 Bhatia,2019-05-24 Most of us do the fatal mistake of looking outwards for happiness rather than looking inwards Be positive  
 be strong be bold and be courageous you are sure to find the feeling of happiness within you Even if we are having a bad day  
 think of some good things that may come our way either later that day tomorrow next week or next moment When everything  
 seems to be beyond our control it s almost too easy for us to slip into the grasp of negativity and unhappiness To avoid  
 sadness we must strive to abolish this sort of thinking through the power of thinking positively and generate the feeling of  
 happiness within The art of sweet living is not a complicated kind of art difficult to learn rather a simple art of happy living  
 feeling well eating well and thinking well What we need to do is just to tune up our mind to enjoy every moment of life and let  
 the sweet happiness follow us This is something that needs to be looked into thoroughly We need to focus on the positive  
 aspects of lives rather than on the negative setbacks and enjoy every moment of life happily and merrily Enjoy your life with  
 cheerful talks Be happy and cheerful We must remember that happy living is the reward of sweet and positive thinking
