Novel, Transnationalism, and the Postmodern Era Susan Brantly, 2017-02-17 This volume explores the genre of the historical novel and the variety of ways in which writers choose to represent the past How does an author's nationality or gender impact their artistic choices To what extent can historical novels appeal to a transnational audience This study demonstrates how histories can communicate across national borders often by invoking or deconstructing the very notion of nationhood Furthermore it traces how the concerns of the postmodern era such as postmodern critiques of historiography colonialism identity and the Enlightenment have impacted the genre of the historical novel and shows this impact has not been uniform throughout Western culture Not all historical novels written during the postmodern era are postmodern The historical novel as a genre occupies a problematic yet significant space in Cold War literary currents torn between claims of authenticity and the impossibility of accessing the past Historical novels from England America Germany and France are compared and contrasted with historical novels from Sweden testing a variety of theoretical perspectives in the process This pitting of a center against a periphery serves to highlight traits that historical novels from the West have in common but also how they differ The historical novel is not just a local regional phenomenon but has become during the postmodern era a transnational tool for exploring how we should think of nations and nationalism and what a society should or should not look like Culture and Customs of Sweden Byron J. Nordstrom, 2010-07-01 This work is an in depth look at many aspects of

contemporary Swedish customs and culture that ties today's nation to an understanding of its history Culture and Customs of Sweden is an ideal introduction to this fascinating nation The book opens with a broad overview of the country and then examines specific themes such as religion marriage family gender issues education holidays popular customs sports and leisure media literature performing arts art and architecture Throughout the author seeks to strike a balance between the history of these many aspects of contemporary Sweden and what is happening there today at a time when Sweden is undergoing many profound changes For example the chapter on literature looks at both the development of Swedish literature since the Middle Ages and at current interests themes and writers Each of the themes covered is central to introducing both Sweden's past and its present facilitating the kind of understanding that is so important in this ever shrinking world *My Sweet Heart* Ann Fernholm, 2015-10-13 As gripping as a thriller and accessible for people without any scientific education wrote the biggest Swedish broadsheet Dagens Nyheter when *My Sweet Heart* was released in 2012 The book has been fundamental in the rise of the low carb movement in Sweden where the debate surrounding low fat diets

has been raging for almost a decade Inspired by a woman with type 2 diabetes who using a strict low carb diet was able to stop taking insulin injections and lost 42 kilos in weight science writer Ann Fernholm PhD in Molecular Biotechnology started to examine the science behind low fat dietary advice Why should people who need injections to reduce blood sugar fill their plates with carbohydrates that raise blood sugar levels Like a mystery writer she unravels the story of how in the mid 1900s research took a wrong turn Piece by piece she also puts together the puzzle surrounding ill health Why are abdominal fat and type 2 diabetes so dangerous Why do they increase the risk of heart disease cancer and dementia What she discovers is that high blood sugar and high insulin levels are real villains in many major public health problems Readers appreciate Ann Fernholm for her factual depth at the same time as she has a unique ability to describe science in an understandable lively manner My Sweet Heart has received unanimously good reviews in Sweden and has been a turning point in many people s lives

Mina drömmars stad Per Anders Fogelström,2007 *A History of Swedish Literature* Lars G. Warme,1996-01-01 Volume 3 [The Nordic Civil Sphere](#) Jeffrey C. Alexander,Anna Lund,Andrea Voyer,2020-01-07 The civil sphere is a distinctively democratic field in modern societies one that sustains universalizing cultural aspirations and organizational structures and that has tense and uncertain boundaries with other spheres of social life like the economy religion family and state Unlike the latter which are more particularistic and hierarchical in character the civil sphere defines itself in terms of solidarity the feeling of being connected with every other person in the collectivity The utopian ideals of democratic solidarity shape every modern society even if they are often compromised by the messy realities of social life This volume uses the theory of the civil sphere to shed new light on Nordic societies while at the same time drawing on the distinctive experiences of the Nordic nations to reflect on and advance the theory of the civil sphere Nordic societies have long been admired for creating a distinctive form of social democracy but this admirable achievement has not been well conceptualized theoretically Most attempts to explain Nordic social democracy focus on material and organizational factors This volume by contrast emphasizes the cultural foundations and characteristics of social democracy demonstrating how civil sensibilities are necessary for the creation of an egalitarian and democratic state Nordic civil spheres however are not only pro civil but also white in color European in ethnicity secular in character and gender equal in a subtly restrictive manner Such primordialization of state civility is vividly on display in the sometime tense relationships that develop among natives and foreigners in Nordic countries relationships that expose the primordial undersides of the social democratic codes and civil values that constitute the Nordic civil sphere A major contribution to the theory of the civil sphere and to our understanding of the cultural and normative underpinnings of social and political life this volume will be of particular interest to students and scholars of sociology and politics

