his life as a lawyer distinguished law professor and legal scholar      The Beats and the Academy Erik Mortenson, Tony Trigilio, 2023-04-01 *The Beats and the Academy* marks the first sustained effort to train a scholarly eye on the dynamics of the relationship between Beat writers and the academic institutions in which they taught Rather than assuming the relationship between Beat writers and institutions of higher education was only a hostile one *The Beats and the Academy* begins with the premise that influence between the two flows in both directions Beat writers suspicion of established institutions was a significant aspect of their postwar countercultural allure Their anti establishment aesthetic and countercultural stance led Beat writers to be critical of postwar academic institutions that tended to dismiss them as a passing social phenomenon Even today Beat writing still meets resistance in an academy that questions the relevance of their writing and ideas But this picture like any generalization is far too easy The Beat relationship to the academy is one of negotiation rather than negation Many Beats strove for academic recognition and quite a few received it And despite hostility to their work both in the postwar era and today Beat works have made it into syllabi conference presentations journal articles and monographs *The Beats and the Academy* deepens our understanding of this relationship by emphasizing how institutional friction between the Beats and institutions of higher education has shaped our understanding of Beat Generation literature and culture and what this relationship between Beat writers and the academy might suggest about their legacy for future scholars      *Panics and Persecutions* Quillette Magazine, 2021-03-31 In an age when telling the wrong joke or using the wrong pronoun can cost you your career Quillette magazine founded in 2015 by Australian based journalist Claire Lehmann has provided a forum for thinkers of all political stripes to push back against the forces of intellectual conformity *Panics and Persecutions* brings together a collection of especially compelling Quillette narratives spanning subcultures from computer science to romance literature These stories lay bare the human toll of modern ideological inquisitions often in deeply personal terms and demonstrate the urgency of Quillette's editorial mission to create a space where free thought lives Edited by Claire Lehmann Colin Wright Jamie Palmer Jonathan Kay and Toby Young      The Routledge Handbook of International Beat Literature A. Robert Lee, 2018-05-16 Beat literature Have not the great canonical names long grown familiar Ginsberg Kerouac Burroughs Likewise the frontline texts still controversial in some quarters assume their place in modern American literary history *On the Road* serves as Homeric journey epic *Howl* amounts to Beat anthem confessional outcry against materialism and war *Naked Lunch* with its dark satiric laughter envisions a dystopian world of power and word virus But if these are all essentially America centered Beat has also had quite other literary exhalations and which invite far more than mere reception study These are voices from across the Americas of Canada and Mexico the Anglophone world of England Scotland or Australia the Europe of France or Italy and from the Mediterranean of Greece and the Maghreb and from Scandinavia and Russia together with the Asia of Japan and China This anthology of essays maps relevant other kinds of Beat voice names texts The scope is hemispheric Atlantic and Pacific West and East It gives recognition to the Beat

inscribed in languages other than English and reflective of different cultural histories Likewise the majority of contributors come from origins or affiliations beyond the US whether in a different English or languages spanning Spanish Danish Turkish Greek or Chinese The aim is to recognize an enlarged Beat literary map its creative internationalism Radical Poetics and Secular Jewish Culture Stephen Paul Miller, Daniel Morris, 2010 This collection of essays is the first to address this often obscured dimension of modern and contemporary poetry the secular Jewish dimension Editors Daniel Morris and Stephen Paul Miller asked their contributors to address what constitutes radical poetry written by Jews defined as secular and whether or not there is a Jewish component or dimension to radical and modernist poetic practice in general These poets and critics address these questions by exploring the legacy of those poets who preceded and influenced them Stein Zukofsky Reznikoff Oppen and Ginsberg among others **Guard The Mysteries** Cedar Sigo, 2021-06-02 Guard the Mysteries is a compendium of five talks that the poet Cedar Sigo presented for the Bagley Wright Lecture series Retracing the ways in which he first encountered the realm of poetry Sigo plumbs the particulars of modern critique identity politics early influences and poetic form to produce a singular autobiography of voice Across these lectures Sigo explores his childhood on the Suquamish Reservation while paying homage to revolutionary artists teachers and thinkers whom have shaped his poetic aesthetic Simultaneously timeless and extremely timely these talks ponder the presences that California Buddhism LGBTQ experiences and Native Nations occupy in the poetic world and the world at large **Dancing with Dharma** Harrison Blum, 2016-02-26 Both Buddhism and dance invite the practitioner into present moment embodiment The rise of Western Buddhism sacred dance and dance movement therapy along with the mindfulness meditation boom has created opportunities for Buddhism to inform dance aesthetics and for Buddhist practice to be shaped by dance This collection of new essays documents the innovative work being done at the intersection of Buddhism and dance The contributors scholars choreographers and Buddhist masters discuss movement performance ritual and theory among other topics The final section provides a variety of guided practices Beat Writers at Work Paris Review, 1999-02-16 From the pages of The Paris Review a collection of interviews with Jack Kerouac Allen Ginsberg William Burroughs Ken Kesey Lawrence Ferlinghetti and more Edited by Paris Review co founder George Plimpton and with an introduction by Rick Moody this anthology of Writers at Work interviews featuring the great figures of the Beat and Black Mountain movements is an in depth look into one of the most famous literary tribes of the century The Beats with their mix of talent bravado and insight into the social and political climes of their time continue to influence students writers and critics today Mr Plimpton and his able cohorts at The Paris Review have cannily chosen this historical moment for the retrieval of this archive viz the fortieth anniversary of Kerouac s masterpiece and also the recent departures of Ginsberg and Burroughs to celestial addresses and thus we have a real warts and all retrospective ex post facto Kerouac in the late sixties Ginsberg in one of two pieces here in the late seventies Bowles in the eighties Snyder in the nineties so that the high period of Beat style is well past at the time of these conversations

Plimpton's wisdom here amounts to permitting the language and form of these interviews to persist over the years and thereby accrue historical context in which we are enabled to see how the Beat praxis or Black Mountain praxis is reactive when faced with such forces as Vietnam hippie culture eighties consumerism neglect by literary history and so forth from the introduction by Rick Moody
