Pirate The Lady:

The Pirate's Lady Julia Knight, 2012-06-18 There s a price on privateer Van Gast s head So high that Van is tempted to turn himself in for the reward then escape with it Escaping with full pockets is what he does best He managed to steal a ship a bride a dowry a diamond the size of a fist and then disappear without a trace But this time he can t go very far The woman of his dreams his Josie has stolen his ship and is leading him on a merry chase dangerously close to Estovan the one place Van Gast should steer clear of 89 000 words *The Pirate's Lady* Tricia Schneider, 2016-11-11 Captain Marco Dante was captured and sentenced to hang two years ago but he escaped before his punishment was carried out Now he s come back to the woman whose memory kept him alive those long months in prison Arianne had been his grand passion but he failed to see how much she meant to him until it was too late Can he recapture her heart Or has he lost her forever Arianne never imagined she d see her notorious pirate lover again Though her heart sings with joy at his return she knows he hasn t come back for her but for the treasure he left behind She agrees to help him find it but can her heart withstand one more adventure with him *The Pirate's Lady* Suzanne Hoos, 2016-06-13 Cate Whitfield harbors revenge in her heart for the bloodthirsty pirate who murdered her betrothed So she s stunned to learn that he is to be her father s guest of honor at one of his revelries and even more upset to discover that Captain Alexander Chase may not be the scoundrel she believes Even though she has publicly branded him a criminal feisty Cate mesmerizes Alex But the former pirate isn t about to let her accusations deter his own agenda for vengeance He s returned to Promise New Jersey to retaliate against the man who murdered his father the man who just happens to be Cate s father Trouble is he may be falling in love with her and she s hell bent on seeing him punished Can these two wounded hearts find out the truth before it s too late or is their love doomed to walk the plank Sensuality Level Sensual *Twenty Florida Pirates* Kevin M McCarthy, 2015-10-17 Blackbeard Jose Gaspar Jean Lafitte the names conjure up a romantic swashbuckling figure with a black patch over one eye a cutlass in his teeth and a brace of pistols tucked into his waistband Actors such as Errol Flynn did much to create that devil may care attitude glamorized on the silver screen but in fact real pirates were not so admirable for the most part they were cruel greedy dastardly brigands many of whom were slave traders or smugglers in addition to being pirates Still we continue to be fascinated by their lives and exploits perhaps because they led such adventurous lives full of bravery recklessness and daring It is certainly more enjoyable and safer to read about pirates than to encounter one This book chronicles the lives and times of 20 notable Florida pirates from the English privateers of the 1500s to present day drug smugglers and yachtjackers Pirates have always found easy prey in the seas around Florida not only did the treasure laden ships on their way back to Europe have to sail close to Florida s shores to catch the currents east but the treacherous Florida Reef foundered many a ship making easy pickings Most of what we know about pirates comes from Navy records newspaper accounts or eyewitness statements from those whom the pirates spared This book distills the most interesting facts from many sources into a book
