Obediencia Debida:

Régimen disciplinario de los funcionarios públicos, El Belén Marina Jalvo, 2006 *La reforma del derecho penal militar* Yolando Doig Díaz, 2002 Los delitos de tortura y de tratos degradantes por funcionarios públicos Vicente Grima Lizandra, 1998-03 **Contra la impunidad** Plataforma Argentina contra la Impunidad, 1998 **Protección penal de la disciplina militar** José López Sánchez, 2007-10-15 La protección jurídica de la disciplina ha constituido tradicionalmente una especialidad de la Organización militar que la ha distanciado de la sociedad a la que pertenece y sirve y de la Administración del Estado en la que siempre ha estado encuadrada a pesar de su distinta misión y estructura **The Politics of Antipolitics** Brian Loveman, Thomas M. Davies, 1997 Latin America is moving toward democracy The region's countries hold elections choose leaders and form new governments But is the civilian government firmly in power Or is the military still influencing policy and holding the elected politicians in check under the guise of guarding against corruption instability economic uncertainty and other excesses of democracy The editors of this work Brian Loveman and Thomas M Davies Jr argue that with or without direct military rule antipolitics persists as a foundation of Latin American politics This study examines the origins of antipolitics traces its nineteenth and twentieth century history and focuses on the years from 1965 to 1995 to emphasize the somewhat illusory transitions to democracy This third edition of The Politics of Antipolitics has been revised and updated to focus on the post Cold War era With the demise of the Soviet state and international Marxism the Latin American military has appropriated new threats including narcoterrorism environmental exploitation technology transfer and even AIDS to redefine and relegitimate its role in social economic and political policy The editors also address why and how the military rulers acceded to the return of civilian elected governments and the military's defense against accusations of human rights abuses *Enforcing International Law Norms Against Terrorism* Andrea Bianchi, Yasmin Naqvi, 2004-07 The scale and horror of recent terror attacks and the panic which ensued throughout the world has forced policy makers and international lawyers to re-examine international legal tools available to enforce norms against terrorism The magnitude of the attacks the modalities of the operations the profiles of the terrorists and the transnational structure of some terrorist organisations all cast doubt on the adequacy of the existing political and legal framework to fight terrorism Due to this perception governments have increased the intensity of measures to combat terrorist activities such as using military force against States sponsoring terrorism freezing assets of terrorist organizations and promulgating national security measures designed to protect the State against would be terrorists This book comprehensively analyses the suitability of existing international legal tools to enforce rules prohibiting terrorism Contributions from leading experts in international law examine among others questions relating to the proper role of international law in combating terrorism the legality of covert operations against terrorism whether the law of armed conflict can be applied to the war against terror domestic anti terror laws and their compatibility with human rights standards and how to regulate the internet to prevent

terrorist usage In addition the ways in which States can co operate together to more effectively investigate terrorist infrastructures and apprehend suspects is focused upon The interplay between different layers of legal authority at international regional and domestic levels is also subject to review This thorough examination of the array of legal means at the international community s disposal to enforce norms against terrorism will allow readers to appreciate the real challenges that terrorism and the responses to it pose to the international legal system The Politics of Antipolitics

Thomas Davies,Brian Loveman,1997-10-01 Latin America is moving toward democracy The region s countries hold elections choose leaders and form new governments But is the civilian government firmly in power Or is the military still influencing policy and holding the elected politicians in check under the guise of guarding against corruption instability economic uncertainty and other excesses of democracy The editors of this work Brian Loveman and Thomas M Davies Jr argue that with or without direct military rule antipolitics persists as a foundation of Latin American politics This study examines the origins of antipolitics traces its nineteenth and twentieth century history and focuses on the years from 1965 to 1995 to emphasize the somewhat illusory transitions to democracy This third edition of The Politics of Antipolitics has been revised and updated to focus on the post Cold War era With the demise of the Soviet state and international Marxism the Latin American military has appropriated new threats including narcoterrorism environmental exploitation technology transfer and even AIDS to redefine and relegitimate its role in social economic and political policy The editors also address why and how the military rulers acceded to the return of civilian elected governments and the military s defense against accusations of human rights abuses **Civil Disobedience** María José Falcón y Tella,2004-10-01 It has been widely feared especially in

