**Modernity and the Political Fix** Andrew Gibson, 2019-04-18 From their decisive emergence in the late eighteenth century modernity and modern politics were long haunted by irony and paradox Ours however is the age of the implosion of modernity Modernity has degenerated into self parody The polarities that an ironic grasp of it could potentially always hold in tension are finally collapsing into each other In Modernity and the Political Fix Andrew Gibson tells the relevant story and asks what aspects of modern politics we might want to salvage and preserve and within what structure we might continue thinking about them His answer is that these questions call for the isolation of a particular set of concepts that rightly positioned in relation to one another the concepts amount to a political theology that the very formulation of

political temporality is therefore at stake and that the thinking in question has been and is best represented in modern philosophy and art above all modern literature Ranging through early modern and modern thought from Hobbes Pascal and Leibniz to Rousseau Kant Schopenhauer and Kierkegaard to Foucault Lacan Badiou Jambet and Rancière and in modern literature and art from Wordsworth and Byron to Goya and Wagner Huysmans and Wilde Joyce and Woolf Joseph Roth Vicki Baum Gabriele Tergit and the Weimar novel Evelyn Waugh and George Orwell to R S Thomas and Norman Nicholson Gibson seeks to compile a modern political aide memoire a treasury for a politics to come

**Moments of Truth, Volume One** Paramhansa Yogananda, 2023-09-01 The Moments of Truth series Little Books Big Wisdom Condensations of some of the greatest scriptures of our time the Moments of Truth series takes spiritual truths and makes them easily accessible Small pocket sized editions will allow you to bring these nuggets of wisdom with you on your travels whether on pilgrimage or to the workplace Start and end your day with a gem of inspiration with these carefully chosen excerpts from The Rubaiyat of Omar Khayyam Explained Autobiography of a Yogi The Essence of the Bhagavad Gita and more One day as I was deeply concentrated on the pages of Omar Khayyam's Rubaiyat I suddenly beheld the walls of its outer meanings crumble away Lo vast inner meanings opened like a golden treasure house before my gaze Paramhansa Yogananda Moments of Truth Volume One Excerpts from The Rubaiyat of Omar Khayyam Explained is the first in a series of small books of excerpts from the teachings of Paramhansa Yogananda as set forth in his own books and in those of his close disciple Swami Kriyananda The gems of wisdom in this little volume are taken from Yogananda's commentaries on The Rubaiyat of Omar Khayyam considered by Westerners a celebration of earthly pleasures but widely recognized in the East as a work of profound spirituality Yogananda's commentaries are a true scripture

in their own right These selections have scripture s power to change your consciousness and your life From the book Behold this one flaming truth All life is fleeting Cling to that understanding and seek then within yourself that which alone endures

*Soldiers for Christ* Dr. Brian J. Bailey,2021 Dr Brian Bailey presents this commentary on the epistle to the Ephesians which beautifully portrays Christ as the warrior King clothed with the armor of God This same armor is available to us by His grace so that we too may be victorious over the enemy It is the author s prayer that the readers might enter into these beautiful truths that we might be raised up to sit together in heavenly places in Christ Jesus 2 6 Tropical Truth(s) Armin Burkhardt,Brigitte Nerlich,2010-04-23 Tropes are not only rhetorical means which are used as a creative and or persuasive linguistic means in poetry and public speech They are also a cognitive tool which helps people to understand the world and to express their world As they are the basis on which our worldview and even our everyday speech is founded the question must be posed as to whether utterances containing tropes can be said to be true This has been an epistemological problem since Nietzsche expressed his doubts about the possibility that figurative language could give access to truth However since then research has paid little attention to this question 18 papers by linguists philosophers psychologists and literary scholars have been collected in this volume Their 21 authors use various approaches or paradigms in order to define metaphor metonymy synecdoche irony euphemism antonomasia and hyperbole and find an answer to the crucial epistemological questions namely whether and to what extent utterances containing tropes can be said to be true or false Lies That Tell the Truth Carolyn Pinkard,2000-12 This book is about metaphor what it is what it does Putting aside overly technical definitions the author proposes one intended for the general reader A metaphor is a lie that tells the truth An example Uncle Pat is a hog A literal lie anyone who observes Uncle Pat forking it in will agree that this lie is also true Drawn from such diverse arenas as literature sports education oratory religion and philosophy even the stock market the book presents more than two hundred metaphors that demonstrate that no society anywhere on earth does or did not have metaphors Convincingly the author shows that this incredibly wide use of metaphor depends on its startling colorful language that is easy to understand and easy to remember The heart of the book is a collection of metaphors that offer an alternative to description of things spiritual in abstract language By contrast the author maintains metaphor throws light on the spiritual world even into its most shadowed corners *What The Ceo Really Wants From You* R. Gopalakrishnan,2012-09-28 There are many books on leadership What the CEO Really Wants from You is one of the few to address the question that is uppermost in the mind of any manager What he should be doing to make his or her boss his partner rather than his opponent We spend most of our lives at work or thinking about it Starting from a young age fired by boundless energy and optimism we launch into our careers sure of our abilities Yet things do not always turn out as we expect they would It is not our abilities alone The business environment is one of change and ambiguity It is no easy task for any manager to negotiate the journey to success As Paul Polman CEO of Unilever points out in his foreword partnerships with others but above all with your direct boss and

