Assessing and Managing the Acutely Ill Adult Surgical Patient Fiona McArthur-Rouse, Sylvia Prosser, 2008-04-15

Assessing and managing the acutely ill adult surgical patient focuses on major surgical conditions and interventions commonly encountered in District General Hospitals which potentially require intensive monitoring and intervention. It emphasizes the importance of thorough assessment and interpretation of clinical data and provides the necessary knowledge to help nurses make sense of their findings and to integrate theory and practice in relation to surgical care. Part one addresses principles of surgical care for all patients undergoing surgery including pre-operative assessment and preparation, the peri-operative period and post-operative recovery, post-operative pain management and psychosocial aspects of surgery which underpin the knowledge and rationale for practice. Part two considers specific surgical conditions and interventions organised according to surgical specialities. Each chapter considers the underlying pathophysiology, investigation and diagnosis, assessment, monitoring and management of common acute surgical conditions within that specialty.

Encyclopedia of Human Services and Diversity Linwood H. Cousins, 2014-09-05

Encyclopedia of Human Services and Diversity is the first encyclopedia to reflect the changes in the mission of human services professionals as they face today's increasingly diverse service population. Diversity encompasses a broad range of human differences including differences in ability and disability, age, education level, ethnicity, gender, geographic origin, religion, sexual orientation, socioeconomic class and values. Understanding the needs and problems of Asian Americans, Hispanic Americans, the deaf, the blind, the LGBT community and many other groups demands an up-to-date and cutting-edge reference. This three-volume encyclopedia provides human services students, professors, librarians and practitioners the reference information they need to meet the needs of an increasingly diverse population. Features 600 signed entries are organized A to Z across three volumes. Entries authored by key figures in the field conclude with cross references and further readings. A Reader's Guide groups related articles within broad thematic areas such as aging, community, mental health, family and child services, substance abuse, etc. A detailed index, the Reader's Guide and cross references combine for search and browse in the electronic version. A helpful Resource Guide guides students to classic books, journals and web sites and a glossary assists them with the terminology of the field. Available in both print and electronic formats. Encyclopedia of Human Services and Diversity is an ideal reference for students, practitioners, faculty and librarians.
