This book explores politics and the role it plays in healthcare and our daily lives Nurses navigate politics when they read a paper watch the news explore the internet and interact with others at home work school church civic organizations and volunteer activities However many nurses avoid opportunities to engage in politics locally because of the word's current negative

connotation Beginning with a comprehensive look at the birth of our Republic and its founding document the U S Constitution this book explores the history of our political system and the intersection of politics healthcare and nursing from the 1800s to today Nurses roles in social challenges policy development advocacy board service and developing political awareness are highlighted Nurses who have served in Congress and others who have run for office locally and regionally provide advice for their colleagues who are unsure how or if to begin their involvement It concludes with an in depth look at the first campaign school exclusively for nurses and the different skills required for advocacy and candidacy This is not a policy manual or treatise from a political organization It is designed for all nurses who want the world to be better but don t know how to begin achieving it It is an opportunity to explore policy and politics by focusing on what the nurse reader is passionate about and how to best attain his her goals Some readers will like the historical perspective others will be intrigued by social challenges others will embrace advocacy and or board service and still others will value policy involvement Some nurse readers will enhance their political awareness and participation with a few entering the political arena There is something here for every nurse Nurses must be politically aware and involved to advocate for healthcare changes and policies that will benefit our society This book will show them how to begin that journey one step at a time
