Mind Games Annie Vernon, 2019-03-21 WINNER OF THE TELEGRAPH SPORTS BOOK AWARDS 2020 GENERAL OUTSTANDING SPORTS WRITING A fascinating book about the psychology of elite sport *Mind Games* explores compelling territory Don McRae the Guardian An amazing book that I very much enjoyed Simon Mundie Don t Tell Me the Score BBC Podcast a fascinating book Daily Mail It s well known that to reach the top in elite sport you need to have spent years honing and perfecting your physical ability However this is only part of the template required to win the other half is about mind games Throughout her career as one of the world s top athletes Annie Vernon struggled with existential questions about the purpose of sport in our comfortable first world society Why do we do it What is it in our psyche that makes us push ourselves to the limit What allows us to mentally overcome the physical pain Now retired from competition Olympic silver medallist and world champion rower Annie Vernon has decided to look for answers to these questions Drawing on her personal experiences and interviews with some of the best coaches athletes and psychologists from across the world of sport including Lucy Gossage Katherine Grainger Matthew Pinsent Brian Moore Brian Ching and Dr Steve Peters Annie discovers the secrets of how athletes train their brains in order to become world beaters Annie debunks the myth that elite performers are universally cool calm and brimming with self assurance Through exploring the bits on the inside that nobody can see Annie instead creates a new understanding of what it takes to be successful in sport and uncovers that in fact an elite athlete is not that different from you and me It s simply a question of mind games

Mind Games Sir Jeff Grout, Sir Sarah Perrin, 2010-02-12 What makes a winner in business or in sport Why do some people consistently break sales targets cross the line first or hammer the ball in the net with pinpoint accuracy Natural talent and disciplined training are vital But with two equally matched professionals something else makes the difference that provides that extra champion factor the mind *Mind Games* looks into the mental processes of sporting stars identifying the attitudes and approaches that enable them to achieve peak performance every time and applies them specifically to the world of business What are the key mental characteristics that make some people come out on top How do winners channel adrenaline into controlled power while losers choke What do sportsmen and women mean when they talk about the inner game being in the zone or being in the now What is it that coaches do to realise the potential they see What are the lessons that business winners need to learn from sport s superstars *Mind Games* has the full involvement of over 30 sporting household names including Sven Goran Eriksson Matthew Pinsent Clive Woodward Nick Faldo Jonny Wilkinson The authors draw on extensive first hand experiences of acknowledged sporting champions across a range of sports identifying personal techniques proven to have worked under the pressure of top level competition They also draw on the expertise of professional coaches and psychologists who have worked with sportsmen and women
