Pirandello's Love Letters To Marta Abba:

Pirandello's Love Letters to Marta Abba Luigi Pirandello, 2017-03-14 In February 1925 the 58 year old world famous playwright Luigi Pirandello met Marta Abba an unknown beautiful actress less than half his age and fell in love with her She was to become until his death in December 1936 not only his confidante but also his inspiring muse and artistic collaborator helping him in his plans to reform Italian theater under the Fascist regime Pirandello's love for the young actress was neither a literary infatuation nor a form of fatherly affection but rather an unfulfilled desperate passion that secretly consumed him during the last decade of his life Bitterly disillusioned by the conditions of the theatrical world in Italy Pirandello and Abba shared a dream of going abroad to earn their fortune and returning to Italy with the means to establish a national theater dedicated to high artistic standards In March 1929 when Marta finally yielded to family pressure and left Pirandello alone in Berlin to revive her Italian stage career and to end rumors over their involvement he endured a devastating heartbreak and fell into a life threatening depression more profound and long lasting than any of his biographers have yet imagined The hundreds of letters Pirandello wrote to Abba during these years are the only source that reveals the true story of his relentless torment Selected translated and introduced here for the first time in any language these powerful and moving documents reward the reader with the unique experience of living in intimacy with a profound poet of human pain Here Pirandello encourages his beloved in her difficult career as actor manager rejoices in her triumphs and desperately implores her to return to him The letters are filled with glimpses of this major artistic personality at some of his most distinctive moments such as the award of the Nobel Prize his meetings with Mussolini and Marta's long dreamed of success on Broadway but they remain foremost an authentic confession of a Pirandello without the mask of his art telling the story of his real life tragedy In 1986 two years before she died Marta Abba authorized the publication of the present correspondence so that the world might understand how deeply Pirandello had suffered This English language volume contains a selection of 164 letters from the complete edition of 552 which Princeton University Press will publish in cooperation with Mondadori in the original Italian in 1995 Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 [Quotes from my Blog.](#)

This play about six unfortunate characters abandoned by their author in the middle of a tawdry drama is an unsettling supremely self-conscious work that is ultimately about theatrical artifice and artistic creation itself Pirandello and Film examines Pirandello's many efforts none of them finally successful to transform *Six Characters* into a movie The authors examine Pirandello's views on film and its relation to theater his varying approaches to creating a film adaptation of *Six Characters* and the efforts of directors and film moguls in Germany and Hollywood to fashion a cinematic version of the play The book also presents an array of important documents including some that have never before appeared in English a Prologue or prose sketch for a 1926 film a Scenario a more detailed prose sketch prepared by Pirandello and Adolph Lantz in the late 1920s for a German film version of *Six Characters* an English language film sketch written in 1935 by Pirandello and Saul Colin and a letter from Max Reinhardt and the German emigri Hollywood film director Joseph von Sternberg to Saul Colin regarding the proposed film treatment of the play These documents together with the authors critical text provide a detailed portrait of Pirandello's developing view of film as an appropriate medium for his revolutionary dramatic innovations Nina daVinci Nichols a professor of English at Rutgers University is the author of *Ariadne's Lives* *Man Myth Monument* and two novels *Moirae's Room* and *Child of the Night* Jana O Keefe Bazzoni an associate professor of speech at Baruch College has published articles in *The Luigi Pirandello Companion* *Performing Arts Journal* and *Modern Drama* Maurice Charney a professor of English at Rutgers University is the author of *All of Shakespeare* *Comedy High and Low* and *Sexual Fiction*
