the division was sent

to Italy to bolster the hard pressed Italian Army but the 9th Battalion returned to France in 1918 where they fought until the Armistice The 8th Battalion stayed on in Italy and fought at the crossing of the Piave and Vittorio Veneto which brought the war to an end in Italy     *U.S. Defense Budgets in a Changing Threat Environment* United States. Congress. House.

Committee on Armed Services. Defense Policy Panel,1990

**Writing the Great War** Andrew Green,2008-12-04 In this

volume Andrew Green examines the progress by which the Official Histories of World War I was written the motives and influences of its paymasters and the literary integrity of its historians     **Rats Alley** Peter Chasseaud,Alan

Sillitoe,2017-08-03 When first published in 2006 Rats Alley was a ground breaking piece of research the first ever study of trench names of the Western Front Now in this fully updated and revised second edition the gazetteer has been extended to well over 20 000 trench names complete with map references in itself an essential tool for any First World War researcher

However combined with the finely considered history and analysis of trench naming during the First World War this is an edition that no military history enthusiast should be without Discover when how and why British trenches were first named and follow the names fascinating development throughout the First World War alongside details of French and German trench naming practices

Looked at from both contemporary and modern points of view the names reveal the full horror of trench warfare and throw an extraordinary sidelight on the cultural life of the period and the landscape and battles of the Western Front Names such as Lovers Lane Idiot Corner Cyanide Trench Crazy Redoubt Doleful Post Furies Trench Peril

Avenue Lunatic Sap and Gangrene Alley can be placed in context With useful information on where original trench maps are held and how to obtain copies Rats Alley is a vital volume for both military and family historians     *The Men Who Planned the War* Paul Harris,2017-05-15

During the Allied victory celebrations there were few who chose to raise a glass to the staff The high cost of casualties endured by the British army tarnished the reputation of the military planners which has yet to recover This book examines the work and development of the staff of the British army during the First World War and its critical role in the military leadership team

Their effectiveness was germane to the outcome of events in the front line but not enough consideration has been paid to this level of command and control which has largely been overshadowed by the debate over generalship This has painted an incomplete picture of the command function Characterised as arrogant remote and out of touch with the realities of the front line the staff have been held responsible for the mismanagement of the war effort and profligate loss of lives in futile offensives

This book takes a different view By using their letters and diaries it reveals fresh insights into their experience of the war It shows that the staff made frequent visits to the front line and were no strangers to combat or hostile fire Their work is also compared with their counterparts in the French and German armies highlighting differences in practice and approach In so doing this study throws new light upon the characteristics careers and working lives of these officers investigating the ways in which they both embraced and resisted change This offers evidence both for those who wish to exonerate the British command system on the basis of the learning process but also for

those critical of its performance thus advancing understanding of British military history in the First World War     The Battle for Passchendaele Ian Finlayson, 2020-10-07 The Battle for Passchendaele on 12 October 1917 was one of the epic struggles of the First World War British Field Marshal Douglas Haig allocated II ANZAC Corps to capture Passchendaele village with Major General Monash's 3rd Australian Division and the New Zealand Division leading the attack For both divisions the battle was a bloody debacle Monash's division started the battle with 5800 men and just 24 hours later could only muster 2600 suffering horrendous losses for a small territorial gain which was later relinquished The New Zealand Division was trapped in front of the German wire and barely moved from its start line suffering one of its highest casualty rates of the war Fought in conditions which seemed to preclude any chance of success the battle has become a metaphor for pointless sacrifice After the battle the British and Australian leadership were unanimous in placing blame for the defeat on the all pervasive mud Monash writing to his wife believed that his plan would have succeeded in normal conditions Yet two weeks later in similar weather and terrain Lieutenant General Currie's Canadian Corps succeeded where Monash and Godley's II ANZAC Corps did not The central focus of this book is a detailed analysis of the 3rd Australian Division's plan and execution of the attack on Passchendaele By examining the differences between the Australian and Canadian plans for the capture of Passchendaele the author casts this iconic battle in a completely different light It is a re-examination that is long overdue     Dinkum Diggers Dale James Blair, 2016-06-03 Tall sun bronzed hardy Resourceful independent egalitarian Scornful of authority loyal to their mates These mythical characteristics of the Anzac diggers are central to our idea of what it is to be Australian But did the soldiers themselves fit the stereotype How closely does the myth match the reality This penetrating study strips away celebratory generalisations and measures the Anzac legend against the actual experiences of one battalion that fought at Gallipoli and on the Western Front in World War I The diaries and letters written by soldiers of the 1st Battalion reveal attitudes insights comments and criticisms that qualify and even contradict the Anzac legend In Dinkum Diggers Dale James Blair compares these first hand accounts by front line infantrymen with unit diaries operational records service and repatriation records as well as with interviews with family members and statistical analysis to present a well rounded picture of the complexities of the 1st Battalion's experience By narrowing the focus of Australian war experience to a single battalion he demonstrates nuances and subtleties showing how the men viewed and reacted to their own officers and how both officers and men behaved in combat He follows these war damaged soldiers into civilian life where they mostly kept quiet as conservative forces worked to enshrine and sanitise Australia's sacrifice This book makes a notable contribution to revisionist studies about World War I It is a patient thorough and scholarly demolition job on the Anzac legend a reality check on back slapping triumphalism and the glorification of war     *Military Operations, France and Belgium, 1918 ...* Sir James Edward Edmonds, 1935     The Future of European Security J. Philip Rogers, 1993-06-18 Brings together a number of prominent American and European policy makers and analysts to examine the key issues involved in