Europe that among the casualties in the war against terror it is now necessary to include a number of civil and political rights that used to form the nucleus of the liberal Rechtstaat In such times it its useful to remember that on both sides of the Atlantic there has existed a powerful alternative political tradition indeed a tradition that extends far beyond the West This is the tradition of non violence one of the offshoots of which is the civil disobedience expounded and analyzed in this book This exhaustive and carefully analytical study of civil disobedience translated from Spanish is a welcome reminder of the tradition that emphasised precisely the need to focus on the quality of the instruments of politics as much as its objectives This volume seeks to disentangle the limits and possibilities of the tradition of civil disobedience in what circumstances is it right or perhaps necessary to say no The jurisprudential and philosophical literature discussed here is truly enormous and provides a complex and reliable overview of the main problems This volume is thus a highly welcome contribution not only to discussions about civil and political rights but also to the construction of the Europe of tomorrow as a political community worth making a commitment to **Judicial Independence and Human Rights in Latin America** E. Skaar,2011-02-14

This comparative analysis focusing on Argentina Chile and Uruguay explores the complex relationship between executive politics and judicial action showing that judicial independence is a crucial factor in prosecution It will engage Latin

Americanists as well as all who are concerned with justice and human rights around the world

Mothers of the Disappeared Josephine Fisher, 1989 Puts the struggle of the Mothers of the Disappeared in the context of modern Argentine history and compares their experience with the resistance of other Latin American women

Historical Dictionary of the Dirty Wars David Kohut, Olga Vilella, 2016-11-16 The Historical Dictionary of the Dirty Wars covers the period 1954-1990 in South America when authoritarian regimes waged war on subversion both real and imagined The term dirty war guerra sucia though originally associated with the military dictatorship in Argentina from 1976 to 1983 has since been applied to neighboring dictatorships in Paraguay 1954-1989 Brazil 1964-1985 Bolivia 1971-1981 Uruguay 1973-1985 and Chile 1973-1990 Although the concept is by no means peculiar to Latin America the term has become a byword for state sponsored repression anywhere in the world these regimes were among its most notorious practitioners In the mid 1970s they joined forces along with Ecuador and Peru to create Operation Condor a top secret network of military dictatorships that kidnapped tortured and disappeared one another's political opponents Their death squads operated both nationally and internationally sometimes beyond the region This third edition of Historical Dictionary of the Dirty Wars contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 400 cross referenced entries on the countries themselves guerrilla and political movements that provoked though by no means exonerated governmental reaction leading guerrilla human rights military and political figures local regional and international human rights organizations expressions of cultural resistance art film literature music and theater and artistic figures filmmakers novelists and playwrights whose works attempted to represent or resist the period of repression This book is an excellent access point for students researchers and anyone wanting to know more about the dirty wars of South America

Through Corridors of Power David Pion-Berlin, 2010-11-01 Drawing on field work in the country since the beginnings of democratic government in 1984 Pion Berlin political science U of California Riverside examines politicians and soldiers seeking to advance their own interests by moving through official channels He describes how their policy gains and setbacks may have much to do with the organizational features of government they encounter He also compares neighboring Uruguay and Chile Paper edition unseen 17 95 Annotation copyrighted by Book News Inc Portland OR

Roads to Reconciliation Elin Skaar, Siri Gloppen, Astri Suhrke, 2005-01-01 The past two decades have witnessed the end of several civil wars and authoritarian regimes The global media brings the height of the conflicts to an international audience but as the wars end and tensions resolve the media turns away neglecting the often painful and slow process of reconciliation In this volume experts with both practical and policy experience in international conflict explore how societies confront and negotiate a repressive past characterized by gross human rights violations Grounding readers in theoretical approaches the book explores contemporary experiences of reconciliation in Africa Latin America Europe and Asia

