Mind Of Ones Own Feminist Essays On Reason And Objectivity

Alison Jeffries

Mind Of Ones Own Feminist Essays On Reason And Objectivity:

A Mind Of One's Own Louise Antony, 2018-03-08 With philosophy so steeped in patriarchal tradition how is it possible for feminists to work within it In this volume 13 feminist theorists discuss whether traditional ideals of objectivity and rationality should be given a place within the committed feminist view of philosophy and the world

A Mind of One's Own Louise Antony, Charlotte Witt, 2019-08-30 A book of tremendous influence when it first appeared A Mind of One's Own reminded readers that the tradition of Western philosophy in particular the ideals of reason and objectivity has come down to us from white males nearly all of whom are demonstrably sexist even misogynist In this second edition the original authors continue to ask What are the implications of this fact for contemporary feminists working within this tradition The second edition pursues this question about the value of reason and objectivity in new directions using the fresh perspectives and diverse viewpoints of the new generation of feminist philosophers A Mind of One's Own is essential reading and an essential reference for philosophers and for all scholars and students concerned about the nature of knowledge and our pursuit of it

A Mind Of One's Own Louise Antony, Charlotte Witt, 2002-01-02 A book of tremendous influence when it first appeared A Mind of One's Own reminded readers that the tradition of Western philosophy in particular the ideals of reason and objectivity has come down to us from white males nearly all of whom are demonstrably sexist even misogynist In this second edition the original authors continue to ask What are the implications of this fact for contemporary feminists working within this tradition The second edition pursues this question about the value of reason and objectivity in new directions using the fresh perspectives and diverse viewpoints of the new generation of feminist philosophers A Mind of One's Own is essential reading and an essential reference for philosophers and for all scholars and students concerned about the nature of knowledge and our pursuit of it

Feminist Reflections on the History of Philosophy Lilli Alanen, Charlotte Witt, 2006-01-17 Feminist work in the history of philosophy has come of age as an innovative field in the history of philosophy This volume marks that accomplishment with original essays by leading feminist scholars who ask basic questions What is distinctive of feminist work in the history of philosophy Is there a method that is distinctive of feminist historical work How can women philosophers be meaningfully included in the history of the discipline Who counts as a philosopher This collection is a unique collaboration among philosophers from North America and the Nordic Countries including papers written from both analytic and continental philosophical perspectives and discussing both ancient and modern philosophers Feminist Reflections on the History of Philosophy will be of interest to historians of philosophy feminist theorists women's studies faculty and students and humanists interested in canon formation and transformation

Women's Voices, Women's Rights Alison Jeffries, 2021-11-28 Six key scholars present a feminist critique of the theory of human rights The title of this volume Womens Voices Womens Rights might be taken innocently to indicate its contents a set of lectures given by women on the rights of women on the failure to achieve those rights and on the reasons and remedies for those failures However it

also implies that women's rights are not simply the extension to all members of the community of the agreed upon rights of men. Is to speak in a woman's voice to speak in a different voice. Each lecture explores the values of Western societies and the sources of the oppression of women within them while many also provide a political contribution to the argument over the international context in which women's status seems to be under constant threat. The lectures rest on a shared commitment to the dignity, humanity and unique individuality of each human person. A tenet that underpins the human rights movement provides the moral impetus for feminism and indeed is the motivating force behind Amnesty International's campaigning on behalf of political prisoners world wide. Ultimately the contributors show us that to speak from the perspective of women to adopt a woman's voice is to enrich our understanding of the rights of all.

Is Philosophy Androcentric? Iddo

Landau, 2009-03-02 In *Is Philosophy Androcentric?* Iddo Landau contends that none of the arguments for viewing philosophy as pervasively androcentric ultimately stand up to rational scrutiny while the ones that show it to be nonpervasively androcentric do not undermine it in the way that many critics have supposed. Philosophy emerges in almost all of its parts, he concludes as human rather than male and most parts and aspects of it need not be rejected or rewritten.

Knowledge and Inquiry K. Brad Wray, 2002-05-23 This anthology focuses on three areas in the theory of knowledge: epistemic justification, analyses of knowledge and scepticism and recent developments in epistemology. Each of the three sections includes a brief introduction to the readings, a series of study questions and a list of suggested readings. Section 1 deals with coherentism, foundationalism, reliabilism and includes articles by Chisholm, Bonjour, Audi, Goldman and Fumerton. Section 2 deals with the analysis of knowledge and Gettier problems and a variety of forms and responses to scepticism; it includes articles by Gettier, Conee, Feldman, Putnam, Nagel and Stroud. Section 3 introduces the reader to recent developments in naturalized feminist and social epistemology and includes articles by Quine, Almeder, Putnam, Anderson, Harding, Longino, Hardwig, Rorty and Kitcher.

