## **Nutrition And Diet Therapy In Gastrointestinal Disease:**

**Nutrition and Diet Therapy in Gastrointestinal Disease** Martin H. Floch, 2013-11-21 A physician with a broad consultative practice Dr Floch combines his clinical experience with a zeal for exploring what has been written by others Chief of Medicine at the Norwalk Hospital for the past decade and still an active consulting gastroenterologist Dr Floch has given us a volume which every clinician dealing with digestive disorders will want to have at his or her desk Not everyone will agree with all that Dr Floch has prescribed in the way of detailed dietary help for the common afflictions of mankind's gut but in this book the reader can get at the background of the controversy All clinicians have had problems in assessing when to use elemental diets how to apply advances in peripheral and intravenous alimentation and in many other matters which are discussed in detail in this fine volume Dr Floch displays what is available in dietary therapy evaluates the nutritional inadequacies surrounding most digestive disturbances and calmly evaluates competing claims He gives a brief overview of gastrointestinal physiology pertaining to an understanding of nutritional complications as well as the genesis of the major gastrointestinal disorders In this sense his book can be read as a mini physiological text I am delighted to have this book in our gastrointestinal series and I hope that the reader will profit from it as much as I have