Temas penales Juan Luis Modolell González, 2006

Alfonsín y los derechos humanos Alejandro Carrió, 2023-12-01 Alfonsín y los derechos humanos es el valioso testimonio

de los protagonistas del juicio más trascendente de la historia argentina Entrevistas que desnudan las delicadas tensiones y dilemas que debió afrontar el líder radical en torno a la solución jurídica y moral que exigía la nascente democracia sobre la violación de los derechos humanos y el problema de los desaparecidos durante la dictadura militar que había gobernado el país entre 1976 y 1983 En diciembre de 1983 a pocos días de jurar como presidente de la Nación en un contexto donde el poder de las fuerzas armadas era aún enorme Raúl Alfonsín firmó los decretos que promovieron respectivamente el juicio a las juntas militares que habían usurpado el poder en 1976 la persecución penal de los líderes del ERP y Montoneros y la creación de la Comisión Nacional sobre la Desaparición de Personas CONADEP Persuadido de que una solución moral y jurídica a las atrocidades del terrorismo de Estado era condición de posibilidad de la democracia el coraje de sus decisiones escribió una página enteramente nueva en la historia argentina y mundial de la política sobre derechos humanos Esta obra verdadero documento histórico revela la génesis de esas decisiones a partir del testimonio en primera persona de sus protagonistas los que acompañaron y asesoraron al presidente y quienes juzgaron y condenaron a los militares Al mismo tiempo puede leerse como necesario recordatorio de aquello que más allá de cualquier coyuntura deberá seguir resultando irrenunciable el valor de la institucionalidad y la juridicidad en la construcción de ciudadanía republicana A cuarenta años de esos tres decretos históricos haciendo oídos sordos a la vocinglería fatua que pretende desconocerlo todo este libro celebra la democracia argentina

Manual del policía José Cabanillas Sánchez, Francisco Alonso Pérez, 2005-12 *La policía judicial en el sistema penal acusatorio* Pablo Elías González Monguí, 2007 **Derecho Penal. Parte general** Antonio Obregón García, Javier Gómez Lanz, 2023-01-19 Este libro aborda el estudio de las categorías fundamentales de la Teoría Jurídica del Delito con la ambición de constituir un manual universitario en el sentido cabal del concepto al tiempo que una obra de referencia en esta parcela del Derecho Penal un texto tan completo en relación con la materia como claro en su formulación que desde el rigor dogmático sea coherente con el nivel de un alumno de Grado y también sirva de base para tareas científicas más avanzadas La obra se halla en esta tercera edición enteramente actualizada y adaptada en todos sus elementos a las últimas reformas del Código Penal incluidas las operadas por las Leyes Orgánicas 4 2022 de 12 de abril 6 2022 de 12 de julio y 9 2022 de 28 de julio así como la 10 2022 de 6 de septiembre de garantía integral de la libertad sexual y la 11 2022 de 13 de septiembre de modificación del Código Penal en materia de imprudencia en la conducción de vehículos a motor o ciclomotor recogidas adecuadamente en esta edición **Las guerras dentro de los cuarteles** Leith Passmore, 2023-01-01 Durante los diecisiete años de la dictadura chilena más de 370 000 jóvenes varones casi exclusivamente de hogares humildes pasaron por los cuarteles como conscriptos En la primera década del siglo XXI cerca de 100 000 de ellos comenzaron a romper su silencio y se movilizaron como parte de un movimiento de exconscriptos buscando pensiones beneficios y reconocimiento como víctimas del régimen militar Basado en testimonios entrevistas documentos inéditos y notas de campo este libro analiza las memorias del servicio militar que emergieron con el movimiento en el siglo XXI y que revelan cómo se libraron las guerras de Pinochet en el interior

de los cuarteles entre 1973 y 1990 Los exconscriptos no comparten una interpretación del golpe ni del régimen militar o de su legado y las grandes narrativas de la lucha por la memoria no son suficientes para entender la memoria exconscripta

Obediencia Debida Introduction

In today's digital age, the availability of Obediencia Debida books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Obediencia Debida books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Obediencia Debida books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Obediencia Debida versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Obediencia Debida books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Obediencia Debida books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Obediencia Debida books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Obediencia Debida books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Obediencia Debida books and manuals for download and embark on your journey of knowledge?
