wrong when we should be looking in a mirror instead What if God has something to reveal to us there Perhaps we should be seeking the presence of Christ in our own reflections just as we look for him in the faces of the others Creatively weaving together stories memories journal entries and Scripture meditations on the divine face Aimee invites the church to seek the face of Christ by recovering the values of beauty contemplation and deep relationship The Effects of Music on Cognition and Action Marta Olivetti Belardinelli,Franco Delogu,Elvira Brattico,Cunmei Jiang,2022-03-18
