Shawcross,1972 **Milton 1732-1861: the Critical Heritage** John T Shawcross,1972 **John Donne: The Critical Heritage** A.J. Smith,2002-09-11 Contains writings about John Donne from 1873 to 1923 including Henry Morley Edmund Gosse W F Collier Rudyard Kipling Charles Eliot Norton Henry Augustin Beers Thomas Hardy W B Yeats Ezra Pound T S Eliot and many others Together these works present a record of how from the nineteenth century onwards critics viewed Donne

and how he became part of today's literary canon **Sidney: The Critical Heritage** Dr Martin Garrett, Martin Garrett, 2002-09-11 First published in 1996 Routledge is an imprint of Taylor Francis an informal company **Johnson: the Critical Heritage** James T. Boulton, 1971 **Looking Into Providences** Raymond Waddington, 2012-10-19 What is the role of providence in *Paradise Lost*? In *Looking into Providences* Raymond B. Waddington provides the first examination of this engaging subject. He explores the variety of implicit organizational structures or designs that govern *Paradise Lost* and looks in depth at the trials or testing situations which require interpretation, choice and action from its characters. Waddington situates the poem within the context of providentialism's centrality to seventeenth-century thought and life, arguing that Milton's own conception of providence was deeply influenced by the theology of Jacob Arminius. Using Milton's Arminian conception of free will, he then looks at the providential trials experienced by angels and humans. Finally, the work explores the ways in which providentialism infiltrates various kinds of discourse ranging from military to medical and from political to philosophical.

Critical Companion to Jonathan Swift Paul J. DeGateno, R. Jay Stubblefield, 2014-05-14 Provides a comprehensive alphabetical reference to the life and work of Jonathan Swift.

Beautiful Sublime Leslie Moore, 1990-03-01 Sublime and Milton: no other pairing is used more frequently in early discussions of the author of *Paradise Lost*. Addison finds Milton's genius wonderfully turned to the Sublime. John Dennis calls Milton the sublimist of all our poets while Jonathan Richardson concludes that Milton's mind is truly poetical: Great, strong, elegant and sublime. Modern critics look askance at these sublime Miltonists who are charged with forcing *Paradise Lost* to take what was essentially a Restoration term and challenged it with an alternative aesthetic category: the beautiful. Though beauty did mark a certain generic stability in a Burkean sense, it came increasingly to represent generic transformation which in its most radical form recast the notion of a sublime Milton. It is this play of oxymorons—sublime epic and beautiful sublime—that marks the brilliance of the early eighteenth-century criticism of *Paradise Lost*. To explore the early eighteenth-century view of the sublime Milton, the author analyzes the work of five readers of *Paradise Lost* during the years 1701–34: Joseph Addison, the only writer of the five who attained any lasting fame; John Dennis, by far the most important and overlooked of the early Miltonists; Anne Finch, Countess of Winchelsea, author of a brilliant parody of Book 8 and of even more remarkable accounts of Eve; Jane Adams, a lyric poet from Scotland who reimagined the domestic hierarchy of Adam and Eve; and Jonathan Richardson, who attempted the first Christian interpretation of *Paradise Lost* and who authored the first biography of Milton as a sublime poet. Together, these critics represent the richness, cohesion and variety of the interpretive community reading *Paradise Lost* in the first decades of the eighteenth century.

The Age of Elizabeth in the Age of Johnson John T. Lynch, 2003 In *The Age of Elizabeth in the Age of Johnson* Jack Lynch explores eighteenth-century British conceptions of the Renaissance and the historical, intellectual and cultural uses to which the past was put during the period. Scholars, editors, historians, religious thinkers, linguists and literary critics of the period all defined themselves in relation to the last age or the age of Elizabeth. This interdisciplinary

study will be of interest to cultural as well as literary historians of the eighteenth century **Digressive Voices in Early Modern English Literature** Anne Cotterill, 2004-02-19 Digressive Voices in Early Modern English Literature looks afresh at major nondramatic texts by Donne Marvell Browne Milton and Dryden whose digressive speakers are haunted by personal and public uncertainty To digress in seventeenth century England carried a range of meaning associated with deviation or departure from a course subject or standard This book demonstrates that early modern writers trained in verbal contest developed richly labyrinthine voices that captured the ambiguities of political occasion and aristocratic patronage while anatomizing enemies and mourning personal loss Anne Cotterill turns current sensitivity toward the silenced voice to argue that rhetorical amplitude might suggest anxieties about speech and attack for men forced to be competitive yet circumspect as they made their voices heard

Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **Milton The Critical Heritage**

In some sort of inundated with displays and the cacophony of instant transmission, the profound power and mental resonance of verbal art usually fade into obscurity, eclipsed by the continuous onslaught of noise and distractions. However, set within the musical pages of **Milton The Critical Heritage**, a charming work of fictional brilliance that impulses with raw thoughts, lies an unique trip waiting to be embarked upon. Penned by a virtuoso wordsmith, that exciting opus courses visitors on a mental odyssey, lightly exposing the latent possible and profound influence embedded within the intricate web of language. Within the heart-wrenching expanse of this evocative evaluation, we will embark upon an introspective exploration of the book is key styles, dissect its charming writing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
