Pioneers Of Revival:

Pioneers of Revival. [Reprinted from "Joyful News."]. Charles Joseph CLARKE,1939 **Pioneers of Revival** Charles Clarke,1971 **A History of American Revivals** Frank Grenville Beardsley,1912 **20 Pentecostal Pioneers in Nigeria** Israel O. Olofinjana,2011-02-04 Ever so often a book comes along that I feel should have been written years ago and this book is one of them As a Christian who found faith in Nigeria in the 80s I was intrigued by stories about God Generals those men and women that led 20th century revivals across the world most of them in the West Now I have in my hands a book that shares some of the stories of some of my fellow countrymen who shaped the faith landscape in Nigeria I am really impressed with the diversity of the leaders identified and the depth of the research undertaken This book in my view should be a must read for anyone interested in origins of Pentecostalism in Nigeria Keno Ogbo Co editor *The Black Church in the 21st Century* The Lord joined us to the ministry of Benson Idahosa for 20 years and we saw firsthand the reality and power of the gospel in Africa that has touched the world The Lord s sovereign work in the continent is going to impact the globe for generations to come Thank God for the African church of Jesus Christ Millions of strong and faithful believers are coming forth at this critical time as God builds His church Dr Kent Ruth Hodge President of Christian Faith Institute Jos Nigeria Christianity has been recognised to be a growing religion in Sub Sahara Africa The expression of Christianity that is expanding in Africa is Pentecostalism One reason for this growth is the renewal factor which has engulfed the whole continent Nigeria is one of the countries that has and is still experiencing revival that is contributing to local and global Christianity What is the origin of Pentecostalism in Nigeria What contributions did the late Archbishop Benson Idahosa make to the Pentecostal scene in Africa Why is RCCG one of the fastest growing Churches in the World This book considers the history of Pentecostalism in Nigeria by looking at the pioneering efforts of men and women who laid the foundation of the Movement **William J. Seymour** Vinson Synan,Charles R. Fox (Jr.),2012 A new book on William J Seymour a deeply spiritual man who impressed everyone who met him This is just one description of Seymour who proved to be an effective leader writer teacher and revivalist His impact continues to be felt around the world today Seymour s early work opened doors to millions of people finding the fullness of the Holy Spirit since the Azusa Street Revival which both Life and USA Today magazines listed as being one of the top 100 nation impacting events of the 20th century The book was co authored by Vinson Synan Ph D and Charles F Fox Jr Ph D The Great Awakening Joseph Tracy,1842 **THE LINDSEYS - KANSAS PIONEERS 1855 - 2024** Marvin L,Steven E Lindsey,2024-03-03 This book was written largely for the benefit of the writers children and grandchildren so they would know something of the life and hardships faced by their pioneering ancestors It was inspired by their questions about our childhood and youth and their own memories of many visits to the Kansas farms of their grandparents and great grandparents However we think many other readers will enjoy learning something about what it was like growing up on a midwestern farm in the 1940s and 50s A time that was in many ways much simpler but certainly

not easy We had the privilege of knowing personally grandparents and great grandparents who had lived through the many profound changes that occurred around the change of the century Automobiles tractors and telephones had only arrived on the farm about 30 years earlier and the grandparents barns and garages were still filled with horse drawn equipment and harnesses from an earlier era Electricity and graveled roads only occurred after WWII in our memory and running water and indoor bathrooms were still not common on many farms as late as 1955 It was a different and changing world of which we were privileged to be a part Almost all our relatives lived nearby and neighbors all knew us and didn't hesitate to let our parents know if we were up to any mischief We were expected to take responsibility work hard always be truthful stay out of trouble study hard and plant straight rows All are excellent traits that unfortunately are not as valued today as they were then In the book we have shared some history of the area and some stories of incidents from our lives that were not uncommon among farm families We hope readers enjoy learning about us and our families

Nyhuis,2025-02-20 In 1902 one of history s most statistically significant revivals was led by three American evangelists R A Torrey Charles Alexander and W E Geil It quickly spread internationally after beginning in Melbourne Australia where a staggering 8 642 conversions were recorded in just four weeks This largely untold story chronicles the beginning of the twentieth century s great awakening better known for its later impact in Wales and at Azusa Street Los Angeles By comparison with the later ministry of Billy Graham Global Revival identifies key elements that remain central to all revivals today It also includes rare letters from D L Moody and Charles Spurgeon details of the unique Spots method of evangelism insights into a decade long weekly prayer meeting the origin of the various versions of Alexander s famous revival hymn book and full transcripts of selected sermons This unique case study of revival s triumphs and pitfalls makes an important contribution to the study of evangelistic mission and will energize and equip groups and individuals alike Global Revival also provides helpful study questions to stimulate discussion in small groups or classes keen to see fresh expressions of revival today **Autobiographical Reflections on Southern Religious History** John B. Boles,2001

Invoking the strong ties they sense between the courses of their lives and their careers the sixteen historians of religion who have contributed to Autobiographical Reflections on Southern Religious History share their thoughts and motivations In these highly personal essays both pioneering and promising young scholars discuss their work and interests as they recall how the circumstances of their upbringing and education steered them toward religious history They tell of their own time and place and of their growing awareness of how religion ties into larger social issues gender class and most notably race Indeed one essay begins I was asked to write about why I came to study religion in the South It was then I realized that it was because my grandfather had been lynched Lutheran Jewish Catholic Methodist and Episcopal viewpoints are represented as of course are Baptist Some contributors have stood in the pulpit others at least commenced their higher education with that aim While some contributors were born and reared and now work in the Bible Belt others are outsiders physically philosophically or both Some came from intellectual traditions others were the first in their family to attend college Despite their common interest in its history southern religion is anything but an intellectual abstraction for the contributors to this book It is a potent force and here sixteen men and women offer themselves as proof of its power to shape lives **Mediaeval and Modern History** Philip Van Ness Myers,1902 **Mediaeval and Modern History: The Middle**

Ages Philip Van Ness Myers,1902 **Canton; Its Pioneers and History** Alonzo M. Swan,1871 Irish London Richard Kirkland,2021-08-12 Winner of the 2022 British Association of Irish Studies BAIS Book Prize In the years following the Irish Famine 1845 52 London became one of the cities of Ireland The number of Irish in London swelled to over 100 000 and from this mass migration emerged a distinctive and vibrant culture based on a shared sense of history identity and experience In this book Richard Kirkland brings together elements in Irish London s culture and history that had previously only been understood separately or indeed largely overlooked as in the case of women s contributions to London Irish politics and culture In particular Kirkland makes resonant cultural connections between Irish and cockney performers in the music halls Irish trade fairs temperance marches the Fenian dynamite war of the 1880s St Patrick s Day events and the later cultural agitation of revivalists such as W B Yeats and Katharine Tynan Irish London A Cultural History 1850 1916 is both a significant contribution to our understanding of Irish emigrant communities in London at this time and an insightful case study for the comparative fields of cultural history and urban migration studies **Papers of the American Society of Church History** American Society of Church History,1921 Includes annual reports
