E-Book Martha Raile Alligood, Sonya R. Hardin, 2025-06-10 Understand the thinking of 39 leading nursing theorists in one
comprehensive text *Nursing Theorists and Their Work* Eleventh Edition provides a clear in depth look at nursing theories of
historical and international significance Each chapter presents a key nursing theory or philosophy showing how systematic
theoretical evidence enhances decision making professionalism and quality of care Lead author Martha Raile Alligood is
known nationally and internationally for her expertise in nursing theory A classic in the field of nursing theory this text uses
objective critiques case studies and critical thinking activities to bridge the gap between nursing theory and application in
the practice of nursing NEW Information on the state of nursing in health care after COVID 19 illustrates how nursing
knowledge development continues to evolve with new theories that address current health care needs for quality nursing
care Theorist chapters written by scholars specializing in that theorist s work often having worked closely with the theorists
provide the most accurate and complete information possible Case studies at the end of each theorist chapter present the
theory in a larger perspective demonstrating how it can be applied in practice Critical thinking activities at the end of each
theorist chapter help you to process the theory presented and apply it to personal and hypothetical nursing practice
situations Theory specific diagrams help you visualize and better understand inherently abstract concepts and their
relationships Major Concepts and Definitions boxes outline a theory s most significant ideas and clarifies vocabulary Brief
summary sections offer valuable review for tests and validate comprehension Points for Further Study sections direct you to
sources of additional information A diagram in each unit illustrates the level of abstraction of the theoretical knowledge
presented New information on international theorists will be included New information the topic of clinical reasoning and
judgment and how it relates to the various theories presented will be included The new AACN Essentials will be addressed
