Confederate Generals in the Trans-Mississippi, Vol 1 Lawrence L. Hewitt, Arthur W. Bergeron, Thomas E. Schott, 2013-04-30 Until relatively recently conventional wisdom held that the Trans Mississippi Theater was a backwater of the American Civil War Scholarship in recent decades has corrected this oversight and a growing number of historians agree that the events west of the Mississippi River proved integral to the outcome of the war Nevertheless generals in the Trans Mississippi have received little attention compared to their eastern counterparts and many remain mere footnotes to Civil War history This welcome volume features cutting edge analyses of eight Southern generals in this most neglected theater Thomas Hindman Theophilus Holmes Edmund Kirby Smith Mosby Monroe Parsons John Marmaduke Thomas James Churchill Thomas Green and Joseph Orville Shelby providing an enlightening new perspective on the Confederate high command Although the Trans Mississippi has long been considered a dumping ground for failed generals from other regions the essays presented here demolish that myth showing instead that with a few notable exceptions Confederate commanders west of the Mississippi were homegrown not imported and compared well with their more celebrated peers elsewhere With its virtually nonexistent infrastructure wildly unpredictable weather and few opportunities for scavenging the Trans Mississippi proved a challenge for commanders on both sides of the conflict As the contributors to this volume demonstrate only the most creative minds could operate successfully in such an unforgiving environment While some of these generals have been the subjects of larger studies others including Generals Holmes Parsons and Churchill receive their first serious scholarly attention in these pages Clearly demonstrating the independence of the Trans Mississippi and the nuances of the military struggle there while placing both the generals and the theater in the wider scope of the war these eight essays offer valuable new insight into Confederate military leadership and the ever vexing questions of how and why the South lost this most defining of American conflicts **Pioneer Days in the Early Southwest** Grant Foreman, 1994-01-01 Introduction by Donald E Worcerster Includes bibliographical references and index Transactions of the Oregon Pioneer Association ,1875 Pioneer Mountain to Eddyville, US 20, Lincoln County ,2004 A Western Pioneer Alfred Brunson, 2023-10-19 Reprint of the original first published in 1880 Peter Wallensteen: A Pioneer in Making Peace Researchable Peter Wallensteen, 2021-05-28 This book provides a broad overview of what peace research is all about by an author who has been involved in the field for more than half a century Among other things it gives a unique review of how peace research emerged in Sweden as the author was a key actor in the most crucial events during this formative period The book also portrays how the discipline has grown from an initial focus on alternatives to war to the comprehensive study of the many dimensions of a lasting and positive peace The author's own work covers causes of war sanctions conflict resolution conflict data mediation and quality peace They demonstrate the range of topics that have to be understood for a peace with quality This is exemplified by some of the author's writings specifically selected for this volume plus a few ones original to it Some accounts

of the author's involvements in actual peace processes in the 1990s are also included This publication offers a substantial contribution to understanding the evolution of peace research as a field and is an important reading for scholars policy makers journalists students and any aspiring peace researcher as well as for the public at large Peter Wallensteen is a global pioneer of peace research due to his involvement in the creation of the Department of Peace and Conflict Research at Uppsala University a major center in the field He served as Head of Department from 1972 to 1999 Peter Wallensteen set up and directed the well known Uppsala Conflict Data Program UCDP the global resource for the study of armed conflicts and peace negotiations 1978 2015 Peter Wallensteen was the first holder of the Dag Hammarski ld Chair in Peace and Conflict Research at Uppsala University 1985 2012 He was also the first holder of the position as the Richard G Starmann Sr Research Professor of Peace Studies at the Kroc Institute for International Peace Studies University of Notre Dame USA 2006 2018 The Pioneer History of Illinois, Containing the Discovery in 1673, and the History of the Country to the Year Eighteen Hundred and Eighteen, Etc John REYNOLDS (of Illinois.),1852 **Pioneer Days In The San Bernardino Valley** Eliza Persis Russell Robbins Crafts, 2017 The author discloses an intimate picture of Indian life and character the Indians being the desert Cahuillas and their noted chief Cabazon She also tells of the early Mormon pioneers with some reference to Capt Jefferson Hunt and the Death Valley Party and more particularly to the Brier family Mrs Crafts book makes for interesting reading and it may well be considered one of the most important among the relatively few source records available concerning the early history of the San Bernardino Valley The author moved into the Valley in 1854 at the age of 29 and lived here for the remainder of her long eventful life Her book now scarce and valuable was written in her 80th year

Pioneer Venus Richard O. Fimmel, 1983 The Firelands Pioneer ,1867 A Pioneer Church in the Oconee **Territory** Billy Lavender, 2005-07 The purpose of this church shall be as revealed in the New Testament to win people to faith in Jesus Christ and commit them actively to the church to help them to grow in the grace and knowledge of Christ that increasingly they may know and do His will and to work for the unity of all Christians and with them engage in the common task of building the kingdom of God A Pioneer Church in the Oconee Territory will take you on a journey from the early settlement of Mannakin Town Virginia to the Scull Shoals Community on the east bank of the Oconee River in northern Georgia This journey was actually made by the early ancestors of the Antioch Christian Church during the Oconee Indian Wars and at the beginning of the American Restoration Movement Today Antioch Christian Church is still the location of Scull Shoals voting precinct Anyone who loves American history genealogy and has an interest in the early association between church and state will find A Pioneer Church in the Oconee Territory an invaluable reference It contains facts of the way it was as far back as 1793 and the way life in America transpired within rural Georgia Reminiscences of a Canadian Pioneer Samuel Thompson, 2018-02-13 Reproduction of the original Bluecoat and Pioneer John Benton Hart, 2019-01-17 In 1918 urged on by his son Harry John Benton Hart began to tell stories of a three year period in his youth He recalled his

days as a trooper in the Eleventh Kansas Cavalry fighting in Missouri and on the frontier and his time as a civilian jack of all trades doing risky work for the U S Army on the Wyoming Montana Bozeman Trail in the middle of the Indian resistance campaign known as Red Cloud's War Once started John Benton Hart became an enthusiastic raconteur describing events with an almost cinematic vividness while his son an aspiring writer documented his father's testimony in what became several manuscripts Compiled and reproduced here edited by historian John Hart John Benton Hart s great grandson this memoir is a singular document of living history As a young Kansas cavalryman John Benton Hart participated in two momentous episodes of the Civil War era Sterling Price's Missouri Expedition of 1864 including the Battle of Westport and such engagements in the Plains Indian Wars as the Battle of Platte Bridge in July 1865 and the Hayfield Fight near Fort C F Smith in 1867 In the engaging style of a natural storyteller Hart re creates these events as he experienced them giving readers a rare glimpse at moments of historical import from the point of view of the ordinary soldier. In arresting detail he also tells of crossing the Plains as a bullwhacker carrying the mail between the beleaguered forts on the Bozeman Trail and befriending scout Jim Bridger and Mountain Crow Chief Blackfoot Framed and supplemented with the editor's biographical historical and explanatory notes Hart's memoir offers a new perspective on events long fixed in the historical imagination As history writ large or on a personal scale Bluecoat and Pioneer tells a remarkable story Pioneer Collections.