Scientific Imperialism

Uskali Mäki, Adrian Walsh, Manuela Fernández Pinto, 2017-10-16 The growing body of research on interdisciplinarity has encouraged a more in depth analysis of the relations that hold among academic disciplines. In particular the incursion of one scientific discipline into another discipline's traditional domain, also known as scientific imperialism, has been a matter of increasing debate. Following this trend *Scientific Imperialism* aims to bring together philosophers of science and historians of science interested in the topic of scientific imperialism and in particular interested in the conceptual clarification, empirical identification and normative assessment of the idea of scientific imperialism. Thus this innovative volume has two main goals. Indeed the authors first seek to understand interdisciplinary relations emerging from the incursion of one scientific discipline into one or more other disciplines such as in cases in which the conventions and procedures of one discipline or field are imposed on other fields or more weakly when a scientific discipline seeks to explain phenomena that are traditionally considered proper of another discipline's domain. Secondly the authors explore ways of distinguishing imperialistic from non imperialistic interactions between disciplines and research fields. The first sustained

study of scientific imperialism this volume will appeal to postgraduate students and postdoctoral researchers interested in fields such as Science and Technology Studies Sociology of Science Technology Philosophy of Science and History of Science

Virtuous Liaisons Raja Halwani, 2003 Author Raja Halwani discusses how virtue ethics illuminates the three central areas of our lives care love and sex which are often considered to be crucial to a well lived life Halwani concludes that virtue ethics allows for those sexual lifestyles that are deemed by traditional morality to be wrong promiscuity open relationships and sex work which boldly counters the conservative viewpoint of many virtue ethicists This argument about the relationship between romantic love and virtue also examines the works of other philosophers *Only Natural* Louise Antony, 2022-08-26

This volume showcases the work of philosopher Louise Antony and her influential contributions to feminist and analytic philosophy epistemology and the philosophy of mind Her broadly interdisciplinary work brings a naturalistic perspective to philosophical issues of both theoretical and practical importance and center on a key theme whether and how facts about human embodiment ought to constrain philosophical theories Antony argues that feminist criticisms of analytic epistemology have brought to light some serious limitations of mainstream approaches to the theory of knowledge and that a naturalistic approach to epistemology is called for In Part One of this volume she considers the relationship between feminism and analytic philosophy of mind and language with special attention to speech act theories of pornography In Part Two she defends naturalized epistemology both as a correct approach to the study of human knowledge and as a useful tool for progressive activists in the struggle for social justice And in Part Three she confronts nature nurture debates particularly as these erupt in debates about gender and racial equality Throughout the volume she makes the case for a philosophical method informed by empirical science Collecting these articles alongside a new introduction reveal the underlying unity and impressive power of Antony's work over several decades Groundbreaking at the time of their publication and more relevant today this collection will be of interest to a wide range of philosophical readers *Philosophy of Science* Yuri

Balashov, Alexander Rosenberg, 2002 This comprehensive anthology draws together writings by leading philosophers of science and will prove invaluable for any philosophy of science course *The Powers of Distance* Amanda

Anderson, 2018-06-05 Combining analysis of Victorian literature and culture with forceful theoretical argument *The Powers of Distance* examines the progressive potential of those forms of cultivated detachment associated with Enlightenment and modern thought Amanda Anderson explores a range of practices in nineteenth century British culture including methods of objectivity in social science practices of omniscience in artistic realism and the complex forms of affiliation in Victorian cosmopolitanism Anderson demonstrates that many writers including George Eliot John Stuart Mill Charlotte Brontë Matthew Arnold and Oscar Wilde thoughtfully address the challenging moral questions that attend stances of detachment In so doing she offers a revisionist account of Victorian culture and a tempered defense of detachment as an ongoing practice and aspiration *The Powers of Distance* illuminates its historical object of study and provides a powerful example for its theoretical

