NEWSPAPER CUSTOMER REVIEWS Millennium Babe The Prophecy Capitola author Betty Dravis's first mystery has been getting good reviews on Amazon.com Leigh Weimers San Jose CA Mercury News columnist Hey Wetterman What next I found this book to be very entertaining I liked how the characters were fleshed out they became real The story line was different than I had originally expected with a number of twists and turns to keep you wondering what will happen next Having spent a considerable amount of time in the San Jose Santa Cruz and Capitola area I also really appreciated all the good memories it brought back When you live there it's so easy to take for granted What I'm looking forward to is a sequel Now that these fictional characters are so real I'm dying to know what happens next One of the refreshing features about this book aside from the fact that it is very interesting is the fact that the author has written it in a style that could be shared with a wide audience Definition She managed to use multiple adjectives to describe people situations and locations without having to swear or use any abusive language Not something that I was looking for but something that was noticeable I would like to see more from this author Okay How soon Rochelle Venckus Denver Colorado This novel has a little bit of everything adventure mystery humor a hint of religion and a healthy dose of love I couldn't put it down As far as I'm concerned it's a five star book Debra Pangborn San Jose CA The Millennium Babe was an exciting and thrilling story Just when you think you have figured out the story it takes on new twists and turns Once you start reading this book you will not want to put it down Carolyn Joan Murillo San Jose CA Starting with an interesting character David Wetterman and pulling together a compelling plot the story Millennium Babe comes to life Twists mystery and curiosity draw the reader to finish the book quickly True to a good story the ending is not predictable This is a book you will not regret buying Kathleen Chewey Campbell CA Although I'm more of a who-dun-it mystery reader I was quickly drawn into the story line in Millennium Babe and was able to identify easily with the characters as they typified many Silicon Valley residents The author has done a successful job of capturing her readers attention in the first chapter drawing them along to the climax at book end and creating speculation about what will happen next I hope there will be a sequel published soon Betsy Grandey San Jose CA

*The Divinity of Jesus Christ Revisited in the Third Millennium* Leopold Sarr, 2012-12 Biblical Christianity is challenged today by other religions such as Hinduism Islam Mormonism Buddhism Jehovah's Witness Scientology to name a few including atheists and agnostics who claim that Jesus was simply a man a great teacher or guru or a prophet of God who worked his way to godhood Are such claims supported by the evidence Can we trust the Bible to tell us

the truth about Jesus Is Jesus Christ truly God Can we find evidence of his deity in the Old Testament Does the New Testament affirm unequivocally that He is God Are there reliable non Christian sources that back such claims of deity This book aims at addressing these fundamental questions while providing solid internal and external evidence of the divinity of Jesus Christ In this age of plural spirituality thirst for truth and in need of an evidence based dialogue among various religions the book makes a compelling case for a closer scrutiny of prophecies contained in the Bible **Just Our Best Short Stories 2005** Janet Sue Terry, 2005-05 This is a collection of short stories written by the staff and authors of Just My best Book Publishing Company and their family and friends The short stories include nonfiction fantasy adventure romance and other subjects This book includes the following short stories Little Princess medieval adventure Raven Blackwing medieval adventure The Rescue medieval adventure Pay Your Marriage Dues medieval adventure Smoldering Passion medieval adventure Alisza Troy medieval adventure Rekindled Trust Intrigue A Camping We Go general fiction The Perfect Solution general fiction The Book Store general fiction West Virginia Hermit general fiction Terra Lemnia science fiction I Remember Love non fiction Ambush At Xoung Vin Pass general fiction Uncle Hermans Harem general fiction Switching Genres The Snack general fiction Feast And Famine general fiction The Amazing Sixties non fiction Poster Girl general fiction Blind Love romance Contributing authors include Janet Sue Terry Megan Blue Terry Lori Martin Tom Chatterton Joe DeChristopher Rosanna Filippello Daniel Morrison Debbie Miyake Betty Dravis Readers will enjoy this wonderful collection of entertaining stories The Shadow of Her Smile Victoria Taylor Murray, 2005-04 Reading The Shadow of Her Smile was like slurping a long cold lemonade on a sultry summer day I couldn't devour it fast enough The story started off with a bang and grew increasingly suspenseful as Victoria Taylor Murray drew me into her exciting plot with the ease that only the best writers can achieve From Trump Tower to the Waldorf Astoria Hotel to Little Italy to NYPD and a grandmother's run down mansion she painted a New York seldom seen by outsiders I especially relished the historical vignettes of The Big Apple woven in at appropriate places in the story Although many of the supporting characters were ultra worldly obviously shallow greedy and lustful each one was unique and thoroughly fleshed out Even billionaire Forrest Gray who set the stage for this novel when he hired Corbin Douglas to find Nikki Rourke became larger than life as Murray wielded her magic pen to craft him Through all these marvelous mixed up often malevolent characters Murray captured the true essence of the city's diversity of cultures and life styles And the hero and heroine were to die for Corbin a cop turned private investigator is every woman's dream handsome strong and sexy yet kind caring and ethical while Nikki is the beautiful charming smart gutsy red haired woman who is at the center of everything Corbin hooked me right from the start but I had to wait awhile to meet Nikki The wait was worth it and she quickly won my heart by the tender loving manner in which she cared for our hero when he was injured And then there's Charlie Corbin's friend and former partner and the love of his life Bette What a joy it was to meet them Of stronger moral fiber these four characters more than made up for the indiscriminate behavior of the minor

characters They became so real to me I ll think of them often in days to come The excitement was nonstop as Corbin searched for Nikki a woman in a photograph with an unforgettable smile overcoming death defying breath stealing obstacles to help her This well written fast paced story has everything believable characters realistic dialogue suspense romance and original humor When Corbin told his former partner I have a headache the size of Stephen King s Buick 8 I laughed out loud a welcome relief from the tension of the book s drama The Shadow of Her Smile takes you through a series of twists and turns that makes your goosebumps sprout more goosebumps as you question Who are the dead dancers Who is killing red haired women Are they after Nikki too Will Corbin find her in time or will she be the next victim What s going on with the billionaire s wife What does the chauffeur s pretty boy son have to do with it And the gangster and his hit squad Is it all connected The very talented Victoria Taylor Murray won my heart with this book I join her growing legions of fans in applauding her on penning another winner My one regret is that I didn t discover her from her very first book Betty Dravis author of *The Toonies Invade Silicon Valley*     **The Toonies Invade Silicon Valley** Betty Dravis,2005-04 Beware citizens of Silicon Valley the bad Toonies are on their way But never fear Uncle Wom and the good Toonies are not far behind and they will help Jeremy Kern a young human newspaper cartoonist save the day     The Millennium; Will it be Introduced, Or Closed by the Second Advent? ..., Etc.