organization are more important than ever before Not only that a good boss has an instinct for the right people and getting them to do better A good manager by eliciting his help helps himself Few people are better qualified to guide on this journey than R Gopalakrishnan He brings forty five years of experience to this subject in some of the most challenging jobs In this immensely practical book informed by the wisdom he has gleaned over the years he offers the reader the benefit of all he has learnt summarized in the four As Accomplishment Affability Advocacy and Authenticity This is a book that will be of immense use to any manager and one that just might bring him the answers it takes years to find what the CEO really expects from him You can also buy from Online stores Buy from a nearby bookstore Flipkart com Reliance Timeout Homeshop18 com DC books Infibeam com Crossword Bookstore Uread com Landmark Bookstore Indiaplaza com Om Book Shop Starmark Bookstore Sapna Bookstore Full Circle Bookstore Bahri Sons Bookstore Teksons Bookstore Sankars Bookstore Basic Training for the Fight of Your Life, the Final Stand Robert Mayhew,2013-02 The purpose of the book is to revive the spirit of real Christianity in the United States stand against our Adversary and turn from our collective moral drift Done as an analogy by telling my experiences in Basic Training in the Army and how those experiences relate to Christianity The book is divided into three parts The first part is Individual Training skill sets For example my volunteering in the Army and the transition from civilian to soldier Likewise the transition from not being a Christian to voluntarily wanting to be one and the transition that takes place Another is my experience on a compass course where I started out doing well but got lost and finally found my way to the finish I compare the compass to the Bible and relate it to life Other examples as well The second part is Opposing Forces Training where I learned how the enemy operates and received training focused around defeating him I apply that to learning the ways of Satan because just like a victorious army you must know your spiritual enemy to be successful against him And the third and last phase is the reclamation which is brought about only by the application of the first two phases That is reinforced by quotes from prominent people from the past **The Grumble-Free Year** Tricia Goyer,2019-11-05 Join USA Today bestselling author Tricia Goyer and her family of eleven as they embark on a yearlong quest to eliminate grumbling from their home and discover a happier healthier and more grateful approach to living life The Goyer home with two parents eight kids and one eighty eight year old grandmother with dementia is never without noise mess activity and often complaining And it s not just the kids grumbling After adding seven children in less than six years through adoption the Goyer family decided to move out of survival mode and tackle the impossible a grumble free year The Grumble Free Year will give you the tools you need to Go with the flow when life gets in the way of your plans Discover what really matters to you and your family Thrive not just survive as a family In The Grumble Free Year the Goyers invite you into their journey as they go complaint free and discover what it looks like to develop hearts of gratitude They share their plans successes failures and all the lessons they learn along the way offering real life action steps based in scripture so that you can also uncover a heart that is truly thankful Praise for The Grumble Free Year The Grumble Free Year is about becoming

more than just grateful It s about learning how to see beyond the words to uncover what is really happening in the heart of our children and equally important ourselves With humility and authenticity Tricia Goyer invites us into her home to learn how to live grumble free and paints a beautiful picture of the transformation process that evolves through a steadfast commitment even with a few detours along the way Elisa Pulliam life coach and founder of MoretoBe com When Tricia talks I listen That s because whatever she writes about she has intimately lived But instead of presenting as a perfect expert Tricia pulls up a chair beside you as another woman facing the same battles The Grumble Free Year is a guide that gives you practical ways to develop a practice of gratitude and to foster respect in relationships You will feel understood challenged and empowered to live a grumble free lifestyle Sarah Bragg host of the podcasts Surviving Sarah and Raising Boys Girls

*Theological Method and Imagination* Julian Hartt, 2006-08-01 What kind of reality can be perceived when the core problems of theology are freed from dependency upon highly technical and arcane ways of thinking and speaking Writing with the logical clarity and critical acumen for which he is well known in theological circles Julian N Hartt demonstrates the reality of theology's problems and shows how they can be perceived as part of a divine restiveness in living Hartt finds the demands of revelation to be most profoundly registered upon the imagination that power of the spirit by which the shape of things to come is grasped Sensing a great hunger for fresh approaches to fundamental theological concerns Hartt presents a boldly original scholarly work In it the persistent theological puzzles about method are clarified the elements of that method are described and major historical controversies about method are critiqued Topics discussed include beliefs and reasons knowing and proving God faith and hope authority and scripture revelation and historical evidence A significant contribution to theology this book shows that theological method entails describing the ways in which faith makes sense Doing this it speaks about incorrigible beliefs those convictions so fundamental that without them the very sense of life and world would disappear Sensing that society has begun to think of theological matters as mere inventions of theologians Hartt seeks to return to those fundamental questions that are the concrete situation of the serious minded Christian in the contemporary world

[Unveil 7 Truths](#) Releageous Truth, What lies in wait within the 7 annals herein remain for all of free will to consider whether one be of a chosen faith as well as those of non faith alike as the seeking one will come to find that from the primeval doctrine of old in verity have all systems of conviction emerged Moreover for the reason that humanity in truth cannot pave a sincere path to peace freedom and love upon the earth without first unveiling what has come to pass that the true course in which to forge may be illuminated As it has been so that the ancient texts of old which once united all peoples had been greatly falsified leading to all having been deceived since time immemorial it remains my endeavor to share mere nuggets of illumination with those whom are the seekers questioners and inquisitors of truth as within the forged doctrine the doctrine of modern religions remains yet enough truth to be unveiled
