The Soldier's Wife Margaret Leroy, 2011-06-28 A novel full of grand passion and intensity The Soldier s Wife asks What would you do for your family What should you do for a stranger and What would you do for love As World War II draws closer and closer to Guernsey Vivienne de la Mare knows that there will be sacrifices to be made Not just for herself but for her two young daughters and for her mother in law for whom she cares while her husband is away fighting What she does not expect is that she will fall in love with one of the enigmatic German soldiers who take up residence in the house next door to her home As their relationship intensifies so do the pressures on Vivienne Food and resources grow scant and the restrictions placed upon the residents of the island grow with each passing week Though Vivienne knows the perils of her love affair with Gunther she believes that she can keep their relationship and her family safe But when she becomes aware of the full brutality of the Occupation she must decide if she is willing to risk her personal happiness for the life of a stranger Includes a reading group guide for book

clubs **Mosaic** Amy Grant, 2008-10-07 One of America's most popular music artists shares beautiful pieces of an unforgettable human mosaic revealing pieces of a life in progress With her unmistakable voice and honest lyrics Amy Grant has captured a unique place in American music As the bestselling Christian music artist of all time a crossover pop sensation and the wife of country music star Vince Gill Amy has lived much of her life in the spotlight subject to adulation speculation and scrutiny Now for the first time she bares her heart and soul to reveal thoughts on everything from motherhood and marriage to fame and forgiveness Whether describing personal moments alone on a moonlit hillside or very public ones performing with the likes of Tony Bennett and James Taylor Amy presents a captivating collection of beautiful reflections on life love and faith Includes Never Before Published Lyrics to New Songs Rendered with the lyrical insight we see in her music Amy reflects on the pieces of her life through the years forming a vivid mosaic of memories rich in color varied in texture and united in their heartfelt design Thanks to writing and remembering I'm re-inspired to value both the mundane and magical moments In trying to capture a few memories as best as I can I give myself the gift of treasuring what has been so far a very full and meaningful life I hope you will do the same with yours Amy Grant Amy Grant weaves original lyrics and poetry into a narrative patchwork of timeless candor in *Mosaic* The pieces of her life so far provide stunning inspiration for her beloved fans Mixing lighthearted reminiscences of her Tennessee childhood poignant scenes from her life as a wife and mother and down to earth insight from her celebrity stardom Amy invites you into her world and gently leads you to fresh insights about your own Amy's winsome personality and joyful authenticity radiate from each page welcoming you into the satisfying company of a warm and compassionate artist a woman who sees life through a unique and deeply personal lens Amy Grant got her start in the music business with a part time job sweeping up a Nashville music studio which provided the perfect opportunity to duplicate a tape of her original songs as a gift for her family A studio executive overheard her recordings and the rest is music history Since the surprising success of her debut album thirty years ago Amy has grown into a music legend with six Grammy Awards twenty six Dove Awards and six pop chart topping hits to her credit An inductee into the Gospel Music Association Hall of Fame she also was honored in 2006 with a star on the Hollywood Walk of Fame *Know No Boundaries* Lateral Collateral, 2014-04 It is neither a thesis nor it is a novel Not it is a fantasy not even a fairy tale With an event of mass disobedience we start No shot is fired no one is physically hurt On a sunny day at every airport of the world People queue up for check in with no visa in hand One and all in all the classes economy first or business No one had a visa world citizenship each like to harness No international flight takes off From Wellington where the day starts From other airports of New Zealand too No other plane departs Nowhere in the world from any airport Took off any International flight Following day was no different And the following night All airlines give up No end of the tunnel no ushering light The main suspect behind these events was John John's identity is however very clear To all passengers he is very dear For questioning his role in mass disobedience Arrested was John and served punishing sentence He was punished to undergo forensic probes

For extracting his memoir and his hopes To get the events that led him to his roles To his visions to cross boundary ropes

Assessing Children in the Urban Community Barbara L Mercer, Tricia Fong, Erin Rosenblatt, 2015-12-22 This book illuminates the process of child psychological assessment in community psychology through discussion theory and case studies of collaborative systemic treatment of children and their parents Assessing Children in the Urban Community presents a semi structured form of collaborative psychological assessment designed to help clients gain new insights and make changes in their lives Traditional psychological assessment focuses on diagnosis and treatment but has been slow to include contextual elements particularly social and cultural contexts into the assessment process and psychological report Clients receiving services in a community psychology clinic pay for their treatment through state welfare coverage They cannot choose their providers they cannot always determine the length and course of their mental health care they often do not have access to transportation to begin services to continue them or to take advantage of follow up recommendations The Therapeutic Assessment model is particularly adaptable to community psychology because it allows maximum interaction in the assessment process and promotes participation and collaboration in an often dis empowering system This book will be relevant to clinical psychologists community psychologists social workers family therapists graduate students in psychology social work marriage and family therapists and counseling programs

The Furies H. N. Levitt, 2006-07 Homer spoke of the Furies as avenging spirits who punished humans for the wrongs they did In a small bucolic upstate New York town in the present day six seemingly ordinary school children led by an inspiring hallucinatory girl among them commit a series of murders of strangers It doesn't take long for the lone detective on the force to put together what he and the Chief consider to be a strong case against six demons but what local and eventually national opinion regard as a bizarre attempt by inept small town police to cover up their inability to find the obvious serial killer National interest and concern generate a media circus and a trial but well before that the detective and the child leader engage in a battle of wits going far beyond the determinations of the case This struggle between them leads to the astonishing finding of the jury and the defiant final gesture of the girl

Women in Jamaican Music Heather Augustyn, 2020-06-09 As the ubiquitous Jamaican musician Bob Marley once famously sang half the story has never been told This rings particularly true for the little known women in Jamaican music who comprise significantly less than half of the Caribbean nation's musical landscape This book covers the female contribution to Jamaican music and its subgenres through dozens of interviews with vocalists instrumentalists bandleaders producers deejays and supporters of the arts Relegated to marginalized spaces these pioneering women fought for their claim to the spotlight amid oppressive conditions to help create and shape Jamaica's musical heritage

Max and Millie Start School Felicity Brooks, 2018 This title deals with all the excitement and anxiety young children can feel when starting school Millie thinks she knows exactly what's what but Max isn't so sure How do they get on their first day
