She works as a pit girl at the local coal mine alongside her childhood playfellow Evan although lately their friendship seems to be blossoming into something more. But when Queenie King takes a fancy to her Hettie's life is transformed. Trained first as a lady's maid and then hurtled into a world of luxury and gentility she finds her new position difficult to reconcile with her past life. And with Queenie's daughter-in-law scheming against her Hettie's situation becomes dire. Can Hettie really use her new position for good and will she find a way to bridge the divide between rich and poor?
