Millard Fillmore Presidents:

Millard Fillmore Paul Finkelman,2011-05-10 The oddly named president whose shortsightedness and stubbornness fractured the nation and sowed the seeds of civil war In the summer of 1850 America was at a terrible crossroads Congress was in an uproar over slavery and it was not clear if a compromise could be found In the midst of the debate President Zachary Taylor suddenly took ill and died The presidency and the crisis now fell to the little known vice president from upstate New York In this eye opening biography the legal scholar and historian Paul Finkelman reveals how Millard Fillmore's response to the crisis he inherited set the country on a dangerous path that led to the Civil War He shows how Fillmore stubbornly catered to the South alienating his fellow Northerners and creating a fatal rift in the Whig Party which would soon disappear from American politics as would Fillmore himself after failing to regain the White House under the banner of the anti immigrant and anti Catholic Know Nothing Party Though Fillmore did have an eye toward the future dispatching Commodore Matthew Perry on the famous voyage that opened Japan to the West and on the central issues of the age immigration religious toleration and most of all slavery his myopic vision led to the destruction of his presidency his party and ultimately the Union itself *Millard Fillmore* Gerry Souter,Janet Souter,2001-08 Traces the childhood education employment political career and presidency of Millard Fillmore *Millard Fillmore* Heidi M.D. Elston,2009-01-01 The United States president preserves protects and defends the U S Constitution Each president's term influences events in America and around the world for years to come This biography introduces young readers to the life of Millard Fillmore beginning with his childhood in Cayuga County New York Information about Fillmore's early career as a lawyer is discussed In addition his family and personal life as well as his retirement years in New York as a representative of the Buffalo Board of Trade the first chancellor of the University of Buffalo founder and president of the Buffalo Historical Society and founder of the Buffalo Club is highlighted Easy to read text details Fillmore's political career as a New York legislator a U S congressman chairman of the House Ways and Means Committee New York state comptroller and vice president Finally students will explore key events from Whig president Fillmore's administration including the Compromise of 1850 which included the Fugitive Slave Act Beautiful graphics showcase the primary source documents and photographs A timeline fast facts and sidebars help put essential information at students fingertips In addition a quick reference chart provides easy access to facts about every U S president Checkerboard Library is an imprint of ABDO Publishing Company Millard Fillmore: Biography Of A President Robert J. Rayback,2015-11-06 Professor Robert J Rayback's history of Millard Fillmore is still the best biography of the 13th President of the United States In one of the many unexplained unfortunate quirks of history most of the official papers of Fillmore's administration were destroyed by his son Scholars have consequently been denied the source material which is so essential to examining and gaining insight into the underlying truth of a Presidency Regarding Fillmore the few records that do survive can only be compiled piecemeal a laborious task which few have had the

stamina to undertake Thus is the historical importance of Robert J Rayback s authoritative biography which gives documented substance to Fillmore and his three years in office Thoughtful and objective Rayback s balanced portrayal lauds Fillmore s astuteness as in sending Matthew Perry to open Japan to trade and assays his faults such as agreeing to run on the Know Nothing ticket in 1856 We see as John Lord O Brian former regent of the University of the State of New York noted a devoted patriot who in all activities sought guidance from his own conscience during the critical events of the mid nineteenth century Julius Pratt of the University of Buffalo concludes from the book that without Fillmore there could have been no Lincoln Print ed Yo, Millard Fillmore! (2021 edition) Will Cleveland,Mark Alvarez,2021-03-23 Newly updated 2021 edition features our newest President Joe Biden Just who was the 13th president anyway Yo Millard Fillmore combines colorful cartoons and comic book captions to make memorizing all 46 American presidents a fun family friendly activity Yo Millard Fillmore and Yo Sacramento are works of pure genius I now know all the presidents and all the capitals of all the states This is terrific These books are fabulous and witty and a lot of fun Pat Conroy New York Times best selling author In print continuously since 1992 Yo Millard Fillmore has delighted kids parents grandparents and teachers Over 500 000 copies sold Celebrating 30 years of fun learning for all In Yo Millard Fillmore you will find a fast easy way to learn and memorize the U S Presidents in just 20 minutes or less Crazy full color cartoons and comic book style captions create a nonsense tale that will help you remember the names of all 46 presidents in chronological order You ll also learn lots of fun facts and kid friendly trivia about each president and the historical highlights from his term of office Plus this book is packed with mnemonics in the form of presidential puns like ray guns for Ronald Reagan chef s son for Thomas Jefferson fill more for Millard Fillmore and oh baaah ma for Barack Obama With five Quick Quizzes and a special section titled What You Need to Know if You Want to be President you ll soon be an authority on the highest office in the land and have a lot of fun at the same time Yo Millard Fillmore is perfect for kids 8 11 and provides lots of fun and learning for the whole family Using the book s simple mnemonic cartoons you can surprise your friends by reciting all the presidents in a row beginning with George Washington our first president all the way through to number 46 President Joe Biden Millard Fillmore Thomas J. Rowland,2013 Arguably our most obscure president and generally judged mediocre at best Millard Fillmore came to the presidency in July 1850 when his predecessor Zachary Taylor unexpectedly died Despite his relative anonymity Fillmore was thrust into the nations greatest historical argument the great debate concerning the future of slavery in the republic With considerable political aplomb he helped guide the passage of the measures collectively known as the Compromise of 1850 including the sensitive and controversial Fugitive Slave Act Rather than resolve the agitation these measures gave way to a decade of rancorous conflict which brought about the Civil War This interpretative study seeks to understand why this president remained anchored to a past that was no longer effective in his own time Millard Fillmore Paul Joseph,2000-03 This series discusses the highlights and issues of each president s time in office The straightforward narrative provides key facts from early childhood