argument showing that an ideal of critical detachment underlies the ironic modes of modernism and postmodernism as well as the tradition of Enlightenment thought and critical theory Its broad understanding of detachment and cultivated distance together with its focused historical analysis will appeal to theorists and critics across the humanities particularly those working in literary and cultural studies feminism and postcolonialism Original in scope and thesis this book constitutes a major contribution to literary history and contemporary theory Kantian Perspectives on Issues in Ethics and Bioethics Lina Papadaki,2019-05-07 This book provides an analysis of major ethical and bioethical issues like euthanasia suicide organ commerce and donation sexual objectification and abortion from the perspective of Kant s moral theory It deals with questions such as Is the person who decides to commit suicide autonomous Is euthanasia compatible with respect for humanity and dignity Can a person s choice to sell one of her kidneys be free Does the prostitute reduce herself to a mere sexual object through satisfying her clients desires Can the fetus potential for rational agency constitute an argument against abortion Without doubt Kant s is one of the most important moral theories The task of applying it to issues that concern us today leaves us with a sense of satisfaction that it has a lot to offer to contemporary philosophical thought **Philosophy of Love, Sex, and Marriage** Raja Halwani,2010-05-26 How is love different from lust or infatuation Do love and marriage really go together like a horse and carriage Does sex have any necessary connection to either And how important are love sex and marriage to a well lived life In this lively lucid and comprehensive textbook Raja Halwani pursues the philosophical questions inherent in these three important aspects of human relationships exploring the nature uses and ethics of romantic love sexuality and marriage The book is structured in three parts Love begins by examining how romantic love differs from other types of love such as friendship and parental love It asks which properties of love are essential whether people have a choice in whom they love and whether lovers have moral obligations to one another that differ from those they owe to others Sex demonstrates the difficulty in defining sex and the sexual and examines what constitutes good and bad sex in terms of pleasure naturalness and moral permissibility It offers theoretical and applied ethical approaches to a wide range of sexual phenomena Marriage traces the history of the institution and describes the various forms in which marriage exists and the reasons why people marry It also surveys accounts of why people should or should not marry and introduces the main arguments for and against gay marriage Features include suggestions for further reading online eResource site with downloadable discussion questions a clear jargon free writing style The Cambridge Companion to Rawls Samuel Freeman,2002-11-04 Each volume of this series of companions to major philosophers contains specially commissioned essays by an international team of scholars and will serve as a reference work for students and nonspecialists John Rawls is the most significant and influential philosopher and moral philosopher of the twentieth century His work has profoundly shaped contemporary discussions of social political and economic justice in philosophy law political science economics and other social disciplines In this exciting collection of essays many of the world s leading political and moral theorists discuss the full

range of Rawls's contribution to the concepts of political and economic justice, democracy, liberalism, constitutionalism, and international justice. There are also assessments of Rawls's controversial relationships with feminism, utilitarianism, and communitarianism. New readers will find this to be an accessible guide to Rawls. Advanced students and specialists will find a conspectus of developments in the interpretation of Rawls.

The Cambridge Companion to Feminism in Philosophy Miranda Fricker, Jennifer Hornsby, 2000-01-27 The thirteen specially commissioned essays in this volume are written by philosophers at the forefront of feminist scholarship and are designed to provide an accessible and stimulating guide to a philosophical literature that has seen massive expansion in recent years. Ranging from history of philosophy through metaphysics to philosophy of science, they encompass all the core subject areas commonly taught in Anglophone undergraduate and graduate philosophy courses, offering both an overview of and a contribution to the relevant debates. Together they testify to the intellectual value of feminism as a radicalizing energy internal to philosophical inquiry. This volume will be essential reading for any student or teacher of philosophy who is curious about the place of feminism in their subject.

Citadels of Pride: Sexual Abuse, Accountability, and Reconciliation Martha C. Nussbaum, 2021-05-11 A groundbreaking exploration of sexual violence by one of our most celebrated experts in law and philosophy. In this essential philosophical and practical reckoning, Martha C. Nussbaum, renowned for her eloquence and clarity of moral vision, shows how sexual abuse and harassment derive from using people as things to one's own benefit. Like other forms of exploitation, they are rooted in the ugly emotion of pride. She exposes three Citadels of Pride and the men who hoard power at the apex of each. In the judiciary, the arts, and sports, Nussbaum analyzes how pride perpetuates systemic sexual abuse, narcissism, and toxic masculinity. The courage of many has brought about some reforms, but justice is still elusive, warped sometimes by money, power, or inertia, sometimes by a collective desire for revenge. By analyzing the effects of law and public policy on our ever-evolving definitions of sexual violence, Nussbaum clarifies how gaps in U.S. law allow this violence to proliferate, why criminal laws dealing with sexual assault and Title VII, the federal law that is the basis for sexual harassment doctrine, need to be complemented by an understanding of the distorted emotions that breed abuse, and why anger and vengeance rarely achieve lasting change. *Citadels of Pride* offers a damning indictment of the culture of male power that insulates high-profile abusers from accountability. Yet Nussbaum offers a hopeful way forward, envisioning a future in which, as survivors mobilize to tell their stories and institutions pursue fair and nuanced reform, we might fully recognize the equal dignity of all people.

Out from the Shadows Sharon L. Crasnow, Anita M. Superson, 2012-03-15 This collection draws together 18 papers on topics in standard areas of traditional analytical philosophy, written from a feminist perspective. It brings out traditional philosophy by challenging it in a constructive, socially critical way that is essential for philosophy's fundamental goal of pursuing truth that matters.

