Andrews,Reuben Archer Torrey,2022-01-23 Biblical criticism originally known as Higher criticism of the Bible got started throughout the 18th and 19th centuries At that time Protestant scholars attacked the Bible an intellectual academic attack They devised a method of studying the Bible that became known as higher criticism and now biblical criticism These Bible critics taught that most of the Bible contained legend and myth Some even claimed that Jesus never existed For the liberal moderate Bible scholar then and now the Word

of God the Bible has become the word of man and a very chaotic distorted word at that The modern day liberal moderate Bible scholar says that much of the Bible is just wrong This thinking is the result of biblical criticism Biblical higher criticism is conjectural and uncertain doubtful in the extreme Today these Bible scholars who make up most of our seminaries explain the Bible accounts of miracles as myths legends or folk tales They do not even entertain the idea that there is the possibility that they actually occurred This viewpoint is subjective and gives no reliable reason to reject the Bible as inspired fully inerrant authentic and trustworthy Biblical criticism is highly defective and its centuries long assault on the Bible has not proven that the Bible is not the Word of God Many conservative Christians have been doing their best to defend God s Word Herein THE FUNDAMENTALS OF THE CHRISTIAN FAITH puts Biblical Criticism on trial judging their claims as subjective based on or influenced by personal feelings or opinions not objective factual actual real empirical verifiable in biblical studies

Run the Race to Win! Regina D. Williamson, 2022-11-03 Have you ever been the person waiting for the doctor s office to call and give you the results of a recent biopsy Maybe you were waiting with someone dear to you your mother a beloved aunt your sister a niece or even your best friend Those hours and days of waiting can fill even the most calm and stoic person with a sense of dread And then the results from the pathology report finally come in You get a phone call from the doctor s office or a nurse calls and says the doctor wants you to come in Your heart is pounding your mouth becomes completely dry and every nerve cell is on edge with anxiety And then you hear the words I m sorry but the news is not good You have cancer The tumor is malignant and is growing fast We want to schedule you for surgery as soon as possible If any of you reading these words are honest with ourselves when we first hear the words You have cancer we see it as a death sentence Our mind begins to suddenly flash through our family history like a computer retrieving stored files We see images of all the people who we ve known and lost A mother an aunt a sister two cousins and yes a coworker who lost her battle to breast cancer just last year These images flood us with a sense of fear and hopelessness But it doesn t have to be that way for a believer in Jesus Christ In Jesus s own words He said The thief comes to steal kill and destroy but I have come that you might have life and have it more abundantly John 10 10 This memoir will give some of you a roadmap for hope but it will certainly be a road less traveled The roadmap is based on the divinely inspired Word of God That is the starting point for the race you are about to begin It will also share one woman s courageous journey through multiple bouts with breast cancer her faith in God s plan and her eternal hope The Goal A radical change in diet based on God s eating plan for His children from the very beginning and the courage to resist the medical profession s plan for us Let s begin the journey Visit Regina s website at www.BeatingBreastCancer.net
