Ridenour, 2019-05-03 Finding unity with Christ is not a given it depends on turning the ego that provides our sense of experiencing ourselves as a unique being into an instrument of loving perception that connects with other beings Learning to do this makes the path to Christ a path of self knowledge where the freedom to make mistakes and consequent error lets us see ourselves with humility as we come to know how to bring love into what we say and do From the Introduction In order for human beings to progress

contends the author we can no longer rely on outer authority in the form of dogma power and control Rather we need to find spiritual and creative solutions from within Fundamentally we should discover what makes us truly human and not merely animal The direction of this book is to indicate how this may be addressed in artistic and imaginative terms that touch the powder so to speak with a different fire that ignites a different future With *Meditations* Michael S Ridenour provides a fresh and varied look at themes explored in his recent book *The Greatest Gift Ever Given* The more meditative intimate format of this short volume allows content and mode of expression to complement each other by expanding these themes into realms of individual experience Part One does this by making use of a shorter poetic commentary presentation allowing greater variety and flexibility of focus Part Two builds on paths of individual initiation from the esoteric Christian tradition showing how they address contemporary concerns for greater spiritual awareness and a more perceptive quality of consciousness *Meditations* is a thoughtful work that offers support for understanding and practising the contemporary spiritual path Sylvia & Michael: The later adventures of Sylvia Scarlett Compton MacKenzie,2022-09-16 DigiCat Publishing presents to you this special edition of Sylvia Michael *The later adventures of Sylvia Scarlett* by Compton MacKenzie DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature **Body, Language, and Mind** Tom Ziemke,Jordan Zlatev,Roslyn M.
