Number Puzzles Before the Log Fire David Eugene Smith,2016-12-21

Excerpt from *Number Puzzles Before the Log Fire Being Those Given in the Number Stories of Long Ago* In the author's *Number Stories of Long Ago* these number puzzles were given without solutions In preparing that little work for the pupils in the elementary school it was felt that much of the interest in the puzzles would be lost if any explanation were given in the text It is evident however that the solutions of all the problems should be made somewhere available and for that reason this pamphlet has been prepared The puzzles which appear in Chapters IX and X of *Number Stories* are here reproduced but for evident reasons the precise wording has not been retained State ments that are necessarily extended when a story is being told to children may properly be condensed when a mere list of problems and solutions is being prepared It is hardly necessary to say that the puzzles are not original There is a considerable literature on the subject extending back to the Greek mathematicians and from this historical material selections have been made The side references in black relate to the
