Geary, 2002 Nurturing the Souls of Our Children proposes that psychologically and spiritually balanced parents are best equipped to relate more deeply and joyfully to the uniqueness of their children This is nurturing the soul It is what children today need more than anything else Based on their experience as parents as church ministers and as professional counselors for over 25 years Dr Thomas Geary and his wife Bonnie are well qualified to integrate the psychological with the spiritual Their book offers hope to frequently overwhelmed and confused parents searching for values and guidelines in an increasingly materialistic society Their suggestions are clothed in practical humorous and touching stories reflective of the real world where families live **Nurturing the Souls of Our Children** Robert Mitchell, 2005 The Sin of Obedience is one of the few works of fiction or non fiction that looks profoundly and with deep personal reflection into the training of a Catholic priest The novel rich and accurate in detail is the story of a young prodigy torn with between the rigid religious traditions and convictions of his mother and the more humanity oriented respect for freedom of his father Building on his own experiences including being the subject of sexual abuse by a seminary teacher the author unfolds a picture of religious life in which the cornerstones of celibacy and a vow of obedience have forced seminarians and priests to make difficult and often impossible decisions in their own personal lives This well crafted story enables the reader to go along with a young boy seminarian and priest on his idealistic pursuit and mission and the consequences he has to face as a result And a Child Shall Lead Them Marjie Wilde, 1999 **Nurturing Your Child's Soul** Timothy Jones, 2006-09-03 Many of us worry about our kids getting pulled under by our culture's negative currents We try to shout over the roar of media blitzes misguided values in the schools and peer pressure And we wonder how to raise faithful children For parents who sometimes feel they haven't done enough Jones provides ideas for taking small steps toward communication and intimacy showing you how to take advantage of teachable moments by fully focusing on the present *Nurturing the Soul of Your Family* Renée Peterson Trudeau, 2013 What would it feel like to experience more ease harmony and flow in the midst of navigating homework squabbles mealtimes commutes and the other challenges of everyday life Nurturing the Soul of Your Family is a guidebook for personal and spiritual renewal from the award winning author of The Mother's Guide to Self Renewal It offers nurturing support and practical ideas to guide you toward a new way of being Enjoyable down to earth and empowering Renee Peterson Trudeau's ten paths to peace will help you learn how to find your center and move through chaos and uncertainty with renewed strength and ease live every day aligned with your values and what matters most slow down tap the wisdom of your wise self and know what's best for you and your family release old habits fears and anxieties as you explore a new way of being access more joy by living in the present moment the best antidote to stress experience more freedom and unscheduled time Nurturing Your Baby's Soul Elizabeth Clare Prophet, 1998 A fascinating mind opening heart opening book flooded with inspiration hope and encouragement Any

Angels in the Architecture Douglas Jones, Douglas Wilson, 1998 Christianity presents a glorious vision of

culture a vision overflowing with truth beauty and goodness It s a vision that stands in stark conflict with the anemic modern and postmodern perspectives that dominate contemporary life Medieval Christianity began telling a beautiful story about the good life but it was silenced in mid sentence The Reformation rescued truth but its modern grandchildren have often ignored the importance of a medieval grasp of the good life This book sketches a vision of medieval Protestantism a personal and cultural vision that embraces the fullness of Christian truth beauty and goodness This volume is a breath of fresh air in our polluted religious environment Hopefully many readers will breathe deeply of its contents and be energized The Presbyterian Witness A delightful apologetic for a Protestant cultural vision before you write off these two as mere obscurantist Reformed types take care I found that some of my objections were on the surface more modern than biblical Gregory Alan Thornbury Carl F Henry Center for Christian Leadership T his book cries out against the bland purely spiritualized Christianity to which so many of us have become accustomed I highly recommend it David Kind Pilgrimage Concordia Theological Seminary