the new political thinking about Europe's security The overall picture is optimistic but events such as the Yugoslav civil war suggest perhaps a more dangerous future

**The Imperial War Museum Book of the Western Front** Malcolm Brown, 2013-11-21 An unrivalled and readable introduction to the years of Trench Warfare TESThe First World War was won and lost on the Western Front Covering the whole war from the guns of August 1914 to the sudden silence of the November 1918 Armistice the IWM Book of the Western Front reveals what life was really like for the men and women involved With first hand accounts of off duty entertainments trench fatalism and going over the top this is an extremely important contribution to the continuing debate on the First World War Malcolm Brown has updated this edition introducing new evidence on sex and homosexuality executions the treatment or mistreatment of prisoners and shell shock A blockbuster as near as anyone is likely to get to the authentic life of the trenches Yorkshire Post

*The Germans on the Somme* David Bilton, 2010-03-10 This highly illustrated book covers the activities of the German Army on the River Somme throughout the long years of The Great War The initial fighting in 1914 was against the French prior to the arrival of the British Army The 1916 Allied Offensive eventually resulted in the German withdrawal but only at a terrible cost to both sides The 1918 Kaiserschlacht saw the Germans return albeit briefly Each phase is covered from the German perspective using primary and secondary sources In addition to the wealth of splendid fully captioned photographs there is an authoritative general text and a useful chronological order of events Being arguably the most evocative area in British military history much has been written on the Somme What makes this splendid book so different is the author's successful attempt to view events through the eyes of our adversaries

**The British Army and the First World War** Ian Beckett, Timothy Bowman, Mark Connelly, 2017-05-25 A comprehensive new history of the shaping and performance of the British army during the First World War

## Whispering the Secrets of Language: An Psychological Journey through **Military Operations France Belgium 1917 Volume Ii**

In a digitally-driven earth where monitors reign supreme and instant communication drowns out the subtleties of language, the profound strategies and emotional subtleties hidden within phrases usually get unheard. However, set within the pages of **Military Operations France Belgium 1917 Volume Ii** a captivating literary value pulsing with raw thoughts, lies a fantastic journey waiting to be undertaken. Composed by an experienced wordsmith, that wonderful opus invites readers on an introspective journey, softly unraveling the veiled truths and profound impact resonating within ab muscles fabric of every word. Within the psychological depths with this poignant review, we can embark upon a heartfelt exploration of the book is primary styles, dissect their charming publishing style, and succumb to the powerful resonance it evokes serious within the recesses of readers hearts.

## **Military Operations France Belgium 1917 Volume Ii Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Military Operations France Belgium 1917 Volume Ii has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Military Operations France Belgium 1917 Volume Ii has opened up a world of possibilities. Downloading Military Operations France Belgium 1917 Volume Ii provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Military Operations France Belgium 1917 Volume Ii has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Military Operations France Belgium 1917 Volume Ii. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Military Operations France Belgium 1917 Volume Ii. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When

downloading Military Operations France Belgium 1917 Volume Ii, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Military Operations France Belgium 1917 Volume Ii has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Military Operations France Belgium 1917 Volume Ii Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Military Operations France Belgium 1917 Volume Ii is one of the best book in our library for free trial. We provide copy of Military Operations France Belgium 1917 Volume Ii in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Military Operations France Belgium 1917 Volume Ii. Where to download Military Operations France Belgium 1917 Volume Ii online for free? Are you looking for Military Operations France Belgium 1917 Volume Ii PDF? This is definitely going to save you time and cash in something you should think about.
