Keiretsu Economy - New Economy? R. Kensy, 2001-04-02 This book combines a theoretical study of Japan's economic structures and multinational enterprises with a post modern analysis of the contemporary multinational enterprise

The author considers the appropriateness of the post modern approach for discussing economic activities in particular the New Economy and also Japanese society and culture Kensy analyses Japan s economic structure interpreting its methods strategies and results in a post modern context and presents a survey of socio economic development in Japan since the beginning of westernization He goes on to discuss Japanese models for the transformation of society in the future with particular reference to the Keiretsu Finding Japan to be a truly postmodern society Kensy shows that Japan is prepared to be a leader in the New Economy Kensy takes an innovative and stimulating approach that will be of interest to those seeking to better understand the development and future of the economic structures of Japan Conversations with Texas Writers

Frances Leonard,Ramona Cearley,2010-01-01 Larry McMurtry declares Texas itself doesn t have anything to do with why I write It never did Horton Foote on the other hand says I ve just never had a desire to write about any place else In between those figurative bookends are hundreds of other writers some internationally recognized others just becoming known who draw inspiration and often subject matter from the unique places and people that are Texas To give everyone who is interested in Texas writing a representative sampling of the breadth and vitality of the state s current literary production this volume features conversations with fifty of Texas s most notable established writers and emerging talents The writers included here work in a wide variety of genres novels short stories poetry plays screenplays essays nonfiction and magazine journalism In their conversations with interviewers from the Writers League of Texas and other authors organizations the writers speak of their apprenticeships literary influences working habits connections with their readers and the domestic and public events that have shaped their writing Accompanying the interviews are excerpts from the writers work as well as their photographs biographies and bibliographies Joe Holley s introductory essay an overview of Texas writing from Cabeza de Vaca s 1542 Relaci n to the work of today s generation of writers who are equally at home in Hollywood as in Texas provides the necessary context to appreciate such a diverse collection of literary voices A sampling from the book This land has been my subject matter One thing that distinguishes me from the true naturalist is that I ve never been able to look at land without thinking of the people who ve been on it It s fundamental to me John Graves Writing is a way to keep ourselves more in touch with everything we experience It seems the best gifts and thoughts are given to us when we pause take a deep breath look around see what s there and return to where we were revived Naomi Shihab Nye I ve said this many times in print the novel is the middle age genre Very few people have written really good novels when they are young and few people have written really good novels when they are old You just tail off and lose a certain level of concentration Your imaginative energy begins to lag I feel like I m repeating myself and most writers do repeat themselves Larry McMurtry I was a pretty poor cowhand I grew up on the Macaraw Ranch east of Crane Texas My father tried very hard to make a cowboy out of me but in my case it never seemed to work too well I had more of a literary bent I loved to read and very early on I began to write small stories short stories out of the things I liked to read Elmer Kelton Experiencing a Foreign Culture Werner Delanoy,Johann

Encyclopedia of American Poetry: The Twentieth Century Eric L.

Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States **All Poets**

Welcome Daniel Kane, 2003-03-26 This landmark book together with its accompanying CD captures the heady excitement of the vibrant irreverent poetry scene of New York s Lower East Side in the 1960s Drawing from personal interviews with many of the participants from unpublished letters and from rare sound recordings Daniel Kane brings together for the first time the people political events and poetic roots that coalesced into a highly influential community From the poetry reading venues of the early sixties such as those at the Les Deux M gots and Le Metro coffeehouses to The Poetry Project at St Mark s Church a vital forum for poets to this day Kane traces the history of this literary renaissance showing how it was born from a culture of publicly performed poetry The Lower East Side in the sixties proved foundational in American verse culture a defining era for the artistic and political avant garde The voices and works of John Ashbery Amiri Baraka Charles Bernstein Bill Berkson Ted Berrigan Kenneth Koch Bernadette Mayer Ron Padgett Denise Levertov Paul Blackburn Frank O Hara and many others enliven these pages and the thirty five track CD includes recordings of several of the poets reading from their work in the sixties and seventies The Lower East Side s cafes coffeehouses and salons brought together poets of various aesthetic sensibilities including writers associated with the so called New York School Beats Black Mountain Deep Image San Francisco Renaissance Umbra and others Kane shows that the significance for literary history of this loosely defined community of poets and artists lies in part in its reclaiming an orally centered poetic tradition adapted specifically to open up the possibilities for an aesthetically daring playful poetics and a politics of joy and resistance **Cooking Lessons** Sherrie

A. Inness, 2001-08-07 Meatloaf fried chicken Jell O cake because foods are so very common we rarely think about them much in depth The authors of Cooking Lessons however believe that food is deserving of our critical scrutiny and that such analysis yields many important lessons about American society and its values This book explores the relationship between food and gender Contributors draw from diverse sources both contemporary and historical and look at women from various cultural backgrounds including Hispanic traditional southern White and African American Each chapter focuses on a certain food teasing out its cultural meanings and showing its effect on women s identity and lives For example food has often offered women a traditional way to gain power and influence in their households and larger communities For women without access to other forms of creative expression preparing a superior cake or batch of fried chicken was a traditional way to display

their talent in an acceptable venue On the other hand foods and the stereotypes attached to them have also been used to keep women and men too from different races ethnicities and social classes in their place **Minutes of the Charles Olson Society** ,1999 *Postmodern Studies* ,1995 **Texas in Poetry 2** Billy Bob Hill,2002 And of course one poem about Texas that is magnificent in its awfulness Lasca with memorable lines like Scratches don t count In Texas down by the Rio Grande *Sulfur* ,1992 Where Three Roads Meet John Campion,1995 **Writing Work** David Shevin,Janet Zandy,Larry R. Smith,1999 Essays This book is about perspectives in many ways challenging stereotypical views of working class culture and art with the authentic accounts of those who live and work there The conflict between what is said and what we know what we hear about our culture and what we experience creates a tension that many seek to remedy through expression We found the prime motivator of most working class writing is the drive to bridge the perceptual gap with the truth from the Introduction *West Coast Line* ,1995 **Talisman** ,2001 *Gay & Lesbian Literature* Sharon Malinowski,Tom Pendergast,Sara Pendergast,1994 Biographical bibliographical and critical information on more than four hundred authors who have figured prominently in gay and lesbian literature and culture since 1900 **The Writers Directory** ,1996 Small Press Record of Books in Print Len Fulton,1994
