experienced the doubts that so often drive discussions about God and the Church In the years before his conversion he was first a nonbeliever and then an anti Catholic clergyman In REASONS TO BELIEVE he explains the how and why of the Catholic faith drawing from Scripture his own struggles and those of other converts as well as from everyday life and even natural science Hahn shows that reason and revelation nature and the supernatural are not opposed to one another rather they offer complementary evidence that God exists But He doesn't merely exist He is someone and He has a personality a personal style that is discernible and knowable Hahn leads readers to see that God created the universe with a purpose and a form a form that can be found in the Book of Genesis and that is there when we view the natural world through a microscope through a telescope or through our contact lenses At the heart of the book is Hahn's examination of the ten keys to the kingdom the characteristics of the Church clearly evident in the Scriptures As the story of creation discloses the world is a house that has a Father a palace where the king is really present God created the cosmos to be a kingdom and that kingdom is the universal Church fully revealed by Jesus Christ

How to Defend the Catholic Faith F. Laun, Reverend, 2017-07-10 Catholicism or Protestantism Where is the true Christian doctrine A quick and easy guide to help Catholics answer common objections to Catholic teachings A thorough discussion of the points of difference is what is chiefly required by bona fide inquirers from without the fold and to such inquirers this book is dedicated It is hoped that to such inquirers no expression in this book will appear aggressive In the impersonal atmosphere of a book of this kind plain speaking is required and permissible but there was far from the mind of the author any intention to be unkind or uncharitable The attacks upon erroneous belief should not be misunderstood to be attacks on erroneous believers Also to inquirers from within the fold this book will be helpful in enlightening them upon important matters of faith and in enabling them to enlighten others who with a good will ask them for information