to retirement while emphasizing international and historical perspectives Supports social studies and history curriculum Detailed full page timeline and colorful maps and diagrams Lively fun facts provide memorable anecdotes about each president

Millard Fillmore Dan Santow,2004 Millard Fillmore was a self made man who raised himself from deep poverty to political prominence in New York State In 1848 the Whig party nominated him for vice president on the ticket with General Zachary Taylor When Taylor died in July 1850 Fillmore was suddenly president of a country divided on the spread of slavery to territories recently added to the United States He threw his support behind the Compromise of 1850 then being debated in Congress and signed it into law in 1850 hoping to end the emotional debate Instead the compromise was condemned by proslavery and antislavery forces alike and Fillmore s support for it effectively ended his political career In 1852 the Whig party refused to nominate Fillmore for the presidency Book jacket **The Unknown President** Benson Lee Grayson,1981 *The Life and Administration of Ex-President Fillmore* Millard Fillmore,1856 **Millard Fillmore, Thirteenth President of the United States** Jane Clark Casey,1988 Examines the life of the president who helped postpone the Civil War with the Compromise of 1850 and who was considered to have destroyed his political career in order to preserve the Union Yo, Millard Fillmore! Will Cleveland,Mark Alvarez,2011-07 Presents facts about each president accompanied by cartoon style illustrations to serve as memory aids and quizzes to reinforce information *Millard Fillmore* Robert J. Scarry,2001-02-10 From the time he left office in 1853 President Millard Fillmore has become increasingly shrouded in mystery and stereotyped by anecdotes with slender connections to facts The real Fillmore was not the weak and boring figurehead many Americans believe he was This account of Fillmore s life is drawn largely from his family s personal papers many of which have previously been suppressed or were unavailable or believed lost It presents Fillmore as his own letters do and as his friends family members and contemporaries saw him as a distinguished and honorable man who was also a strong and effective president This comprehensive work includes photographs a genealogy of the Fillmore family a chronology a bibliography and an index Millard Fillmore Robert J. Rayback,Millard Fillmore,2011-05-01 **Millard Fillmore** , Ripon College presents a biographical sketch of the 13th U S President Millard Fillmore 1800 1874 as part of its Politics and Government Program The college lists Fillmore s birth and death dates and provides an overview of his pre presidential career vice presidency presidency 1850 1851 and post presidency **The Presidencies of Zachary Taylor & Millard Fillmore** Elbert B. Smith,1988 In this book Elbert B Smith disagrees sharply with traditional interpretations of Taylor and Fillmore the twelfth and thirteenth presidents from 1848 to 1853 Smith argues that Taylor and Fillmore have been seriously misrepresented and underrated They faced a terrible national crisis and accepted every responsibility without flinching or directing blame toward anyone else Publisher **Millard Fillmore, the Forgotten President** Robert J. Scarry,1973 **Millard Fillmore** James M. Deem,2003 A biography of the thirteenth president of the United States including his accomplishment of the Compromise of 1850 which helped delay the Civil War by ten years Includes Internet
