## Nuevo Espacio Público El:

Neocontractualismo y nuevo espacio público María Pastore,2009      **El nuevo espacio público** Daniel Innerarity,2006-01-01 Este libro examina la idea de espacio público y sus transformaciones en la sociedad contemporánea y determina qué puede significar hoy una cultura pública común y cómo entender la política para un mundo común. Tras analizar los actuales escenarios en los que se desarrolla la vida pública plantea una concepción de las cuestiones relativas a la identidad y la diferencia en consonancia con las exigencias democráticas de una sociedad plural para finalizar proponiendo una transformación del poder político de manera que esté en condiciones de articular espacios comunes cooperación responsabilidad e integración en la nueva sociedad mundial      Pure Space (Spanish Edition) Elisa Silva,2020-11-24 This book may seem a simple accumulation of twenty one public space projects in eight Latin American cities. On closer inspection the presentation of project descriptions photographs and annotated drawings reflects a concern to analytically explain the operative aspects at work. The publication is not intended to serve only as a catalogue guide or manual on how to produce public space in spontaneous settlements. Rather it goes beyond the aims of an index of best practices. It is intended instead as an empirical base for a critical and theoretical engagement with the problematic of development social inclusion public investment in formal settlement civil society and the public sphere. The publication achieves its final function at this third level by providing a compelling argument to expand the agency of architects and urban designers and creatively find ways of justifying financing and building public spaces in communities spaces that have a catalytic effectiveness in achieving significant urban and social transformation. This book was awarded by a Graham Foundation Grant and CAF Development Bank of Latin America.
