*God Is Bipolar: Polarity: The Truth About God* A.M. Star, 2025-05-12 *God Is Bipolar: Polarity: The Truth About God* is about finding yourself in life's polar balance of duality. Me against myself. It's about how everything in life has an opposite for creation to exist in the possibilities of wonder. The book was about Jesus finding himself after being in hell for so long. The message is relevant; the Dead Sea scrolls really work; try them. My successful track record speaks for itself. You will become alive instead of living dead in spirit. To die means to love. To love means to evolve. If you spell love backwards, it almost spells evolve. It's victory in enlightenment. *VE*. My book is just as unique as you are; it brings it out of you. This book was written where Jesus left his slippers. Those are my ruby red slippers. Dorothy, long live the queen. Life is but a dream down memory lane; we live more than once. Follow the yellow brick road. About the Author: Active volunteer to help the homeless get off the street. Writing is my favorite hobby. I am also a real estate agent, a hairdresser, truck driver, and long-term salesperson. An advocate for special needs children in the spirit realm. I believe family is the root of humanity. I have a very large family that includes every human. If you ever want to learn something new, teach it to other people. You'll see the knowledge in abundance to realize that altruism is the truth that sets you free.
