Jewish Albuquerque Naomi Sandweiss, 2011-03-14 Albuquerque founded by Spanish colonists in 1706 seems an unusual place for Jewish immigrants to settle Yet long before New Mexico statehood in 1912 Jewish settlers had made their homes in the high desert town located on the banks of the Rio Grande River

Initially business opportunities lured German Jews to the Santa Fe Trail during the expansive railroad days of the 1880s Jewish citizens were poised to take on leadership roles in business government and community life Henry Jaffa a Jewish merchant and acquaintance of Wyatt Earp served as Albuquerque's first mayor From launching businesses along Central Avenue to establishing the Indian Trading Room at the famed Alvarado Hotel and founding trading posts Route 66 tourist establishments and the Sandia Tram Jewish businesspeople partnered with their neighbors to boost Albuquerque's already plentiful assets Along the way community members built Jewish organizations a Bnai Brith chapter Congregation Albert and Congregation Bnai Israel that made their mark upon the larger Albuquerque community

Continental Divides A. Goldman, 2000-10-19 The book calls for a new iconography of region that unseats New England's status as cultural center of the United States and originary metaphor for national identity No single territorial or political axis can adequately describe the complex regional relationships that comprise the nation Goldman argues The essays in this volume juxtapose African American Mexican American and Anglo American fictions produced in the wake of both the Civil War and the U S Mexican War contiguous national conflicts that remain segregated in critical practice At once comparative and intertextual the readings in this study redefine western literature in its relation to other U S regional literary formations Goldman's arguments question critical sectionalism as extensively as they do regional divisions by blurring generic distinctions by reading across literary periods and by juxtaposing writers who explore the same set of social issues during the same historical moment but who are conventionally located in separate literary traditions sentimental literature the African American novel literary modernism early Mexican fiction

Zayda Was A Cowboy June Levitt Nislick, 2005-05-15 When a Jewish grandfather comes to live with his son's family he relates his experiences fleeing Eastern Europe for America his adventures as a cowboy and his assimilation into American culture Original

Race, Radicalism, Religion, and Restriction Kristofer Allerfeldt, 2003-03-30 In 1924 America passed legislation that effectively outlined which immigrants were to be considered beneficial to the national body and which were not Albert Johnson a Washington State Congressman sponsored the Act This study examines the role of the Pacific Northwest in the change of national sentiment that led up to this legislation Throughout the period this region experienced massive growth in its immigrant population Its forests and small towns were the scenes of many clashes with the alien radicals resulting in the creation of anti Catholic legislation and the laws against land ownership by the Japanese Analyzing issues of race religion and political radicalism Allerfeldt determines that the region was highly influential in the national debate Most immigration studies of this era focus on the East Coast or

on California but Allerfeldt finds that Northwestern politicians and populists responding to regional events as much as national sentiments often set the national immigration agenda. Diverse organizations such as the APA, the Ku Klux Klan and the IWW gained powerful local support and had significant influence on the region's attitudes towards immigrants. Rather than following California's lead in the opposition to Asian immigration, the Northwest actually set the path for its southern neighbor in many important aspects. **As Eve Said to the Serpent** Rebecca Solnit, 2001. A multidisciplinary compilation of nineteen incisive essays ranges from the formality of traditional art criticism to intimate lyrical meditations as they explore nuclear test sites, the meaning of national borders and geographical features and the idea of the feminine and the sublime.

Western Lives Richard W. Etulain, University of New Mexico. Center for the Southwest, 2004. The life stories of many individuals are woven together to tell the history of the American West from the earliest days of westward expansion to the twentieth century. *Jewish Pioneers of the Black Hills Gold Rush* Ann Haber Stanton, 2011. The very name Deadwood conjures up vivid Wild West images: saloons with swinging doors, brazen dance hall girls, buckskin clad Calamity Jane roaming the streets with her erstwhile paramour Wild Bill Hickok. The setting is the lawless Dakota Territory of 1876 at the start of the Black Hills gold rush, a stampede for the golden pay dirt. One would hardly expect to find a Jewish pioneer grocer named Jacob Goldberg in this scene, yet Deadwood's story is incomplete without Goldberg. And Goldberg's story is incomplete without either Calamity Jane or Wild Bill. Not just Goldberg but Finkelstein also known as Franklin Stern also known as Star Jacobs, Schwarzwald, Colman Hattenbach and many other Jews joined the throngs. The Jews provided much more than overalls, chamberpots and the chambers in which to put them. They also became the mayors, legislators and civic leaders who helped bring sense and stability to this unruly expanse. *A Time for Building* Gerald Sorin, 1995-05. *A Time for Building* describes the experiences of Jews who stayed in the large cities of the Northeast and Midwest as well as those who moved to smaller towns in the deep South and the West. **Schoenberg and Hollywood Modernism** Kenneth H. Marcus, 2016-01-14.

Schoenberg is often viewed as an isolated composer who was ill at ease in exile. In this book Kenneth H. Marcus shows that in fact Schoenberg's connections to Hollywood ran deep and most of the composer's exile compositions had some connection to the cultural and intellectual environment in which he found himself. He was friends with numerous successful film industry figures including George Gershwin, Oscar Levant, David Raksin and Alfred Newman and each contributed to the composer's life and work in different ways, helping him to obtain students, making recordings of his music and arranging commissions. While teaching at both the University of Southern California and the University of California Los Angeles, Schoenberg was able to bridge two utterly different worlds: the film industry and the academy. Marcus shows that alongside Schoenberg's vital impact upon Southern California Modernism through his pedagogy, compositions and texts, he also taught students who became central to American musical modernism, including John Cage and Lou Harrison. **Encyclopedia of Women in the American West** Gordon Morris Bakken, Brenda Farrington, 2003-06-26. American women have followed their manifest destiny.

since the 1800 s moving West to homestead found businesses author novels and write poetry practice medicine and law preach and perform missionary work become educators artists judges civil rights activists and many other important roles spurred on by their strength spirit and determination
