Lostmans Heritage Karen Hamilton, 2019-11-11 Lostmans Heritage follows the author s journey as she searches for her ancestors from the slave country of Savannah to the wilds of the Florida Everglades The Everglades is shrouded in mysteries a tangle of mangroves waterways and sawgrass that meanders every which way and is as mutable as the wind Nothing is ever where you left it This is where one came to get lost to hide among the wild things and the Seminoles Her story begins with her ancestor Richard Hamilton an extraordinary and dangerous man a man who against all odds untangled himself from the bonds of slavery and began a family and a life in the Florida Everglades Author Peter Matthiessen found the Hamilton clan so fascinating that he included a fictional account of their lives in his novel Killing Mr Watson Hamilton follows Richard and his sons to the ending of an era when the National Park Service evicted the residents the pioneers of the Everglades Along the way she uncovers secrets and stories polygamy bootlegging fist fights murders gangsters killers and tales of tomahawks and missing schoolteachers Noted Florida historian Charlton Tebeau once said The Hamiltons to the disappointment of the romanticists were neither pirates nor smugglers nor fugitives but simple

fishermen While Tebeau was fascinated by the Hamilton s and often referred to them as one of the lost tribes of the islands the author s research proves that he was wrong about them They were fugitives and they were smugglers The Everglades was not a place for the average man at that time You did what you had to do to feed your family **The Legacy of the Florida Pioneer "Cow Hunters"** Nancy Dale,2011-04-26 The Florida pioneer cow hunters gave birth to the cattle industry Florida discovered by Spanish explorer Ponce de Leon in the 1500s left behind cattle that roamed the peninsula hundreds of years In the 1800s new settlers gathered up the scrub cattle and bred them with their herds As cracker whips snapped cow hunters rounded up their herds and drove them by the thousands to coastal markets on the old cracker trails It was a dangerous passage The legendary cow hunters are today's ranchers This book is about the past and the future of ranching in Florida as a new generation takes over the reins with some heirs choosing another profession and selling the family ranch I hope the reader will reflect upon the valuable lessons these ranchers reveal about history and survival Al Burt's Florida Al Burt,2025-06-24 This book takes readers on a tour of Florida through the writing of Al Burt longtime reporter for the Miami Herald exploring the charm substance and fantasy of a complex and fascinating state Catalog of Copyright Entries.