Fogelström,2015-12-01 Strax före första världskrigets utbrott avreste det nygifta unga paret Arthur och Naomi till det ryska storfurstendömet Finland och bosatte sig i Helsingfors där Arthur arbetade vid ASEA. När senare fick han anställning i Petrograd. Efter revolutionen 1917 blev familjerna i staden så svåra att familjen måste fly till Viborg på Karelska näset där man vistades de närmaste fyra åren. När det blev dags att återvända till Stockholm beslöt Arthur att lämna familjen för att börja ett nytt liv i USA. Han ville ta sin son med sig, dottern skulle stanna hos modern. Men i Amerika väntade depressioner och nya misslyckanden. Både barnen blev kvar hos sin mor i Stockholm och hon fick klara dem och sig själv utan hjälp från mannen. Naomi var liten och späd. Men hon gjorde en mjuk uthållighet och kraften som skulle stå djupa spår hos hennes son. Han fick uppleva hur hon vervann motstånd och verbryggade motsättningar för att till sist också tervinna sig själv. Rötter och miniskov rörde. Och till bostaden på det fattiga Södermalm kom breven från fadern som sjuk och försvunnen drömde om att återse sina barn. Under många år kände sonen undran och oro när någon ringde på dörren. Kunde det vara Pappa som kom? Hem till sist återföregstark och förngslande skildring av Per Anders Fogelströms förlärders och hans egen barn och ungdomstid. Att en dag vakna

Per Anders Fogelström,2015-12-01 Det är mycket som hinner inträffa på ett år. Många dagar som hinner fullbordas eller glida in på nya spår. Bokhandelsynglingen Robban hinner gå igenom många besvärigheter innan han finner kyleken med flickan Greta. Redaktör Berggren som är redaktör för ett pornografiblad och en hållningslös olycklig minniska redan på glid utför blir falskt anklagad för ett brott, en anklagelse som blir hans ruin. Britta går under i sin jakt på de ting som för henne innebär livets lycka, lyx och vackra kläder. Tosses kampar trots bakslag vidare för sin idom, en minniskovrdigare tillvaro där minniskor har tankar och funderingar till vers för andra. När den egna personen Per Anders Fogelströms romandebut från 1949 är indelad i fyra avsnitt och skildrar huvudpersonerna under en dag i varje röst. Att en dag vakna är en roman om 1940-talets Söderungdom skriven av en Södergrabb som utan och innan kände sin stadsdel och dess minniskor. En enkel till Amerika

Marie-Louise Marc,2021-09-01 Det är 50 år i Flen och unga Ingrid långtar ut i världen. Jobbet på det lokala konditoriet ger pengar till hyran men det Ingrid drömmer mest om är att skapa festkläder. Hon lård sig tidigt att säga men vet inte hur hon ska förvandla drömmarna till ett yrke. Tillsammans med sin bästa väninna går hon en bussresa till Paris för att ta croissanter och dansa men det dröjer inte länge innan hon möter amerikanen John som också är på besök. Attraktionen är omedelbar och Ingrid förlovar sig. Handlsten går månaderna senare befinner sig Ingrid på den lyxiga Amerikabåten M/S Stockholm till New York med en enkelbiljett i handen. John har friat och Ingrid kastas in i en helt ny värld, en värld som inkluderar nya traditioner, relationer och upplevelser. Men vardagen på andra sidan Atlanten är svårare. När hon möter och Ingrid slits snart mellan sitt gamla och nya liv. Var har hon hemma? Allt stöter på sin spets när hon minst anar det. En enkel till Amerika är en varm och känslöstark roman om att kasta loss i livet och att våga följa sitt hjärta. Marie-Louise Marc har tidigare skrivit trilogin om Betty och den omtyckta romanen Juli juli halva augusti. Det här är hennes första historiska roman som är inspirerad av hur hennes egna förlärdar träffades på 50-talet.
