Pippa's Challenge Joy Adamson,1972 The author s observations and study of the cheetah      **PIPPA'A CHALLENGE** JOY ADAMSON,1972      *Pippa's Challenge* Joy Adamson,2004 The story of Pippa the tame cheetah and her cubs      Strike the Fire Lacey Dancer,2018-10-10 Lydia North turned visions into homes and businesses Her company North Enterprises built to last to be kind to the environment and to lift an area into the future while still paying homage to the past Archer Channing and Alex Weston had a vision for the agricultural community of Live Oak Now it was her vision too This time she wasn t just building but investing financially in the future Along comes Max Greene ready and willing to buy into the concept that Archer and Alex have for Live Oak s step into the twenty first century He s in the mood for a change and decides he wants to be more than a behind the scenes money man He wants to get his hands dirty It has been years since he had done manual labor but a man doesn t forget his roots But first he has to convince a tiny female dynamo with inky black hair and a body to send even a dead man s blood pressure skyrocketing that he could get the job done He solves the first problem but the second is a bit more difficult How did he convince a woman who needed no man to protect and support her that he wanted to walk beside her not have her walk behind him Lydia recognized a challenge when Max stared her in the face She had cut her teeth on the males of the species and thought she knew all the moves Max showed her more about herself than she thought existed From the first he accepted the woman she was the woman who rode a motorcycle to unwind who lived in a motorhome instead of a house and climbed onto heavy construction equipment as though she had been born an excavator When Lydia set a goal a hurricane couldn t stop her When Max built his success a bomb didn t destroy him Are their differences greater than their strengths      Chase the Fire Lacey Dancer,2015-12-13 Escape Her stalker was out on bail She was sheltering in place in her condo like a prisoner He was free to walk the streets and she didn t dare go out for fear of another attack Her life was in shreds because of one man s obsession for revenge when she was promoted above him Miranda Major picked up her handbag walked out of her home and got into her car The interstate stretched in front of her An escape to a future she never expected with a man she had met before her life had been shattered Only she would land in a mud puddle her hair dripping from the rain pouring down when that man astride a big gray horse was staring at her Archer Channing had been sleek and elegant in his suit when she had first met him nothing like the rugged male who dismounted with a fluid grace and offered her a hand out of the puddle Miranda hadn t had a destination in mind What had prompted her choice of this place The farming community of Live Oak was so far removed from the sophistication and polish of South Florida that it could have been on another planet Archer was a favored son of one of the oldest founding families She was a woman with no family and danger was right on her heels Archer a man she barely knew offered her help and shelter With Archer she could finally be Randi not Miranda More he showed her just what a small town could do when faced with a threat to one of its citizens It didn t seem to matter that she hadn t been born in Live Oak It mattered that Archer stood beside her ready to fight with her

against the man who wanted her dead With Archer came his friends and the justice of small town law Had Randi finally found a home A family A place to put down roots
