Thoughts of an Imprisoned Mind Trenton E. dreaming of the baby she can't have Their hearts are guarded but for different reasons Wounded pride rules their decisions and keeps others at a distance Devastating betrayal haunts their thoughts making them question if love even exists Broken souls who refuse to give their hearts away again But a chance meeting changes everything Complete opposites intent not to yield determined not to feel but incapable of stopping their destiny Then the past resurfaces with the intent to ruin everything Is learning to love again worth the risk After all a life without love isn't a life worth living Alliquippa W.
