Milltown Yank Matt Miller, 2004      **Milltown Yank** Matt Miller, 2002 The story of an eighteen year old baseball player who in 1930 leaves home for the first time to play for the St Louis Cardinals minor league and is assigned to their Middle Atlantic League affiliate in Scottdale Pennsylvania      **The Middle Atlantic League, 1925-1952** William E. Akin, 2015-08-17 The small and midsized cities of western Pennsylvania Ohio and West Virginia reached their peaks of population and prosperity in the second quarter of the 20th century The baseball teams from these towns formed the Middle Atlantic League the strongest circuit in the low minors and the one with the most alumni to advance to the majors This thorough history chronicles the MAL through three distinct phases from its 1925 inaugural season to its dissolution in 1952 During the first several seasons most clubs hung one step from financial disaster despite support from local communities Then the league flourished during the Great Depression as president Elmer Daily magically found investors and night baseball boosted working class attendance Now enjoying a modicum of financial stability and an infusion of young talent the clubs became talent farms for major league teams Both the league and its cities went into decline as the country underwent seismic cultural and economic shifts following World War II      *The Yank* John Crawley, 2022-09-06 1975 A young Irish American man joins an elite US Marine unit to get the most intensive military training possible then joins the Irish Republican Army during the days of some of the bloodiest fighting ever in the Irish British conflict The Irish Troubles were at a murderous fever pitch when John Crawley volunteered for the IRA Bloody Friday Bloody Sunday the bombing of the British Houses of Parliament and other deadly incidents had recently unfolded or were about to Civilian casualties were common as British soldiers Republican militants who wanted the UK out of Northern Ireland and Unionist police and militants who wanted to remain in the UK engaged in gun battles and car bombing throughout Northern Ireland The death toll numbered over 1 000 The IRA split over how to react between the old line IRA and the new Provisional IRA the Provos mostly impassioned young men who were not hesitant to resort to violence In a powerful brutally honest no holds barred recounting of his experience John Crawley details first the grueling challenges of his Marine Corps training then how he put his hard earned munitions and demolitions skills to use back in Ireland in service of the Provos It is a story that will see him running guns with notorious American mobster and secret IRA fundraiser Whitey Bulger running under cover of night from safe house to safe house in the Irish countryside one step ahead of British troops being captured imprisoned and being part of a mass escape attempt fending off a recruitment offer from the CIA and being one of the masterminds behind a campaign to take out London s electrical system Along the way Crawley is blisteringly candid about the memorable people he worked with including behind the scenes portrayals of revered IRA leader Martin McGuinness and of the psychopathic Whitey Bulger as well as others in the Boston IRA support network There are vivid portraits of colleagues and enemies and Crawley is unflinching in his commentary on IRA leadership and their tactics both military and political Through it all comes the
