Stoltz,2011-05-31

The right mindset can make you three times more likely to get the job you want and even less likely to lose it later What does it take to get and keep the job you want Ninety six percent of employers argue that it s not just about having the right skills for the position it s all about the right mindset As two leading experts on the subject Reed and Stoltz know what employers really want from the people they hire and keep According to their extensive and globally acclaimed research there is a specific set of mental traits that will make you exponentially more desirable to potential employers and more likely to succeed and enjoy your job once you re hired This 3G Mindset is Global the openness and big picture perspective to compete on a global scale in any job Good a positive force with an unwavering moral compass Grit the tenacity and resilience to thrive on adversity The authors reveal why employers are three times more likely to hire people with the right mindset over those who are more qualified on paper This book provides an actionable approach for both assessing and developing these essential traits **Mindset Rewiring Guide** Lila Santoro,AI,2025-03-15 Mindset Rewiring Guide offers a practical approach to transforming your internal dialogue through mindset rewiring It introduces cognitive restructuring a method to dissect negative thought patterns and belief system assessment which helps uncover the core beliefs driving behavior Grounded in positive psychology the book emphasizes that mindset isn t fixed but a skill to cultivate Did you know that cognitive behavioral therapy CBT a cornerstone

of the book's techniques emerged in the latter half of the 20th century. Or that neuroscience reveals how thought patterns can physically alter neural pathways. The book guides you step by step, starting with fundamental principles and self-assessment tools. It progresses to specific techniques like thought journaling, affirmations, and visualization to challenge negative thoughts and build empowering beliefs. Real-world case studies illustrate how to apply these concepts for mental well-being and personal growth, making it a valuable resource for anyone seeking to overcome limiting beliefs.
