American Metaphysical Religion Ronnie Pontiac, 2023-01-31 An in depth exploration of four centuries of American occult and spiritual history from colonial era alchemists to 20th century teachers Details how from the very beginning America was a vibrant blend of beliefs from all four corners of the world Looks at well known figures such as Manly P Hall and offers riveting portraits of many lesser known esoteric luminaries such as the Pagan Pilgrim Tom Morton Reveals the Rosicrucians among the first settlers from England the spiritual influence of enslaved people the work of mystical abolitionists and how Native Americans and Latinx people helped shape contemporary spirituality Most Americans believe the United States was founded by pious Christians However as Ronnie Pontiac reveals from the very beginning America was a vibrant blend of beliefs from all four corners of the world Based on the latest research with the assistance of leading scholars this in depth exploration of four centuries of American occult and spiritual history looks at everything from colonial era alchemists astrologers and early spiritual collectives to Edgar Cayce the Hermetic Brotherhood of Luxor and St Germain on Mount Shasta Pontiac shows that Rosicrucians were among the first settlers from England and explores how young women of the Shaker community fell into trances and gave messages from the dead He details the spiritual influence of the African diaspora the work of mystical abolitionists and how Indigenous groups and Latinx people played a large role in the shaping of

contemporary spirituality and healing practices The author looks at well known figures such as Manly P Hall and lesser known esoteric luminaries such as the Pagan Pilgrim Tom Morton He examines the Aquarian Gospel the Sekhmet Revival A Course in Miracles the School of Ageless Wisdom and mediumship in the early 20th century He explores the profound influence of the Bodhi Tree Bookstore in Los Angeles and looks at the evolution of female roles in spirituality across the centuries He also examines the right wing of American metaphysics from the Silver Legion to QAnon Revealing the diverse streams that run through America's metaphysical landscape Pontiac offers an encyclopedic examination of occult teachers esotericists and spiritual collectives almost no one has heard of but who were profoundly influential Pyramid Prophecies Max Toth,1988-03 The author of Pyramid Power reveals prophetic evidence concealed for centuries within the Great Pyramid of Giza and compares it with the prophecies of Edgar Cayce and Nostradamus *Esoteric Healing - Part 1* Dr. Douglas M. Baker,2014-04-04 Introduction to Esoteric Healing Part 1 For centuries men have sought healing and obtained it long before our methods of treatment were elaborated The methods used then have remained esoteric or veiled and only the outer shell mainly nonsensical has survived for history to ridicule In centuries to come men will also marvel at how we healed in our own day with so many drugs that were later put on the poison list Now for the first time the field of the esoteric healer is being revealed by scientific devices This field of operation for the esoteric healer is the etheric body the vitalising matrix underlying all tissue described by contemporary yogis who even at this moment are revealing facts about man's nature which are not only able to be demonstrated in the neurophysiologic laboratories of such esteemed medical establishments as the Meninger Foundation at Topeka and the World Health Organisation but facts which don't yet exist in our medical physiology and anatomy textbooks Animals suffer intense stress but do not die from coronaries duodenal ulcers and hypertension because of it Many a man will suffer stress persistently and not die from it Disciples all suffer stress but their disciplines enable them to thrive on such situations Only those who are unable to cope or to receive feedback on their reactions to stress or are unable to stop thinking about their troubles or believe themselves to be continuously subject to them go down The difference between all these is not physical it is supraphysical It lies in those realms whose laws are understood obeyed and used by esoteric healers After twenty five years of patient research in the ways of Orthodox Medicine and its esoteric counterpart I have no reason to change my firm belief that the cause of ninety per cent of all disease lies in the inability of Man to express himself according to the purposes of his own Soul whether he be aware of these purposes or not the inability to express in his way of life Truth Beauty and Goodness which after all is not saying anything new for this was the belief of Socrates and Plato twenty five centuries ago What will eventually be practised as Preventive Medicine is already established in great measure in the daily living of students of esoteric sciences i.e. care about diet and nutrition breathing exercises relaxation and meditation **The Secret History of the World** Mark Booth,2010-02-23 This New York Times bestselling work reimagines world history through the belief systems of Freemasons Rosicrucians Kabbalists and others They say that

history is written by the victors But what if history as we know it written by the wrong people What if everything we ve been told is only part of the story In this groundbreaking and controversial work Mark Booth embarks on an enthralling tour of our world s secret histories Booth starts from a dangerous premise That the stories put forward by the world s various cults and mystical traditions are true From there he relates a deeply provocative alternate history of the past 3 000 years From Greek and Egyptian mythology to Jewish folklore from Christian cults to Freemasons from Charlemagne to Don Quixote from George Washington to Hitler Booth shows that history needs a revolutionary rethink and he has 3 000 years of hidden wisdom to back it up

Psychic Sexuality Ingo Swann,2018-09-02 In 1989 Ingo Swann was invited by Dr Elmer Green at the Menninger Foundation to participate in experiments involving physical energy fields body electricity and states of consciousness The experiments were conducted within an elaborate electrostatic copper wall environment the design of which was based on an ancient Asian technique to activate and enhance clairvoyance and lucidity As a result of the numerous experimental sessions undertaken Swann s clairvoyance increased tremendously Various states of lucid consciousness were achieved with respect to seeing vivid details of invisible energetic fields and phenomena of the biological body and its astonishing higher energy systems In PSYCHIC SEXUALITY Swann reports on the high energy systems associated with sexual energies that most people sense feel and respond to at very basic levels of consciousness even if they cannot perceive them by clairvoyance Swann enlarges the book by providing an historical overview of several past epochs of higher consciousness research during which sexual energies were vividly encountered but which research was vigorously condemned by organized societal forces The existence of the societal suppression is itself suppressed If it was not for the shocking methods utilized to achieve it the suppression is quite hilarious Why such research has undergone societal suppression provides an interesting question As part of an answer Swann provides a step by step rationale that has very surprising implications

A Journey to the Roots of Rastafari Abba Yahudah,2014-07-03 Ethiopia accepted Christianity

as her sovereign faith after being a Judaic nation for centuries before Christ Her political seat being the Throne of David makes this event uniquely significant in that Judaism as a religion or as a nation had no existing empire By this we mean that after the destruction of Jerusalem in 588 BC and the dispersion of the Israelites the Jews as a nation were unable to reconstruct an independent state anywhere in the world except for the empire established in Ethiopia Therefore Ethiopia represented the only nation to have made such a transition from Judaism to Christianity When one makes a thorough study of the traditions of the biblical Jewish nation one will understand that a Jewish nation could not be reestablished without the Throne and seed of King David Therefore Israel as a place remains to be the fragmented ruins of a past flourishing Jewish state The Roman invasion and occupation of Jerusalem created an atmosphere of tension and political unrest that continued and subsequently led to the destruction of this once glorious city which used to house the Ark of the Covenant All this occurred before the birth of Christ who was to be the major element in the events that were to lead to a New Way