A Social History of Analytic Philosophy Christoph Schüringa, 2025-05-13 Analytic philosophy is the leading form of philosophy in the English-speaking world. What explains its continued success? Christoph Schüringa argues that its

enduring power can only be understood by examining its social history Analytic philosophy tends to think of itself as concerned with eternal questions transcending the changing scenes of history It thinks of itself as apolitical This book however convincingly shows that the opposite is true The origins of analytic philosophy are in a set of distinct movements shaped by highly specific sets of political and social forces Only after the Second World War were these disparate often dynamic movements joined together to make analytic philosophy as we know it In the climate of McCarthyism analytic philosophy was robbed of political force To this day analytic philosophy is the ideology of the status quo It may seem arcane and largely removed from the real world but it is a crucial component in upholding liberalism through its central role in elite educational institutions As Schuringa concludes the apparently increasing friendliness of analytic philosophers to rival approaches in philosophy should be understood as a form of colonization thanks to its hegemonic status it reformat all it touches in service of its own imperatives going so far as to colonize decolonial efforts in the discipline

Essays in Defence of the Female Sex Manuela D'Amore, Michèle Lardy, 2014-07-24 Letters diaries memoirs conduct books and early feminist pamphlets Essays in Defence of the Female Sex Custom Education and Authority in Seventeenth Century England is a two part text based volume on the pivotal figures and most distinctive sometimes contradictory aspects of the querelle des femmes in Stuart England Background information is given through male and especially female authored sources while the close analysis of Hanna Woolley's Bathsua Makin's Marry Astell's Judith Drake's and Eugenia's most renowned tracts sheds light on women's difficult path towards emancipation Addressed to both specialist and non specialist readers Essays in Defence of the Female Sex will also explain why and to what extent early feminist pamphleteering combined theory with practice tradition with innovation reality with utopia

Embracing the Tune of Phrase: An Emotional Symphony within **Mind Of Ones Own Feminist Essays On Reason And Objectivity**

In a global eaten by monitors and the ceaseless chatter of quick connection, the melodic splendor and psychological symphony created by the written word frequently disappear in to the back ground, eclipsed by the persistent sound and distractions that permeate our lives. However, located within the pages of **Mind Of Ones Own Feminist Essays On Reason And Objectivity** an enchanting fictional value brimming with fresh thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, that charming masterpiece conducts readers on an emotional trip, skillfully unraveling the hidden songs and profound influence resonating within each carefully crafted phrase. Within the depths of the touching assessment, we will examine the book is main harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Mind Of Ones Own Feminist Essays On Reason And Objectivity Introduction

In today's digital age, the availability of Mind Of Ones Own Feminist Essays On Reason And Objectivity books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mind Of Ones Own Feminist Essays On Reason And Objectivity books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mind Of Ones Own Feminist Essays On Reason And Objectivity books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mind Of Ones Own Feminist Essays On Reason And Objectivity versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mind Of Ones Own Feminist Essays On Reason And Objectivity books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mind Of Ones Own Feminist Essays On Reason And Objectivity books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain,

meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mind Of Ones Own Feminist Essays On Reason And Objectivity books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mind Of Ones Own Feminist Essays On Reason And Objectivity books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mind Of Ones Own Feminist Essays On Reason And Objectivity books and manuals for download and embark on your journey of knowledge?

FAQs About Mind Of Ones Own Feminist Essays On Reason And Objectivity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mind Of Ones Own Feminist Essays On Reason And Objectivity is one of the best book in our library for free trial. We provide copy of Mind Of Ones Own Feminist

Essays On Reason And Objectivity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Mind Of Ones Own Feminist Essays On Reason And Objectivity. Where to download Mind Of Ones Own Feminist Essays On Reason And Objectivity online for free? Are you looking for Mind Of Ones Own Feminist Essays On Reason And Objectivity PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Mind Of Ones Own Feminist Essays On Reason And Objectivity. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Mind Of Ones Own Feminist Essays On Reason And Objectivity are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Mind Of Ones Own Feminist Essays On Reason And Objectivity. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Mind Of Ones Own Feminist Essays On Reason And Objectivity To get started finding Mind Of Ones Own Feminist Essays On Reason And Objectivity, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Mind Of Ones Own Feminist Essays On Reason And Objectivity So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Mind Of Ones Own Feminist Essays On Reason And Objectivity. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Mind Of Ones Own Feminist Essays On Reason And Objectivity, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Mind Of Ones Own Feminist Essays On Reason And Objectivity is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Mind Of Ones Own Feminist Essays On Reason And Objectivity is universally compatible with any devices to read.
