William Hope Hodgson

Pirates Ghosts Coastal Lore Best Of Ju:

Pirates, Ghosts, and Coastal Lore Charles Harry Whedbee, 2004 From the late author of *Legends of the Outer Banks* and *The Flaming Ship of Ocracoke and Other Tales of the Outer Banks* comes a collection of legends from the broad bays sounds and estuaries that make up tidewater Tarheelia **Forthcoming Books** Rose Army, 2003-12 *Pirates, Ghosts, & Coastal Lore: The Best of Judge Whedbee* Charles Harry Whedbee, 2004 In 1963 Judge Charles Whedbee was asked to substitute on a morning show called *Carolina Today* on Greenville North Carolina's television station while one of the program's regulars was in the hospital Whedbee took the opportunity to tell some of the Outer Banks stories he'd heard during his many summers at Nags Head The station received such a volume of mail in praise of his tale telling that he was invited to remain even after the man he was substituting for returned to the air He had a way of telling a story that really captured me said one of the program's co hosts Whether he was talking about a sunset a ghost or a shipwreck I was there living every minute of it Word traveled as far as Winston Salem where John F Blair proposed to Whedbee that he compile his stories in book form Whedbee welcomed the challenge though his expectations for the manuscript that became *Legends of the Outer Banks* and *Tar Heel Tidewater* were modest I wrote it out of a love for this region and the people whom I'd known all my life he said I didn't think it would sell a hundred copies From the very first sentence of the foreword Whedbee stamped the collection with his inimitable style You are handed herewith a small pod or school of legends about various portions of that magical region known as the Outer Banks of North Carolina as well as stories from other sections of the broad bays sounds and estuaries that make up tidewater Tarheelia The Lost Colony Indians Blackbeard an albino porpoise that guided ships into harbor the tales in that volume form the core of Outer Banks folklore Whedbee liked to tell people that his stories were of three kinds those he knew to be true those he believed to be true and those he fabricated But despite much prodding he never revealed which were which *Legends of the Outer Banks* went through three printings in 1966 its first year Demand for Whedbee's tales and the author's supply of good material were such that further volumes were inevitable *The Flaming Ship of Ocracoke* *Other Tales of the Outer Banks* was published in 1971 *Outer Banks Mysteries* *Seaside Stories* in 1978 *Outer Banks Tales to Remember* in 1985 and *Blackbeard's Cup and Stories of the Outer Banks* in 1989 Although Judge Whedbee died in 1990 his legacy lives on through his folklore And so it was fitting that in 2004 the 50th anniversary of John F Blair Publisher that the company should release this volume of the 13 stories that the Blair staff felt were the best of Charles Harry Whedbee **New York Times Saturday Review of Books and Art**, 1968 **The Compact Scottish National Dictionary: N-Z** William Grant, David D. Murison, 1986 **Pirates and Ghosts of the Carolinas' Coast** Cynthia Moore Brown, 2015-02-28 21 tales of pirates and ghosts from along the North Carolina coast Haunted houses graveyards and other favorite places are featured Some stories told for the first time and involving people who really lived **Ghost Hunters: Pirates' Curse** Susan McCauley, 2021-02-23 In this ghostly and fast paced adventure twelve year old Alex must use his

psychic gifts to speak with pirate ghosts to solve the curse of an old pirate hangout if he fails his best friends could be trapped there forever Ghosts are commonplace in this dark and exciting world and the psychics who deal with the Problem are rare Apprentice psychic investigator Alex and his two best friends embark on their first solo case to discover who s haunting an old New Orleans pub They battle ferocious winds driving rain and raging spirits to put a pirates curse to rest Ghost Hunters Pirates Curse Book 2 in the Ghost Hunters series is filled with rich characters spooky moments and lots of action packed fun Pirate Ghosts of the American Coast Frank D. McSherry, Charles Gordon Waugh, Martin Harry Greenberg, 1988 Ten short stories by such authors as Carl Jacobi John Masefield Henry S Whitehead and Washington Irving provide languid and enchanting fiction saturated with the magic of talismans potions and crazed old peg legs The Ghost Pirates William Hope Hodgson, 2023-03-13 *Legends of the Ghost Pirates* M.D. Lee, 2014-10-15 ACTION ADVENTURE It was so close I realized it had two cannons on her bow Loaded or not who the knows I sure as rigger rats didn t want to find out I was never certain if they re aimed at me But I wasn t out running them they had me They kept coming Never slowed down Got so close I could read the name on the bow Once again in the third installment of his adventures series Young Fisher Shoemaker is back He and Sara come across an old logbook that once belonged to the less than famous sea captain Bartholomew Bonney The mysteries of the logbook leads them on an adventure miles off coastal Maine The Ghost Pirates William Hope Hodgson, 2021-08-12 He began without any circumlocution I joined the Mortzestus in Frisco I heard before I signed on that there were some funny yarns floating round about her but I was pretty nearly on the beach and too jolly anxious to get away to worry about trifles Besides by all accounts she was right enough so far as grub and treatment went When I asked fellows to give it a name they generally could not All they could tell me was that she was unlucky and made thundering long passages and had no more than a fair share of dirty weather Also that she had twice had the sticks blown out of her and her cargo shifted Besides all these a heap of other things that might happen to any packet and would not be comfortable to run into Still they were the ordinary things and I was willing enough to risk them to get home All the same if I had been given the chance I should have shipped in some other vessel as a matter of preference The Ghost Pirates is a novel presented as the transcribed testimony of Jessop who we ultimately discover is the only survivor of the final voyage of the Mortzestus having been rescued from drowning by the crew of the passing Sangier Hodgson never describes the ghosts if this is indeed what they are since their true nature is left ambiguous in any remarkable detail he merely reports of their gradual commandeering of the ship and was originally published in 1909 **The Ghost Pirates** William Hope Hodgson, 2015-12-17 The captivating tale of the ship Mortzestus an unlucky vessel haunted by too many shadows The unifying theme seems to be the dreadful forces that lurk just beneath the veneer of what we in immense folly believe to be reality Malign forces may surface at any moment to drag us to destruction or worse Notice This Book is published by Historical Books Limited [www publicdomain org uk](http://www.publicdomain.org.uk) as a Public Domain Book if you have any inquiries requests or need any
