Millroy The Magician:

Millroy the Magician Paul Theroux, 1994 Fourteen year old Jilly Farina was enthralled with Millroy the Magician at the Barnstable County Fair After all he once turned a girl from the audience into a glass of milk and drank her But when Jilly stepped into the wickerwork coffin during a performance she had no idea he would transform her dreary life into something truly magical and a touch bizarre For Millroy was no ordinary magician He could smell the future and Jilly was going to be part of it Yet not even Millroy could foresee how far determination and a dream could take him as he and his new young assistant hit the road and the airwaves to save America s unhealthy appetite and floundering soul From the Trade Paperback edition

Ecuador Zimbabwe and Hawaii to name a few Gems of literary criticism reveal fascinating depth in the work of Henry David Thoreau Muriel Spark Joseph Conrad and Hunter Thompson And in a series of breathtakingly personal profiles we take a helicopter ride with Elizabeth Taylor go diagnosing with Oliver Sacks eavesdrop on the day to day life of a Manhattan dominatrix and explore New York with Robin Williams An extended meditation on the craft of writing binds together this wide ranging collection along with Theroux s constant quest for the authentic in a person or in a place The Lower River Paul Theroux,2012-05-22 Hock knows he is ensorcelled by exoticism but he can t help himself And as things go from bad to worse and the pages start to turn faster neither can we A Entertainment Weekly When he was a young man Ellis Hock spent four of the best years of his life with the Peace Corps in Malawi So when his wife of forty two years leaves him he decides to return to the village where he was stationed in search of the happiness he d been missing since he left But what he finds is not what he expected The school he built is a ruin the church and clinic are gone and poverty and apathy have set in among the people They remember Ellis and welcome him with open arms Soon however their overtures turn menacing they demand money and refuse to let him leave the village Is his new life an escape or a trap Theroux s bravely unsentimental novel about a region where he began his own grand career should become part of anybody s education in the continent Washington Post The Lower River is riveting in its storytelling and provocative in its depiction of this African backwater infusing both with undertones of slavery and cannibalism savagery and disease New York Times Book Review *On The Plain Of Snakes* Paul Theroux,2019-10-08 The legendary travel writer drives the entire length of the US Mexico border then takes the back roads of Chiapas and Oaxaca to uncover the rich layered world behind the everyday headlines Paul Theroux has spent his life crisscrossing the globe in search of the histories and peoples that give life to the places they call home Now as immigration debates boil around the world Theroux has set out to explore a country key to understanding our current discourse Mexico Just south of the Arizona border in the desert region of Sonora he finds a place brimming with vitality yet visibly marked by both the US Border Patrol to the north and mounting discord from within With the same humanizing sensibility that he employed in Deep South Theroux stops to talk with residents visits Zapotec mill workers in the highlands and attends a Zapatista party meeting communing with people of all stripes who remain south of the border even as family members brave the journey north From the writer praised for his curiosity and affection for humanity in all its forms The New York Times Book Review *On the Plain of Snakes* is an exploration of a region in conflict **Mr. Bones** Paul Theroux,2014-09-30 Suave and accomplished The stories are unsettling resistant to tidy denouement and faintly misanthropic Washington Post Beneath the deceptive elegance of these stories land mines lurk and Theroux detonates them with gusto O the Oprah Magazine A family watches their patriarch transform into the singing wisecracking lead of an old timey minstrel show An art collector publicly destroys his most valuable pieces Two boys stand by as their father wages war on the raccoons living under their house In this new collection acclaimed author Paul Theroux shows us humanity possessed consumed by compulsive desire

always with his carefully honed eye for detail and the subtle idiosyncrasies that bring his characters to life Searing dark and sure to unsettle Mr Bones is a stunning display of Theroux s fluent faintly sinister powers of vision and imagination The New Yorker Fans of Theroux s fiction will be pleased to observe in the twenty stories collected in Mr Bones clear evidence of how little he has mellowed over time Mr Bones is a series of characteristically dark and sharply focused snapshots from the world that Paul Theroux has observed and invented Francine Prose New York Times Book Review

The Stranger At The Palazzo D'oro And Other Stories Paul Theroux,2012-06-22 This is my only story Now that I am sixty I can tell it He the narrator was a twenty one year old art student traveling the world She was a countess apparently cold haughty and inaccessible traveling with Haroun her ambiguous companion When the young man makes their acquaintance at a hotel in Sicily he finds himself filled with unexpected lust and playing a part in something he doesn t quite understand Filled with Theroux s typically effortless but devastating descriptions of people and places The Stranger at the Palazzo d Oro is a brilliant portrayal of aging and decay a shocking tale of sensuality in a golden age The thrill and risk of pursuit and desire mark the accompanying stories of the sexual awakening and rites of passage of a Boston boyhood the ruin of a writer in Africa and the bewitchment of a retiree in Hawaii This is Paul Theroux at his most allusive and wise writing with a deep understanding of the frailties of men and boys

Picture Palace Paul Theroux,2014-10-21 Never a dull moment Vivid and deft New York Review of Books Maude Pratt is a legend a photographer famous for her cutting edge techniques and uncanny ability to strip away the masks of the world s most recognizable celebrities and luminaries Now in her seventies Maude has been in the public eye since the 1920s and her unparalleled portfolio includes intimate portraits of Gertrude Stein Hemingway and Picasso While Maude possesses a singular capability to expose the inner lives of her subjects she is obsessive about protecting her own hiding her deepest secret in the picture palace of her memory But when a young archivist comes to stay in Maude s Cape Cod home and begins sorting through her fifty years of work Maude is forced to face her past and come to terms at last with the tragedies she s buried A breathtaking tale Intangibly intricately brilliant
